WOMEN STRIKERS AND BABIES JAILED

Left to right: Mrs. Dora Seigl Liss and her baby, Phillip, seventeen months old; Miss Sophie Bletcher; Mrs. Eva Glutting and Baby Steve, twenty-two months old; Mrs. Anna Buchart and her daughter Anna, thirty months old, photographed in Cook county jail. Insert, Sheriff Peters.

Sheriff Charles W. Peters refused to heed the pardon issued by Gov. Len Small and free six women strikers sent to Cook county jail for contempt of court. But he has made every arrange-

ment for the comfort of the women, several of whom have their babies in the cells with them. It is the opinion of the sheriff and his attorneys that the governor has no jurisdiction in

contempt cases. Every one seems to want to get the women and babies out, but no one seems to know how to go about it. Six women and four babies are being held in the jail.

SHOT IN RESORT AT IND. HARBOR

During a visit at an alleged colored house of ill fame, 3624 Block ave., Indiana Harbor, last night, Tom Starcevic of 3306 Michigan ave. was shot and seriously injured.

Even the bootleggers are using Blue Devil—it makes the moon shine. 5-8-22

A friend who accompanied Starcevic to the place, told the police that the fracas was started as the two were paying their bill to the landlady, Bertha Johnson. He related to Officers Kirrin and Kekick, who made the arrests, that all together they had handed the colored woman \$18. When she did not return the change, the man said they demanded their money. Then, as they say, the proprietress shoved a gun in their backs and ordered them out of the house. While the men were reluctant to leave their money behind, it did not occur to them to hesitate. As Starcevic stepped out of the place his companion says he yelled and fell across the doorway with a bullet wound in his back.
The police took the injured man to the office of Dr. C. C. Robinson, who ordered him taken to Mercy hospital, Gary.
Bertha Johnson, known as the landlady of the house at 3624 Block ave. and Hopson McGee, the bouncer, were taken into custody by the police following the shooting.

STEEL MEN PREDICT NEW MERGER NOW

YOUNGSTOWN, O., May 13.—That the merger of the Bethlehem and Lackawanna Steel corporation is but the forerunner of a gigantic combination which in addition to the Bethlehem and Lackawanna concerns would include the Youngstown Sheet and Tube, Republic Iron and Steel, Brier Hill Steel, all of Youngstown, the Steel and Tube Company of America, and Inland Steel, both of Chicago, and the Midvale Steel and Ordnance Company of Johnstown, is the belief expressed here in usually well informed steel circles.

Such an organization, headed by Charles Schwab, president of the Bethlehem and one of the best organizers and executives in the steel industry, would prove a most powerful competition for the U. S. Steel corporation.

Local steel executives refused to discuss the recent merger.

Edward Austgen had the misfortune to be kicked by a horse and had three ribs broken.
Mr. and Mrs. Peter Schumacher returned home Monday evening from Foley, Ala.
Louis Erb is experiencing quite poor health of late. He is 82 years old.
Mrs. Anthony Howard who underwent an operation at St. Margaret's hospital at Hammond, is getting along nicely. She intends to return home on Saturday evening.

Lumber has dropped

Lumber is the lowest that it has been in years and years. But the price of any commodity rarely remains stationary for long. It either goes up or down. Lumber prices have hit bottom. Their next move will be upward. Now is the time to buy lumber for building purposes. If you are ever going to build anything, buy your lumber now.
