Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs. The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone. If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

NOT DISPLEASED

Are the Texans Over Roosevelt's Great Majority.

Fort Worth, Texas, November 13.—"If the people of Texas had been called on to vote on the action of the President in the Panama matter alone Texas would have gone Republican by the biggest sort of majority," said Albert J. Baskin of Tarrant county Democratic campaign committee. "I believe that when a Republican President does a thing that is American, and for the best interests of the entire community, the Democrats should cease branding it as unwise. The American people do not believe that the time is ripe to announce a policy with regard to the Philippines. They want the Panama canal and they believe that Roosevelt is honest."

"The people are at peace today and the country is prosperous," said County Chairman William Capps of the Democratic executive committee. "I do not believe that any force can wage a successful fight against such a condition of affairs. The people do not care to risk the reins of government to a party that is hostile to the Panama canal, and is in favor of making an unconditional promise to the Filipinos. The attacks on the honesty of Roosevelt especially the charge that Cortelyou was placed in charge of the campaign on account of being in possession of knowledge that would enable him to bleed the trusts, were not relished by the great mass of American people. A campaign fought on topics and magnificent negative issues will never be successful—at least this election indicates as much."

The Best Liniment.

"Chamberlain's Pain Balm is considered the best liniment on the market," write Post & Bliss, of Georgia, Vt. No other liniment will heal a cut or bruise so promptly. No other affords such quick relief from rheumatic pains. No other is so valuable for deep seated pains like lame back and pains in the chest. Give this liniment a trial and become acquainted with its remarkable qualities and you will never wish to be without it. For sale by A. G. Luken & Co., and W. H. Sudhoff, Fifth and Main streets.

Railway Employees.

The number of persons on the pay rolls of the railways in the United States, as returned for June 30, 1903, was 1,312,537, or 639 per 100 miles of line. These figures, when compared with corresponding ones for the year 1902, show an increase of 123,222 in the number of employees, or 45 per 100 miles of line.

"I owe my whole life to Burdock Blood Bitters. Shorfulous sores covered my body. I seemed beyond cure. B. B. B. has made me a perfectly well woman. Mrs. Charles Hutton, Berville, Mich.

Kansas City's Dogs.

There are nearly 10,000 dogs in Kansas City. Captain James Kennedy, the official enumerator, has accounted for and collected taxes on 8,000, a gain of 1,000 over last year, and says he hopes to round up the other 2,000 before snow flies.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdstown, W. Va., says, "I had a severe case of bronchitis and for a year tried everything I heard of but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by A. G. Luken & Co., druggists. Trial bottles free. Regular sizes 50c and \$1.00.

Mayor's Position Defined.

Some of the Virginia papers seem to think it funny that Richmond's new mayor, Mr. McCarthy, has publicly defined his position on the clothes line question: "The mayor ought at all times to wear clean, decent, respectable clothes," he says. "He should keep his hair trimmed, his shoes shined, his linen clean and his clothes generally should be of proper appearance. Like an army officer, he should ever be ready to meet and greet those who come and to make a proper showing. I expect to keep this matter in mind."

TWO KINDS OF CHILDREN

Children that grow too fast and those that seem hardly to grow at all, both need Scott's Emulsion.

It gives that rich vital nourishment which is the secret of all healthy growth. It rounds out the long limbs, and helps children to grow without using up all their strength in growing.

Mothers ought to know more about the wonderful help which Scott's Emulsion would give their children.

There is no secret about Scott's Emulsion. Nothing is covered up by obscure references to "active principles" or "alkaloids."

Scott's Emulsion is simply an emulsion of the best Norwegian cod liver oil combined with the hypophosphites and glycerin.

We'll send you a sample free upon request. SCOTT & BOWNE, 409 Pearl Street, New York.

"I find Cascarets so good that I would not be without them. I was troubled a great deal with torpid liver and headache. Now since taking Cascarets Candy Cathartic I feel very much better. I shall certainly recommend them to my friends as the best medicine I have ever seen." Anna Babinet, Osborn Mill No. 2, Fall River, Mass.
