

J. A. CROCKETT IS PROMOTED

FORMER RICHMOND MAN IS APPOINTED GENERAL MANAGER OF THE E. & T. H.

BEGAN HERE AS AN OPERATOR

Has Been in Railroad Business But Ten Years—Had Many Good Jobs in That Time.

J. O. Crockett, the well known Richmond young man who has been so successful in railroad work, was yesterday appointed to the responsible position of General Manager of the Evansville & Terre Haute Railroad.

Mr. Crockett, known to his railroad friends as "Jack," commenced as a telegraph operator in the Pennsylvania service here, about ten years ago. After serving his "apprenticeship," he became train dispatcher and worked in that capacity for several months.

He became chief dispatcher of a division of the Vandalia, when Harry Miller, formerly of Richmond, went to that road, and later he was Division Superintendent. When Mr. Miller went to the Rock Island, he took Crockett along and appointed him to a responsible position. When the "landslide" came, in which former Pennsylvania road men were thrown out, Mr. Crockett went to the Evansville & Terre Haute, and has until the present time, been serving in the capacity of superintendent.

Crockett's predecessor in the office of General Manager, F. P. Jeffries, resigned to become purchasing agent of the Frisco System.

Mr. Crockett has many friends, as well as relatives in Richmond. His mother-in-law is Mrs. Thos. Golden, North D. Street.

NEWS "BUTCHERS" MUST GO

PANHANDLE RAILROAD COMPANY MAKES GOOD MOVE.

Company Has Also Quit Carrying Magazines and Papers Free of Charge.

The announcement that the contract between the Union News Company and the Pennsylvania had been broken off, came as a surprise to about 130 news butchers on that road yesterday morning, and that number of men and boys are now looking for new positions.

For some time there has been trouble between the News Company and the railroad, and when the present contract expired, March 1, it was decided not to renew it. The change does not affect the agents in depots and stations along the route, as they are operating under a different contract.

The railroad company has also cut out carrying magazines and newspapers free, and hereafter the News Company will pay express rates the same as any one else. This will be a large item, as hundreds of pounds of news matter are sent out to agents each day.

Mrs. G. D. Surrel returned to her home at Chicago yesterday after a visit with Mr. and Mrs. Perry Freeman of East Main street.

RAILROAD NOTES

The new Pennsylvania time table goes into effect at 5:30 p. m. Sunday afternoon and the new trains will make their first runs on that night.

A bell signal has been placed in the Pennsylvania telegraph office, in order that the Station master may notify the operator the exact time of the leaving of trains which the operator cannot see.

Indiana and Earlham to Meet Tonight—Quakers Have Hopes of Winning.

There will be a battle royal tonight when the Earlham basket ball team meets the strong Indiana University five at the Coliseum. Earlham has high hopes of winning the game, as Indiana has met several reverses of late, owing to the loss of Maxwell, its star player.

THE PASSING OF "TOMMY" CALE

NEW RULING THROWS WELL KNOWN NEWS BUTCHER OUT OF SERVICE.

TOOK FIRST NEWS RUN AT 13

During His Career He Has Traveled Over Three Million Miles—Hopes to Return.

No more disconsolate man on the face of the earth was to be found yesterday morning than Tommy Cale, the news butcher, so well known on the Pennsylvania Lines. Tommy went to the station, to find that his "job" had been swept away on account of an expired contract, and forty years of experience had come to naught.

Cale is one of the oldest and best known "boys" in the Union News company service. When he was 13 years old, he took a run out of Philadelphia, as news agent and candy vender, and since that time, has spent a large part of nearly every day on a train. This was before the war, but Tommy has stayed with it, and has always declared he would live and die with Pennsylvania Train No. 14, on which he had made the trip daily to Columbus for twelve years, since the train was put on.

Figuring it out, Tommy estimated that he has traveled in the past forty years of news "butchering," a trifle over three million miles. This would have taken him around the earth, at the equator, about 125 times, with a little to spare. Tommy has sold papers to nearly every distinguished personage in the country, and is on fair speaking terms with half the congressmen and senators west of Pittsburg. He believes that the Pennsylvania will restore the agents, and that he will get back on his beloved train.

WILL ARRANGE A FIELD MEET

PROF. TORRENCE TO REPRESENT RICHMOND AT INTER-SCHOLASTIC LEAGUE

WILL BE HELD AT ANDERSON

Local Athletes Have Hopes of Winning Trophy Cup From Marion High School.

At a called meeting of the high school athletic association Thursday afternoon, Prof. F. L. Torrence was selected to represent the Richmond high school, at the meeting of the track team representatives from Marion, Anderson, Kokomo and Richmond, which will be held this year at Anderson.

The high schools of these four cities make up the Eastern Indiana Athletic Association and the meeting at Anderson on March 10, is for the purpose of deciding on the date and place of the quadrangular field meet. It was held here last spring at Reid Field Earlham and although the Marion team won first place in the field events, the Richmond boys won the relay cup.

Marion has held the big silver field event cup for two successive years and if they succeed in capturing first place in the same events this year, the cup will then belong to the Marion high school. However as there is good material in the local high school this term the boys are determined that Marion shall not get the trophy again.

Ralph Guyer, captain of last year's track team and the crack shot putter of high school, will again represent Richmond in the weight events.

Brown Anderson; Mr. Hinshaw, Cambridge City; and Arthur Burch, Centerville. Among the local chess devotees who will play are Dr. King, Ben Duke, Ed. Hill, A. D. Gayle, Frank and Sid Anspaugh.

JUNIOR TEAM IS ORGANIZED

FAIRVIEW BOYS HAVE ANNOUNCED THEIR LINEUP FOR COMING SEASON.

HOPES TO BEAT OLD TEAM

Vincent Bingerman Is Manager and Captain of the Organization—Gave a Dance.

The members of the Junior base ball team of Fairview, the team which tried so hard to wrest the championship of that part of the city from the older team in last year's games, have decided to reorganize and the lineup for the coming year has already been announced. Wednesday evening, the young men gave a dance at the I. O. O. F. hall, for the benefit of the future team and a good sum was realized with which to commence the season's games.

The young team hopes to win the title of being the "Fairview" team of the city, which title is now held by the older team. Captain and Manager Vincent Bingerman has picked the following lineup: Spatz, catcher; Bingerman, pitcher; Oesting, short-stop; L. Quigley, first base; Foreman, second base; O. Quigley, third base; Thompson, left field; Kettler, center field; Sharp, right field; Kiser, extra. A championship series will probably be arranged with the other team, which is being managed by Harry Brokamp, early in the season.

GIANTS TO ORGANIZE AGAIN.

"The Giants," the colored base ball aggregation, which last year won all the games from similar teams they played, has not yet been organized for 1906, but the members expect to get together within a few days.
