

TO REFUND MONEY TO MANY FARMERS

Vehicle Licenses Illegally Paid
Will Be Refunded at Con-
troller's Office.

MUCH KICK REGISTERED.

FARMERS CLAIMED THAT THEY
WERE BEING TREATED UNFAIR-
LY BY CITY—BOYCOTT THREAT-
ENED.

A sum of \$125 was appropriated by the city council at its meeting last night, to refund license fees paid for vehicle licenses by farmers. City Controller, E. G. McMahon went over the books carefully, yesterday afternoon, to determine the amount of money necessary to repay the farmers, and he believes that \$125 will be sufficient for this purpose.

The ordinance was first passed so as to include for license, many farmers of the county, and there has been a great protest from country people on this account. They claim that they should not be taxed, when coming into town merely for the purpose of selling their own produce.

The ordinance was at first passed in a rather indefinite form and there were several interpretations made by the City Attorney, Mayor and other members of the Board of Works.

Some farmers went as far as to say that they would not come to the Fall Festival, and city officials feared it would be a very bad thing for the town, in case the ordinance was left as it had been. The ordinance was at first passed in a rather indefinite form and there were several interpretations made by the City Attorney, Mayor and other members of the Board of Works.

cently those peddling their own product will not be required to take out a vehicle license. However, hucksters, or men peddling goods of which they have purchased from others will be required to take out a vehicle license. Also men hauling brick, stone, sand and gravel, or other heavy material from the country into the city will be required to take out a vehicle license.

MESSAGE TO KNOUFF

Sent by High School Pupils
Thanking Him for the
Work He Had Done.

NEW SCHOOL IS POPULAR

Fully five hundred students began work at the new Richmond high school this morning and went to their regular recitations for the first time this term. The pupils were enthusiastic and the faculty looks forward to a very successful year.

At the first session of the pupils yesterday a resolution was adopted to send a message to C. W. Knouff, principal of the Tacoma high school, who has been ill. Last evening the following message was sent:

"By unanimous vote the board of education, the faculty and student body of the Richmond high school assembled for the first time in the splendid new high school auditorium, send thanks for what you did for this school during your principality. We trust that you and yours may be happy in Tacoma and that your work will be appreciated there as it was here."

At the chapel assembly this morning George Hamilton, former teacher of Latin at the high school, spoke to the students and mentioned the spirit of good will that he found among this year's high school students.

The attendance given by Superintendent T. A. Mott of the public schools of the city, for today, is as follows:

Letting His Light Shine.

If anybody wanted to see something curious just come with him, the marble cutter said. Somebody did. So he led the way to a monument that had inscriptions engraved in three languages—English, German and Hebrew. "Same thing in each one," he said. "You can see for yourself what it says in English—a good citizen, a good father, a good husband, and peace to his soul. The relatives had that eulogy printed in all three languages because their friends are kind of mixed on tongues. Some can read one thing and some another, and he was too good a man for anybody to pass by unaware of his virtues simply because they couldn't read the language on the tombstone."—New York Press.

Accidental Discharge of a Gun.
A capital gun may arise by pure accident, as recorded in Buck's "Book of Talk."

"A Mr. Alexander Gun was dismissed from a post in the customs of Edinburgh for circulating some false rumor. The dismissal is said to have been thus noted in the customs book at the time, 'A Gun discharged for making a false report.'"

The Lazy Woman's Housekeeping Aid
No more need the lazy woman fear: keeping house. The chief bugbear has been removed—namely, washing the dishes. Paper plates now come in sets, artistically decorated, and these

are so cheap they may be used and thrown away after each meal. Paper napkins and tablecloths also add to the delightful freedom from worry which the busy housekeeper may now enjoy.
