GIVE FAREWELL AFFAIR

Many Out-of-Town Guests Attend Social Given By Miss Grofford.

CAMBRIDGE CITY, Ind., Nov. 21.—Mrs. Harry Kuster entertained a company of ladies Wednesday afternoon in honor of her grandmother, Mrs. C. B. Lester, who went to Columbus, Ind., yesterday to spend the winter. The afternoon was the regular meeting day for the Ladies Aid society, of which Mrs. Lester has long been a member, and it was with difficulty that her granddaughter prevailed upon her not to go. Running across to a neighbor's house she noticed that a number of automobiles had stopped at Mrs. Kuster's residence. Thinking it to be company for Mrs. Kuster, she returned home, and was astonished to find the guests her own. A luncheon was served. As the company was leaving, all joined in singing "Best Be the Tie That Binds." The guests were Mesdames Wesley Cary, P. H. Ehring, I. N. Morrey, Lee Ault, Elizabeth Paul, Alvin Hornel, Sue Bowman, J. B. Routh, Susie Guyton, I. N. Davis and Martha Williams.

Dunn of Richmond, James Murphy and sister, Miss Mamie, of Beeson's; the Mesdames Rose and Katherine Beeson, Madeline Mancini, Anna Reid, Frances Ward, Gertrude Myers, Messrs. ARRANGE PROGRAM

Bridesmaids For Jessie Wilson Busily Engaged.

WASHINGTON, Nov. 21.—An elaborate musical program has been prepared for the wedding of Miss Jessie Wilson and Francis Bowes Sayre, at the White House next Tuesday. Miss Margaret Wilson, the president's eldest daughter, has arranged this part of the ceremony. The marriage band, screened behind palms, will play a number of selections and will compliment the bridegroom by playing several of the compositions of his cousin, the late Ethelbert Nevin. The boy choir off St. John's Episcopal church will sing several chorals. The White House guests have begun to arrive for the rehearsal of the wedding and for the pre-nuptial festivities. Miss Marjorie Brown, of Atlanta and Miss Adeline Scott, of Princeton, have arrived and the other bridesmaids will reach Washington Sunday. Miss Mary White, one of the bridesmaids, makes daily trips from Baltimore to assist in the many tasks of preparation.

Some comment has been occasioned in official circles by the announcement that the leaders of the Progressive party in congress have not been recognized in the invitations sent to the heads of the political parties, and unless a change be made the Bull Moose will not be represented at the ceremony.

The noise and activity incidental to the preparations for the wedding and the early arrival of guests has driven President Wilson from his study and last night he sought the quiet of the executive offices, where he worked until after 10 o'clock on his forthcoming message to congress.

BORN AGAIN
The body is never at rest. Every seven years we are practically born again. Our original cells have been broken down—thrown out and replaced by new ones.

THIS process is a necessary grind of life's cog wheels or cycles—proceeding rapidly while we work hard with brain or muscle and slowing down while we rest or sleep. This chief factor in this constant change—the death and birth of the tissues, is the blood.

A true reliable blood maker which has given satisfaction for over forty years in its liquid form is

Dr. Pierce's Golden Medical Discovery

which removes the poisons and supplies to the organs of the body pure, red blood. Old people, especially in the spring season, show the effects of thin blood, feeble circulation—cold hands and feet. Children and people of all ages recovering from "fever"—fevers and acute diseases should obtain this tonic and blood builder either in liquid or tablet form of the drugist.
