

HARD ON MOTHER

Some Richmond Mothers Know Well How Hard it is.

A mother's cares are never light, and it's no wonder. Backache and other kidney ills increase her daily burden!

Mr. Charles Fry of number 17 south fifth street, hosieman of fire company number 2, says: "A child of mine was troubled for the greater part of his life with a weakness of his kidneys and nothing we use helped in the least."

Many a child has been fooled by the story of the pot of gold which is to be found just at the foot of the rainbow.

Many a man and woman have been deceived by the tale that there was health to be found out beyond the sunset.

People who have tried change of climate in vain for the cure of weak lungs have been perfectly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery.

"Last spring I had a severe attack of pneumonia which left me with a very bad cough, and also left my lungs in a very bad condition."

"Any substitute offered as 'just as good' as 'Golden Medical Discovery' is a shadow of that medicine. There are cures behind every claim made for the 'Discovery,' which no 'just as good' medicine can show."

"Baby and I Were Saved By Paine's Celery Compound"

MRS. F. M. HORN.

Story of This Burdened Mother's Bravery Throbs With Human Interest.

HEROINE OF LISBON EPIDEMIC Mrs. Horn, as Sick-Nurse, Saved Sheriff's Daughter and All Typhoid Patients—She Relied on Paine's Celery Compound.

As my parents died when I was very small, I had to commence working hard when I was a mere child.

I would get all run down and would have had to give up completely were it not for Paine's Celery Compound. But that has always been my standby.

I always rely upon it to strengthen and build me up again and keep me well.

About my experience in the Lisbon typhoid epidemic: Before my marriage I was a sick nurse. There is no hospital in this county, and the poor and homeless have to be taken in and cared for by any one who can do it at county expense.

I never lost a patient, and I had some of the worst cases in town.

Our sheriff gives me the credit of saving his daughter's life after doctors had given up hope, but I relied on Paine's Celery Compound.

When my last patient was well I was almost askeleton, but I took several bottles of Paine's Celery Compound, and it kept me up and built me up.

Six months later I had a nice plump baby with not more than three hours' severe suffering. My neighbors and I believe that Paine's Celery Compound saved my baby and me.

When nine months old baby weighed 24 pounds, and at one year 27 pounds.

Then the place where we were living was sold and we had to move. It meant leaving our garden, which was all planted—and we were depending on it for food.

So we built and moved into our own house, unfinished as it was.

I did all my housework—took care of a teething baby and lathed the

whole house myself—four thousand laths—as my husband's health was very bad and he was earning for us and building the house at the same time.

It was a mile back to my garden, but I did all the garden work—except digging winter vegetables.

I always carried my baby with me. It was a trying season, but, as usual, Paine's Celery Compound was my support.

I was nervous from hard work and all broken down after the typhoid fever epidemic. Sometimes I thought I would go insane. But Paine's Celery Compound saved me.

MRS. F. M. HORN. Lisbon, North Dakota, November 20, 1903.

P. S.—Nine years ago, when a young girl, I first used Paine's Celery Compound for dyspepsia.

For the past five or six years I have not had the slightest signs of dyspepsia. "THAT GOOD AND WONDERFUL MEDICINE," Paine's Celery Compound, Cured the Chronic Nervous Headaches Which Had Been the Bane of Her Life.

Albany, N. Y., Jan. 23, 1903.—"Nervous headaches have been the bane of my life. I have spent hundreds of dollars trying for their cure, and while some medicines would help me for a time, the cure was not permanent, and in a short time I was as bad as ever."

"Could not sleep at nights for weeks at a time, and was so thoroughly exhausted during the day that I could not attend to my work nor take proper care of my children. I was discouraged with life, when my husband insisted upon my trying Paine's Celery Compound."

"Thanks to that good and wonderful medicine, within a short time I was on the road to recovery, and after taking a dozen bottles I am completely cured."
