## GROVES ENTERS RACE FOR RECORDER'S JOB

Another name was added to the list of Republican aspirants for the county recorder's job with the announcement of Joseph F. Groves, of Dublin. Groves was the Republican nominee for com-

missioner from the western district but was defeated by Mordcael Doddridge, present incumbent.

"I am entering this race because I can be elected," said Groves. "I am not entering the race merely because my friends want me to run, for I am in it to work and win."

Groves is owner of a grocery store at Dublin and is well known in all parts of the county. His strength among Republicans was shown in his

nomination over two strong men for the commissioner's job two years ago.

A Gift in Need is a Gift Indeed

Here is a Suggestion with the Christmas Spirit in It

Are you thinking of bringing "Christmas cheer" to some one outside of your own family and friends? Here is a suggestion: You may know of some child or unfortunate person who is not even getting the necessities of life, saying nothing of the comforts and luxuries that many are enjoying. The winter is just starting in and Footwear is an absolute necessity. If you want to cheer the heart of some needy boy or girl, just get them a new pair of shoes or rubbers for Christmas. Of course, don't forget your own family and friends, but if you are able to buy for some one outside of your own family don't forget those less fortunate than yourself.

Come in, send in, bring in or phone in. We'll carry out your wishes to the best of our ability. All purchases cheerfully exchanged if the size or style is not correct.

Open Every Evening Until Christmas.
