PHILIPPI WAS SENT
IN STOP ONSLAUGHT

And the Veteran Was as Cold and Steady as an Ice Pack—Owne Bush Was Much in Spotlight.

(American News Service)
Bennett Park, Detroit, Oct. 12.—The Tigers and Pirates began operations on slow grounds and in chilly atmosphere today. Five thousand fans were on hand at the opening of the gates and had four hours to wait in a shivering condition. The "lemonade" vendors sold great quantities of hot coffee at ten cents per stein. The teams came on the grounds for practice wearing sweaters and some had overcoats on. Dr. Cook lectured here on "Vicissitudes of North Pole Exploration" last night and the baseball fans imagine that he is responsible for the cold wave.

Jennings selected Mullin for pitcher and Fred Clarke after the warm up decided to start with "Lefty" Liefield.

If a seventh game is needed to settle the world's championship it will be played in Pittsburgh, Friday. This was a decision reached at a session of the National Commission in Detroit today. The voice of the umpire on bases is to be regarded as final, it was also decided by the commission. After the first inning Manager Jennings took out Schmidt and substituted Stange, his hard hitting young star. Stange introduced himself to the crowd by cracking out a single. Umpires Johnstone and O'Loughlin have been assigned to right and left fields, respectively, to watch plays. Klem is behind the bat, Evans on bases.

FIRST INNING.

Pittsburg—Byrne hit past Mullin but Deleahanty threw him out. Leach rolled to Bush and was thrown out. Deleahanty made a pretty stop of Clarke's bounder and was out at first. No runs, no hits, no errors, none left on bases.

Detroit—Leach tore in and grabbed Davy Jones's short line drive. Liefield gave Bush three balls then put two over, then the midget went out. Liefield to Abstein. Cobb was hit by a pitched ball. Cobb was caught off first base, but advanced to second on Abstein's miff of Liefield's throw. Crawford floated to Leach. Three outs, no runs, no hits, one error, one left on base.

Pittsburg 0; Detroit 0.

SECOND INNING.

Pittsburg—Wagner delayed taking his place at bat, apparently having been injured when Cobb took second in the first inning. Donovan was ordered off the field for kicking. Wagner walked. Mullin tried hard to catch Wagner off first, but failed. Miller fanned. Deleahanty fumbled and Abstein was safe at first. Wilson sent one right at Mullin who threw Wagner out at third. Wagner was presented with a bunch of chrysanthemums. Mullin went up in the air and pulled down Gibson's high bounder and completed the play to Tom Jones. Three outs, no runs, no hits, one error, two left on bases.

Detroit—Deleahanty was hit by pitched ball. Moriarity's short fly fell safe. Deleahanty taking third. Tom Jones hit to Liefield, who threw Deleahanty out at the plate. Moriarity went to third and Tom Jones to second base on the play. Stange singled over Miller, scoring Moriarity and Tom Jones. Mullin hit to Wagner, forcing Stange, Wagner to Miller. In an effort at a double play Miller threw into the crowd. Mullin taking second. Davy Jones was easy, Liefield to Abstein. Three outs, two runs, two hits, one error, one left on bases.

Detroit, 2; Pittsburg, 0.

THIRD INNING.

Pittsburg—Liefield was out on called strikes. Byrne doubled to left. It was the first hit off Mullin. Leach was at bat for a long time, finally working Mullin for a pass. With the count two and three on Clarke, he struck out and on the third strike Byrne and Leach made a double steal. The Detroit bugs hooted Umpire Evans's decision on calling Byrne out at third and then without any apparent reason he reversed his decision.

Wagner struck out, missing the second one by a foot. Three out, no runs, one hit, no errors, two left on bases.

Detroit—Bush out to Clarke. Cobb bounded into Gibson's hand and he was out at first. Crawford smashed hard to center for a single. Deleahanty singled to Abstein. BRASS WAS STOLEN

Thieves Pilfer 600 Pounds Last Evening at Local Factory.

COMPANY OFFERS REWARD

The Standard Pattern Manufacturing Co., North E street, was entered last night and 600 pounds of old brass stolen. W. H. Woolley, one of the officials of the company, announced today that he would give a liberal reward for the apprehension of the thief and recovery of the brass.

The factory was entered from the rear but the departure of the thief or thieves was by the Tenth street entrance. From the tracks left it is evident that the thief used a rubber tired push cart. The police have been notified and expect to make an arrest soon.

RUNBAUGH ARRESTED

For jumping on a moving train at Thirteenth street and the railroad last evening, Harry Runbaugh was arrested by Patrolman Wierhake and taken to police headquarters. In the city court this afternoon the boy was released upon his promise to desist from the dangerous practice.

