

WHITING —and its— PEOPLE

Rev. C. E. Trueblood is expected home tomorrow from Cleveland, Ohio, where he went to deliver a lecture before the ministers attending the Inter-church movement meeting. The subject of his lecture was the "Challenge of the Calumet Region to the Protestant church of America."

The class day exercises of the 1919 class of the W. H. S. were held in the Slovak Dom on Monday night and were very largely attended. The program began with a song by the class. All members on the program were very well rendered and much enjoyed by those in attendance. The class history was given by Miss Mildred Walker; the class prophecy by Helen Thorp and Florence Whitehead; the class poem by Ruth Collins; the giver of gifts were Helen Stowell and Clara Henthorne; the class was given by Ivan Haag and Edward Saloths. Anna Miller and Violette Golding both gave readings and Antoinette Saloths contributed a vocal selection. The mallet oration was given by Walter Buehler, president of the class of 1919; the reply being made by Dean Taggart, president of the Junior class. The class song was a much enjoyed number and completed the program. The class colors were orange and black, the class flower the Jonquil and the class motto was "Carry On." The class consisted of fifty-eight members, who will this evening receive their sheepskins. The commencement exercises will be held in the Slovak Dom tonight, the address of the evening to be given by Dr. Nathaniel Butler, of the University of Chicago, his subject to be "The High School and the Present Crisis."

The W. H. S. alumni association will have their annual dancing party for the graduates in the H. S. auditorium tomorrow evening. Sterling's orchestra will furnish the music, and a very fine time is being anticipated.

Black River Falls, Wis.—"As Lydia E. Pinkham's Vegetable Compound saved me from an operation, I cannot say enough in praise of it. I suffered from organic troubles and my side hurt me so I could hardly be up from my bed, and I was unable to do my housework. I had the best doctors in Eau Claire and they wanted me to have an operation, but Lydia E. Pinkham's Vegetable Compound cured me so I did not need the operation, and I am telling all my friends about it."—Mrs. A. W. Binzer, Black River Falls, Wis.

It is just such experiences as that of Mrs. Binzer that has made this famous root and herb remedy a household word from ocean to ocean. Any woman who suffers from inflammation, ulceration, displacements, backache, nervousness, irregularities or "the blues" should not rest until she has given it a trial, and for special advice write Lydia E. LADY'S ONE PIECE DRESS.

This dress is an exceptionally good model for stout women, for it has long straight lines. The closing of No. 9298 is at the left side front and the low cut opening is filled in with a chemise of checked silk or organdie. The narrow shawl collar is of the same material. The dress is in one piece from shoulder to hem but is held in at the waistline by a string sash which slips through a bound slash at the right side. Double pockets on the skirts are a new feature.

The lady's one-piece dress No. 9298 is cut in sizes 36 to 52 inches bust measure. Width at the lower edge is 1 1/2 yards for 36-inch size, which requires 3 3/4 yards 52-inch material, with 1/4 yard 30-inch contrasting. Price 10 cents.

When The Day Is Over

When the household cares and the worries of everyday life have dragged you down, made you unhappy, and there is nothing in life but

headache, backache and worry, turn to the right prescription, one gotten up by Dr. Pierce fifty years ago.

Everything growing out of the ground seems intended for some use in establishing natural conditions. Dr. Pierce, of Buffalo, N. Y., long since found out what is naturally best for women's diseases.

He learned it all through treating thousands of cases. The result of his studies was a medicine called Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakness, bearing-down pains, irregularities, pelvic inflammations, and for the many disorders common to women in all ages of life. Dr. Pierce's Favorite Prescription is made of lady's slipper root, black cohosh root, unicorn root, blue cohosh root and Oregon grape root. Dr. Pierce knew, when he first made this standard medicine, that whiskey and morphine are injurious, and so he has always kept them out of his remedies. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it, in liquid or tablet form.

HUNTINGTON—The tax assessor came around and listed a dog, but the owner failed to pay the tax. He was brought into a justice of the peace court and fined \$5. The court was informed the dog died two days after the assessor came around and the owner felt he did not have to pay the tax. But he did pay—and court costs besides.

Simple Home Remedy
For Wrinkled Faces

Thousands of the fair sex are spending fortunes in frantic efforts to remove the signs of premature aging from their faces. Such women willingly pay almost any amount of money for worthless wrinkle removers, of which there are many.

If they only knew it, the most effective remedy imaginable is a simple, harmless face wash which can be made up at home in less than a minute. They have only to get an ounce of powdered saccharine and half a pint of witch hazel at the drug store and mix the two. Apply this daily for a while as a refreshing lotion. The effect is almost magical. Even after the first treatment a marked improvement is noticed and the face has a snug, firm feeling that is most pleasing.—Adv.

PADEREWSKI—Premier of Poland AND MASTER PIANIST USES NUXATED IRON

To Obtain Renewed Energy, Power and Endurance

Dr. Kenneth K. MacAlpine, for 16 Years Adjunct Professor New York Post Graduate Medical School and Hospital, Says That in His Opinion Nuxated Iron is

The Most Valuable Tonic, Strength and Blood Builder Any Physician Can Prescribe.

Ignace Jan Paderewski, one of the greatest musical geniuses of the age, at a time when his untiring work for Poland overtaxed his strength and impaired his health had recourse to Nuxated Iron to help rebuild his wasted forces and restore his old-time health and strength.

"With the tremendous strain imposed by over 20 years of almost ceaseless work in the cause of his fatherland, of which he is the foremost figure today, it is easily understood why Paderewski sought the sustaining tonic benefit of Nuxated Iron," says Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital, "Lack of iron in the blood not only makes a man a physical and mental weakling, nervous, irritable, easily fatigued, but it utterly robs him of the vitality, that stamina and strength of will which are so necessary to success and power in every walk of life. Thousands of men and women are impairing their constitutions, laying themselves open to illness and literally losing their grip on health, simply because their blood is thinning out and possibly starving through lack of iron. Iron is absolutely essential to enable your blood to transform the food you eat into muscular tissue and brain. Without iron there is no strength, vitality and endurance to combat fatigue or withstand severe strains. To help make strong sturdy men of blood and iron there is nothing better than organic iron—Nuxated Iron."

Mr. Paderewski says: "I am using Nuxated Iron very frequently and consider it as an excellent tonic."

A prominent New York Surgeon and Former Adjunct Professor of the New York Post Graduate Medical School and Hospital,

Dr. Kenneth K. MacAlpine, says: "If people would only realize that iron is just as indispensable to the blood as air is to the lungs and be just as particular about keeping up a sufficient supply at all times, there would in my opinion be far less disease resulting from anemia, weakened conditions, nervousness, indigestion, etc. Nuxated Iron, by enriching the blood, creates new blood cells, strengthens the nerves, rebuilds the weakened tissues and helps to instill renewed energy into the whole system whether the patient be young or old. In my opinion Nuxated Iron is the most valuable tonic, strength and blood-builder any physician can prescribe."

If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day, after meals, for two weeks. Then test your strength again and see how much you have gained.

Remember! Nuxated Iron, which is recommended almost everywhere, is the only one well known to druggists everywhere. It is the only one that makes the blood rich and does not leave the mouth bitter. It is the only one that is pure and contains no harmful substances and is entirely satisfactory to every purchaser who will study your money. It is signed by all good druggists.
