Miss Norton is making her first stage appearance in a title part as Mrs. Temple in "Mrs. Temple's Telegram," playing opposite William Morris at the Majestic.

Miss Norton, who was educated in Chicago, went to New York two years ago and won a speaking part last winter in stock at Hammerstein's. William Morris saw her there and sent for her.

The young woman is socially a favorite in Oak Park, Evanston and the North Shore, where she has relatives. During her engagement in Chicago she is guest at the home of her cousin, Roy L. Durham of 349 East Fifty-eight street.

Miss Norton, who is an ingenious girl, said she would send a copy of the paper home to her father to prove she has made good on the stage if her picture was printed. It seems Mr. Norton wanted her to stay at home and be a social butterfly.

### You want cigarette "comfort"

Your "steady" cigarette must suit your own taste, of course.

Fatimas may or may not do that—you can't tell until you try them.

But in addition to the right taste you want "COMFORT" too—comfort for the throat and tongue and no "mean" feeling after smoking. You want a SENSIBLE cigarette.

Test any other cigarette in the world alongside of Fatimas and you'll agree that Fatimas are the most "comfortable" and "sensible" cigarette that you ever smoked.
