DOVE OF PEACE WAS AT EARLHAM

AND WARRING STUDENTS SHUN
THE GOD MARS.

A BOARD OF ARBITRATION

Settles All Disputes Between Day
Dodgers and the Shackites.

Silently through the lead colored clouds of war the dove of peace winged its way yesterday morning and alighted on the roof of the recent temple of discord, Lindley Hall, at Earlham College.

The warring factions of students have kissed and "made up" and the hatchet has been buried. Mars has been told to retire to a rear seat and behave while the Hague Tribunal is the real thing.

With the dogs of war held to their kennels only by slender leashes, three members of the faculty, three Day Dodgers representatives and three dormitory students, composing a board of arbitration, met yesterday morning and all questions in dispute were considered and settled. The "Shackites" promised to be good boys in the future and not submit any more day students to the water cure, and it was also agreed to put a Day Dodger on the social committee. On their part the day students promised to stand up loyally for the school and work for its best interest. Several other much mooted questions were also passed on. All the above mentioned settlements were not reached in a calm, collected manner, in fact the meeting was an extremely stormy one and hot words were passed to and fro a la woman's convention. Now that everything has been settled both Day Dodgers and Shackites express pleasure that the future promises peace rather than war.

You Cannot Change

the course of a storm by tearing down the signals that give warning of its approach. Neither can you cure a cold by temporarily stopping a cough with opium-laden "Medicines." Allen's Lung Balsam, in which there is no opium, cures sore throats and sore lungs because it allays the inflammation and rids you of the mucus that stops up the air passages.

RELEASED FROM ASTHMA

by Ascatco, the New Austrian
Discovery.

Buena, Vista, O., Dec. 6.—An extraordinary cure for asthma of long standing has evicted much favorable comment in this town. Mrs. G. A. Klein, a popular society woman, who had been afflicted for years with a most painful form of this disease, was effectually cured by the new Austrian discovery, ascatco, after a treatment of sixty days. Formerly confined to her house and bed, she now surprises her neighbors and friends by climbing high hills and taking long walks in the country. She procured ascatco from the Austrian dispensary, No. 6 East 14th street, New York City, which supplies the treatment free to all who write to them for it.

Big Metal Co.'s Troubles.

Colorado Springs, Colo., Dec. 6.—Judge Robert E. Kerr, referee in bankruptcy, has ordered a meeting of the creditors of the General Metal Company of New York, which owns the Telluride Reduction works to take place here tomorrow. He reports the assets at 1,500,000 and liabilities at 700,000 and says that prompt settlement will insure full liquidation.

There is one rational way to treat nasal catarrh: the medicine is applied direct to the affected membrane. The remedy is Ely's Cream Balm. It restores the inflamed tissues to a healthy state without drying all the life out of them and it gives back the lost senses of taste and smell. The sufferer who is tired of vain experiments should use Cream Balm. Druggists sell it for 50 cents. Ely Brothers, 56 Warren street, New York, will mail it.

How Is Your Heart?

Is your pulse weak, too slow, too fast, or does it skip a beat? Do you have shortness of breath, weak or hungry spells, fainting, smothering or choking spells, palpitation, fluttering, pains around the heart, in side and shoulder; or hurt when lying on left side?

If you have any of these symptoms your heart is weak or diseased, and cannot get better without assistance.

Dr. Miles' Heart Cure strengthens weak hearts, and rarely ever fails to cure heart disease. Try it, and see how quickly you will find relief.

"About January 1st, 1902, I took down with weakness and dropsy, and gradually grew worse. I was told by my family physician that my case was hopeless. My neighbors and family had given me up to die. My limbs and body were swollen to one-third larger than normal size, and water had collected around my heart. For at least three months I had to sit propped up in bed to keep from smothering. I sent for five bottles of Dr. Miles' Heart Cure, and by the time I had taken them all I was entirely cured. I feel better than I have for twenty years, and I am able to do any kind of work on my farm. My attending physician told me that if it hadn't been for Dr. Miles' Heart Cure I would now be in my grave."
