Amusements

The following reference to Kather-  
ine Willard, who will appear at the  
Gennett theater on Monday, April 4,  
will be interesting:

"The girlish looking young woman  
who came down in response to my  
card has little of the look of the tra-  
ditional actress about her. She is a  
winsome woman with large dark eyes,  
not easy to interview from a report-  
er's standpoint. Miss Willard does  
not talk about herself to tell of wildly  
adoring suitors, of gifts of diamonds  
and rich furs, but if one's percep-  
tions are not at fault, her gifts of  
beauty and intellectuality, her mod-  
esty and good sense are one of the  
stamps of a successful actress.—Vir-  
ginia Lee, in the Kansas City World.

If your grocery don't keep "Ideal  
Bread," telephone Richmond Baking  
Co., and we will see that you get it.

Saves Two From Death.

"Our little daughter had an almost  
fatal attack of whooping cough and  
bronchitis," writes Mrs. W. K. Hav-  
iland, of Armonk, N. Y., "but when  
all other remedies failed, we saved  
her life with Dr. King's New Discov-  
ery. Our niece, who had consumption  
in an advanced stage, also used this  
wonderful medicine and today she is  
perfectly well." Desperate throat  
and lung diseases yield to Dr. King's  
New Discovery as to no other medi-  
cine on earth. Infallible for Coughs  
and Colds. 50c and \$1.00 bottles guar-  
anteed by A. G. Luken & Co. Trial  
bottles free.

Four reasons why you should buy  
"Ideal Bread":

First, Because it is the healthiest  
bread made.

Second, Because it is easy to masti-  
cate and easy to digest.

Third, Because you get more for  
your money than in any other loaf of  
bread.

Fourth, Because it has a flavor con-  
tained in no other bread.

THE RECORD MARK

Has Been Reached by the

Vincennes Gauge.

SERIOUS LEVEE BREAK

Many Houses Washed From Their  
Foundations and Much Live-  
stock Perishes in Flood.

Thousands of Acres Inundated and  
the Damage Will be  
Enormous.

Vincennes, Ind., March 31.—The Wa-  
bash river here has reached a mark  
of twenty-three feet, which equals the  
highest in its history. The most ser-  
ious of many breaks in the levee oc-  
curred near Belgrade landing, eight  
miles north of here, on the Illinois  
side. The break occurred in a bend  
in the river, the water rushing through  
with great speed. Many houses were  
washed from their foundations and  
much livestock was drowned. The  
water washed through Westport, put-  
ting the water to the second stories.  
The flood is still rising in the little  
town and doing enormous damage in  
Lawrence county, two-thirds of which  
is now under water. In many places  
the water is twenty feet deep.

The B. & O. S. W. tracks between  
here and Lawrenceville, Ill., are being  
washed out because of the levee  
breaking. The long trestle, two miles  
west of here, is in a dangerous po-  
sition and may be washed out. If it  
should go the loss to the B. & O. S. W.  
will be thousands of dollars.

DEMANDS OF MINERS

They Make Several at Joint Confer-  
ence Begun at Terre Haute.

Terre Haute, Ind., March 31.—The  
joint conference of Indiana operators  
and miners has been resumed with  
nearly 200 delegates present. The dis-  
cussion opened at once on several de-  
mands made by the miners. One is  
for a reduction in the price of powder  
from \$1.75 to \$1.50 a keg, the miners  
agreeing as heretofore to buy only  
from operators. A demand is made  
for a reduction in the charges made  
by operators for blacksmithing in ma-  
chine mines.

It is also demanded that the engi-  
neers and other day labor have the  
benefit of the eight-hour day, Presi-  
dent-elect Boyle saying that the public  
has been led to believe the eight-hour  
day prevails, whereas it does not, as  
to a large number of men at the mines.

Press Association Committee.

South Bend, Ind., March 31.—John  
B. Stoll, president of the Indiana Press  
association, has announced the selec-  
tion of an executive committee: Frank  
Singleton, of Martinsville, chair-  
man; S. N. Cragun, Lebanon; Ben-  
jamin F. Louthain, Logansport, and Ben-  
jamin F. McKey, of Lebanon. The  
first meeting of the association will  
be held at St. Louis during the world's  
fair, or else at Winnipeg during the  
Canadian tour. The association has  
been invited to hold a winter meeting  
at Gulfport, Miss.

Echo of Purdue Wreck.

Lafayette, Ind., March 31.—Harry  
Adams, of Frankfort, who played on  
the Purdue football team and was a  
victim of the wreck at Indianapolis  
last October, has received \$1,200 from  
the Big Four Railroad company and  
all expenses from the time of the  
accident until he was able to return  
to school. He was injured about the  
head and side. A number of other  
claims have been sent to the company,  
which have not been settled.

Strange Lapse of Memory.

Anderson, Ind., March 31.—L. H.  
Vinnedge, in the charge of Chief of  
Police Robins, has arrived here. He  
asserts that he knows nothing about  
the drawing of a check for \$5,000 and  
also affirms that his mind has been a  
blank since he left Anderson. He said  
he did not even know he was in New  
Orleans until he read in the newspa-  
pers an account of his being lost.  
After giving a bond for \$2,500, he was  
allowed to go to his home.

"The Pace That Kills."

Brazil, Ind., March 31.—Tenny P.  
Lewis, joint representative for the  
counties of Clay and Owen, has been  
transferred to the Indiana reformatory  
at Jeffersonville, to serve an in-  
determinate sentence for embezzling  
\$647 from the local union of the United  
Mine Workers, while serving as sec-  
retary. His downfall is attributed to  
the environments marking his service  
in the legislature at Indianapolis.

Capital City Out of Gas.

Indianapolis, March 31.—The natu-  
ral gas supply of the Consumers' Gas  
trust will be turned off at midnight.  
At present the company has about  
one ounce of pressure at the city  
limits. Of the 1,000 remaining con-  
sumers not more than 500 have enough  
gas to light. The shutting off of gas  
is in accordance with a resolution  
adopted by the directors.

Aged Woman Burned to Death.

Bloomington, Ind., March 31.—Re-  
becca Pellis, an inmate of the county  
infirmary for twenty years, was burn-  
ed to death, her clothing catching fire  
from an open grate.
