SPECTACULAR WAS FALLING METEOR

People in Western Part of the County See Strange Heavenly Visitor.

ILLUMINATED THE COUNTRY WHEN VERY NEAR TO THE EARTH BIG BALL OF FIRE SUDDENLY "EXPLODED" CREATING MOST BRILLIANT EFFECT.

Dispatches received from Economy, Milton and Hagerstown tell of a beautiful and spectacular meteor seen late Saturday night. This meteor was one of the advance guard for the famous Halley's comet, which is now approaching the earth and which will pass across the earth's path next May, missing the sphere on which we live by the short period of one month. In describing the meteor visible in this county last Saturday night the Economy dispatch says:

While Mr. and Mrs. Charles Fleming were returning home in their carriage Saturday night, about 6:30 o'clock, and were two and a half miles east of Economy, their attention was attracted to a falling meteor. When it was apparently just a short distance overhead the meteor suddenly burst like a skyrocket and the entire countryside was flooded with a soft white glow. The illumination was so perfect that obscure things for a distance of two hundred yards could be plainly seen by the Flemings.

Followed by Sparks.

The bursting of the meteor was followed by hundreds of brilliant sparks, which shot across the heavens. Mr. and Mrs. Fleming state the spectacle was the most beautiful they had ever witnessed.

The Milton dispatch states that several people in that vicinity saw the heavenly visitor about 6:30 o'clock and marveled at its intense glow and its spectacular bursting.

The Hagerstown dispatch states: "Several people of this vicinity saw a meteor Saturday evening at 6:30 o'clock. It was unusually brilliant and resembled a Roman candle and appeared to be the size of a barrel head. It was visible for several seconds and when it disintegrated the country for a distance of a mile or two was brilliantly illuminated."

Health and Beauty Hints

By Mrs. Mac Martyn

Mrs. E. B.: It is your own fault if people think you are older than your husband. You should not be so careless about your personal appearance. You can easily get rid of that sallow, coarse appearance of your skin and make yourself appear several years younger by using a lotion made from 4 ounces of spumax, 2 teaspoonfuls of glycerine and a half-pint of hot water. This lotion will give your oily, shiny skin a pink, youthful appearance. It does not clear like face powder, but lasts longer and is splendid for cold sores, tan, pimples and freckles. You can buy spumax at any drug store and prepare this lotion yourself at a small cost. I am sure after you have once tried it, you will like it very much and use it always in place of face powder. It is better and has proved to be a wonderful whitener and skin beautifier.

Anna G.: I agree with you. A bright, clear, youthful eye is always attractive and admired. Most girls neglect to give their eyes proper care. Very few use an eye tonic, which I think essential in caring for the eyes. I have found the following tonic to be good for weak, tired and inflamed eyes: Go to your drugist and get 1 ounce of Crystos and dissolve it in a pint of water. Use two or three drops in each eye night and morning. It will not smart. This inexpensive eye tonic will do you lots of good and relieve you of that dull, tired feeling above the eyes.

E. J. B.: Everyone admires a beautiful head of hair, and it is easy to have it if the hair is properly cared for. Try shampooing your hair every two weeks with a teaspoonful of canthrox dissolved in a teacupful of hot water. You can get canthrox at any drug store. It lathers abundantly, cleans the scalp thoroughly, stops all irritation and makes the finest kind of a shampoo. Soap is dangerous to use on the scalp, as the alkali in it tends to kill the hair. Canthrox makes the hair soft and glossy, dries quickly, and is now being used very extensively by the best class of hair dressers. When prepared at home, canthrox shampoo is decidedly inexpensive. All drugists handle canthrox.

Francis M.: You can't expect to receive the same attention as your chums as long as your health is so poor. Nobody admires a young woman with pimples all over her face. There is nothing like good health. That sallow, common look on your face shows you are needing a good tonic. This can be made by dissolving 1/2 teacupful sugar and 1 ounce karden in 1/2 pint alcohol, adding enough boil-

ing water to make a full quart of tonic. Take a tablespoonful before each meal and before retiring. This tonic will restore lost appetite, purify the blood, give you a healthy body and put life and color into your face. I find this tonic very efficient in arousing the liver to normal action, removing liver blotches, pimples and other skin eruptions.

A. V. W.: To make a greaseless complexion cream that will be entirely beneficial and not encourage growth of hair on the face, mix 1 ounce of almozin with 1/2 pint cold water and add 2 teaspoonfuls glycerine. Stir and let stand for an hour or so. In all my experience I have never found anything to equal almozin jelly as an aid to beauty. It is excellent for chapped hands and face, maraging, removing freckles, tan, wrinkles, blackheads and dirt from the pores of the skin. It leaves the skin in excellent condition. It is also the only really dependable remedy I have ever found for making smaller those large, unsightly pores below the eyes, which are troublesome to so many ladies. You can get almozin at any drug store.

R. O. K.: A fat woman is certainly deserving of pity, either in society or business. She can't help but feel miserable and out of place. The best remedy I know of to reduce your flesh without dieting is made by dissolving 4 ounces of parnotin in a pint of hot water. Take a tablespoonful three times a day before meals. This preparation is harmless. A friend of mine who used it, reduced her weight 12 pounds in two weeks.

Mrs. C. V.: You can stop that terrible itching from your eczema by using a lotion made by mixing 4 ounces of luxor, 4 tablespoonfuls of alcohol and a half pint of water. Apply this three or four times a day and allow to dry. Repeat until skin is restored to a healthy condition. This remedy is splendid for salt rheum, rash and other skin eruptions. I have seen this remedy tried numerous times with surprisingly satisfactory results.

FEAR OF VIOLENCE

Will Result in Keeping Secret Date of Arraignment For Hoal.

FEAR LYNCHING ATTEMPT

New Albany, Ind., Nov. 16.—When the day arrives for the formal arraignment here of Tommy Hoal, the Louisville "dime novel" bandit, who last week killed Cashier J. Hangary Fawcett, of the Merchants' National Bank of New Albany, the Indiana authorities will keep the time of the proceedings secret. This was determined upon in the fear that a lynching may be attempted. An Indiana statute provides that a sheriff who loses a prisoner to a mob is to be instantly removed from office, and Sheriff Sittison, of Floyd

county, will take no chances. In connection with the case and a similar tragedy at Eudora, Kan., last week, Major D. C. Peyton, superintendent of the Southern Indiana reformatory, where Hoal is a prisoner, received today a communication from Postmaster General Frank Hitchcock. Major Peyton had asked whether there was no way in which to exclude novels from the mails, and Mr. Hitchcock replied that such exclusions came under no head that he could find, adding that he regretted it. President J. K. Woodward of the bank, whom Hoal wounded, continues to improve; while James Tucker, a negro chauffeur, also shot by Hoal, is expected not to survive.

Prices of all living increased, the only exception Mrs. Austin's pancake flour. Same old price at all grocers.
