Peary depermitted to retire behind the scenes. clared that because of the fact that Commander Robert F. Scott of the British navy is working on a south pole expedition, it would be improper to attempt to utilize his route or the regions in which he is to work. Therefore, he said, he has given the matter no further thought since his return from the north, when he stated that

Commander Peary repudiated the announcement printed in several newspapers that within five years he would head an expedition to seek the south pole under the auspices of the Peary Arctic club.

Says Statement Is Erroneous.

He dictated the following statement: "That statement is erroneous. In May, 1908, I sent a brief announcement through the medium of the internasaying that on my return from this expedition I hoped to organize an expecountry its share of the honor and scientific material yet to be obtained in Buckwheat cakes made from Wal. the antarctic regions.