IS MUCH INTEREST OFFICIALS AT WAR

Richmond Fans Throng the Palladium Office For the Results.

BASEBALL IS ONLY TOPIC.

The Palladium news room is the mecca for local baseball fans. They appreciate the prompt and full service given on the world's baseball series and when the big press runs off the baseball edition, twenty minutes after the close of the game, there is a regular stampede for copies.

Betting on the series in Richmond is now at even money, the bugs realizing that the two teams are practically the same strength and the outcome of each game will be a toss up.

There was considerable money "hung up" today, the Pirates being the favorite, but the Tiger supporters quickly snapped this coin up and as a result are now wearing broad, elastic smiles.

The Palladium is securing its baseball accounts during the series over direct Postal Telegraph wires, from Bennett park at Detroit and Forbes park at Pittsburgh. It is the only paper in Richmond which is handling the series in a full and systematic manner.

MIKE GOT A BUN ON

He Objected to Ceremony and Three Officers Had to Jail Him.

OFFENDER IS A HUNYAK

Mike Yadweshek, a Hunyak, was arrested last evening for public intoxication. The man had serious objections to being placed in jail and it was only after the aid of three officers had been sought that the foreigner was finally successfully placed behind the iron bars. Yadweshek continued to raise such a rumpus after being locked up that it was necessary to place him in a separate cell. He tore his clothes and chewed his cap up just to show the officers that he was real angry and could get mad when he wanted to. In the city court this afternoon the Hunyak was fined \$1 and costs and in lieu of payment went down on a 11 days' visit as the guest of Sheriff Meredith.

WILL BE BIG CROWD

Every Seat at Forbes Park for Tomorrow's Game Is Now Sold.

PITTSBURG IS FAVORITE

(American News Service)
Pittsburg, Oct. 12.—Every seat for tomorrow's game between Detroit and the Pirates at Forbes field has been sold, hundreds standing in the rain for hours waiting their turn at the four ticket stations.

The betting on today's game at Detroit is ten to seven, the game pitched by Maddox yesterday and the expectation that "Babe" Adams will pitch today giving the local supporters renewed confidence in their favorites.

The indications for tomorrow are for cold weather but this will not prevent the attendance of another record-breaking crowd at Forbes field.

REPORT BY TRUSTEE

The Dickinson Trust company, trustee for the Alcinda S. Lough library fund for colored children, made partial report to Judge Fox of the probate court today. The trustee is charged with but a very small amount, the principal portion of which is loaned to Earlham college and bearing good interest. Upon the death of Alcinda Lough, it was found that she willed a large portion of her estate for the benefit of colored children. Timothy Nicholson served as the first trustee of the fund from 1893 to 1907.

STARTLING FIGURES.

Detroit, Mich., Oct. 12.—The National Commission last night completed figures on the three games of the world's championship to date, showing already the receipts of the players are greater than any other series of four games in which the players divided and within \$4,000 as much as any former series of six or seven games. The players' share in the three games—two in Pittsburgh and one in Detroit—gives the players \$55,000, compared with the four games last year when Chicago and Detroit division gave the players \$54,000.

The largest purse ever divided among the players in a world series previous to this was in the five-game series between the Chicago Nationals and Detroit Americans in 1907, when the players' share amounted to \$54,000. In comparison with the three games' receipts in this series are those of the six games between the Chicago Nationals and Americans in 1904 when \$100,000 was taken in. For the five-game series between Chicago and Detroit in 1907 the receipts were \$101,728.50.

Total attendance to date 78,005
Total receipts to date \$102,832.00
Division of players' pool to date \$55,000 28
Owners of each club to date \$10,832 76
National commission to date \$10,282 29

The following table shows the attendance and number of games for the series since 1905:

Year. Games. Tot. Attend.

1905 5 91,778

1906 6 99,845

1907 5 78,005

1908 5 62,232

1909 3 78,005

SMITH WAS WITNESS

William Smith, who was sentenced to from two to fourteen years at the penitentiary this morning by Judge Fox, was on the witness stand this afternoon testifying against Samuel Jaffe, who is charged with grand larceny. Even though Jaffe is acquitted on the charge for which he is on trial, another charge of grand larceny will be placed against him. Charles McGuire, one of the officials of Dille & McGuire lawn mower works, today identified a number of brass castings which were found in Jaffe's place, which had been stolen from the factory.

Evening's Entertainment.

The word "advertisement," which meant special notice, was not used in our modern sense until about 1600. The term adopted was "advise." The fees were distinctly heavy, and a curious fact is that it does not seem to have occurred to the promoters to charge for space or the number of words. Important "advices" or those by important people seem simply to have been put in capital letters and allowed more space without regard to price.—From "A History of English Journalism," by J. B. Williams.
