WRECK AT HEDRICK

IOWA CENTRAL AND MILWAUKEE

FREIGHT TRAINS COLLIDE

AT CROSSING.

Though No One Was Injured Much

Damage Was Done to Property—

Milwaukee Compound Engine Derailled and Damaged.

Hedrick, Aug. 24.—(Special).—A

wreck occurred at the Iowa Central and the Chicago, Milwaukee & St. Paul

railway crossing here Saturday evening and although no one was injured the

affair was of no little consequence. Several feet of track were torn up, a large

compound Milwaukee engine and a box

car of the Iowa Central train were

derailed and considerably damaged.

It appears as though the Iowa Central

train crew was switching and it became

necessary to cross the Milwaukee

tracks, where the two trains met. The

Milwaukee train was a through freight

and the engine struck the fourth car

of the Iowa Central train, derailling and

splitting the car considerably.

The moving Central train derailed the large

Milwaukee compound engine which tore

up about fifty feet of track. Traffic

was delayed about six hours.

INSTITUTE VERY SUCCESSFUL.

Davis County Normal School Has Big Enrollment.

Bloomfield, Aug. 24.—The enrollment of the teachers' institute up to the present time has reached the number of 140 teachers, which, in view of that the institute closed last year with an enrollment of 132, is quite good.

The institute now in session is perhaps the best one held for several years, considering the number of teachers enrolled and the interest that has been aroused in the work. A lecture is being given this afternoon at the college

chapel by State Superintendent R. C. Barrett.

John Elliott is confined to his room on account of a severe attack of bilious fever. His many friends hope for his speedy recovery.

Stanley Hathaway, who has been confined to his room for several weeks with pneumonia fever, is in a critical condition and small hopes are entertained for his recovery. For several days his condition has been gradually growing worse, and on account of his age, it is believed he can not long withstand the ravages of the disease.

R. L. Hardy, formerly of this place, now of Parker's Prairie, Minn., joined Mrs. Hardy and the children here the latter part of the week for a few days' visit with relatives.

Jode Roberts of Ashgrove transacted business Saturday in this city.

G. C. Bartlett of Marion township made a trip to Bloomfield Saturday on business.

Jas. N. Huff and C. W. Huff of Ashgrove were looking after business interests in this city Saturday.

Ray Carl, who has been in Kansas for several weeks, returned home Saturday morning.

No False Claims.

The proprietors of Foley's Honey and Tar do not advertise this as a "sure cure for consumption." They do not claim it will cure this dread complaint in advanced cases, but do positively assert that it will cure in the earlier stages and never fails to give comfort and relief in the worst cases. Foley's Honey and Tar is without doubt the greatest throat and lung remedy. Refuse substitutes.

REPUBLICANISM

THE WATCHWORD OF THE JEFFERSON COUNTY REPUBLICAN CONVENTION.

Fairfield, Aug. 24.—(Special).—

With strong resolutions declaring for the continuation of the republican policies, which have been the means of bringing the United States to the prosperous state the nation now enjoys, the republicans of Jefferson county, in their convention at Fairfield on Saturday, nominated one of the strongest tickets ever known in the history of Jefferson county republicanism. The convention was called to order in the court house with Thos. Davies of Blackhawk township, as chairman.

Many Ballots for Sheriff.

For the office of sheriff there were three candidates, Charles G. Taylor, of the Third ward, and Frank Cooper and David N. Sense, both of the Second ward of this city. After the convention had cast sixty-three ballots and worked for four hours, David N. Sense was finally nominated. It was one of the most spirited and good natured contests which this county had witnessed for many years, all of the candidates entering the contest with the votes equally divided between them.

The County Ticket.

The following is the ticket nominated:

For Representative—Andrew F. Casel.

For Treasurer—John A. Raines.

For Sheriff—David N. Sense.

For Superintendent of Schools—Miss Anna White.

For Member of Board of Supervisors—Samuel Billingsley.

For Surveyor—B. F. Carl, Sr.

For Coroner—Dr. A. S. Hauge.

The ticket selected is considered a strong one.

The Resolutions.

The convention adopted the following resolutions:

"Resolved, that we, the republicans of Jefferson county, take a just pride in the administration of the affairs of the state of Iowa through a long series of years.

"Resolved, that we believe that the public affairs of Jefferson county have been so managed by the republicans for almost a half century that the wisdom of the republican county conventions has been proven, and that we can, with greatest faith, ask for endorsement of the work of this convention.

"Resolved, that we fully endorse and are willing to stand by the Administration of President Roosevelt, and that we ask that the campaign of 1904 be fought out on the lines on which the republican party has been
