(By Associated Press)  
LAFAYETTE, Ind., July 7.—Three hundred litters have been nominated by 190 members of the Hoosier Ton Litter Club, for the medals offered by the Indiana Livestock Breeders' association for the production of litters of pigs that weigh a ton or more when six months old. This statement was made today by J. R. Wiley of the Animal Husbandry extension staff of Purdue university, who has charge of the contest.

Sullivan county leads in the number of litters nominated with 27 litters entered by 16 members. Clinton county is second with 24 litters for 15 members and Fulton county has 24 litters for 11 members.

There are 13 pigs in the largest litter nominated. It was entered by Charles Beets of Miami county. There are seven litters of 12 pigs nominated, 28 of eleven, 65 of 10, 108 of nine, 97 of eight and 15 of seven.

H. H. Munns of Montgomery county, nominated the most large litters of any member of the club. He entered one litter of twelve, three of ten each and one litter of nine, a total of 51 pigs for five litters, or better than 10 pigs per litter. Mr. Munns had fourteen sows to farrow and raised 133 pigs, an average of eight pigs per sow.

## "LOST" LOCAL MAN GIVES FAMILY SCARE

Alarmed because he failed to return to the car where it had been parked for nine hours, Mrs. Emma Schroeder, wife of George Schroeder, a plasterer of Richmond, and her two children, and her two sisters, who had accompanied the couple on an automobile drive to Indianapolis, reported his disappearance to the police Thursday. Schroeder later returned and drove the party back to Richmond.

Schroeder parked his car on Meridian street near Vermont street while Mrs. Schroeder's sisters started on a shopping trip at 9 o'clock Thursday morning. Shortly afterward Schroeder left the car, telling his wife he would take a short walk. The three women stayed by the car until 6 in the evening, when they went to the Y. M. C. A. and notified the police.

The women had feared an accident to Mr. Schroeder because he had not been feeling well for several days.

## Here's Your Chance To Marry Princess

(By Associated Press)  
GENEVA, Switzerland, July 7.—Two royal princesses, sisters aged 23 and 25, desire friendship and eventually marriage after mutual tests, with English or American gentlemen who must be young, wealthy and handsome "especially no upstarts or newly rich," reads an advertisement in an Innesbruck newspaper.

The princesses, who belong to the old royalty, are accomplished but very poor. The gentlemen must give full details and references. A meeting could be arranged for August.

It may be recalled that an Austrian archduchess advertised in a similar manner a year ago and it is believed found a suitable husband.
