SENATOR SULLIVAN

Says He Has Found Doan's Kidney Pills Invaluable in Treating Sick Kidneys.

Hon. Timothy D. Sullivan of New York, Member of Congress from the Eighth New York District, and one of the Democratic leaders of New York State, strongly recommends Doan's Kidney Pills.

Senator Sullivan writes: "It is a pleasure to endorse a remedy like Doan's Kidney Pills, having found them of greatest value in eliminating the distress caused by sick kidneys, and in restoring those organs to a condition of health. My experience with your valuable remedy was equally as gratifying as that of several of my friends.

Yours truly,

The Man With the Hoe.

President James J. Hill of the Great Northern railroad, in a letter to the irrigation congress at Portland, grows very eloquent in relation to homes upon the arid lands of the West.

"The forest falls, the mine is depleted of its precious contents, even the seas might, if searched too severely, cease to give tribute, but the soil is the last unfailing resource," said Mr. Hill. "Play games as we may," he continued, "with picture cards adorned with other names, the man at the bottom of the man who is working a plot of ground, the man who is drawing from the earth food for himself and others is the foundation of all advancement, as well as all prosperity. Make way for him, for where he is decaying the pillars of the state are weakening, and all the more impressive forms of wealth are trembling toward the dust."

Expert Engineering.

An Oil City laborer, who is something of a character in his way, was sent the other day to dig a ditch from the street curb to a certain point in a yard. He was given a two-foot rule to assist in his measurements.

At the close of the day he duly reported to the "boss."

"Did you dig the ditch, Jimmy?" asked the latter.

"I did," replied Jimmy.

"How long was the ditch, Jimmy?"

"The length of the rule, the length of the pick, the length of two bricks and the length of a stick," answered Jimmy.

"Have you the stick?" asked the boss.

"I have," said Jimmy.—Oil City Blizzard.

FEVER'S AFTER EFFECTS

Did Not Disappear Until the Blood Was Renewed by Dr. Williams' Pink Pills.

Typhoid fever is sometimes called nervous fever. During the course of the fever the nerves are always profoundly disturbed, and when it is over they are left so sensitive that the patient has to be guarded against all excitement. In the tonic treatment then demanded, regard must be paid not only to building up flesh but also to strengthening the nerves. A remedy that will do both, make sound flesh to repair waste and give new vigor to feeble nerves, is the most convenient and economical. Such a remedy is Dr. Williams' Pink Pills for Pale People.

One proof of this is the experience of Mr. Charles North, of East Vassalboro, Maine. He says: "I had a severe attack of typhoid fever late in the fall which left me very weak and debilitated. My heart palpitated, my breathing became difficult after the least exertion and there was numbness in both hands. I suffered in that way for fully six months. As I did not grow out of it, did not in fact see the slightest improvement as time passed, I decided to use Dr. Williams' Pink Pills as I knew of some cures they had effected in cases like mine.

"Almost as soon as I began taking them I could see decided improvement and after keeping on with them for several weeks I was completely well. I consider Dr. Williams' Pink Pills a most valuable remedy, and I am in the habit of recommending them to others afflicted as I was."

When the nerves ache and tremble it means that they are starving. The blood, and the best food is Dr. Williams' Pink Pills. They are absolutely guaranteed to be free from opiates or other harmful drugs. They are sold by all druggists or may be obtained directly from the Dr. Williams Medicine Co., Schenectady, N. Y.

"Johnny, I thought I told you not to go outside the gate." "Yes'm, but you said I could play dog, and I had to run 'n' bark at a wagon."

THE IDEAL WIFE

Shapes the Destiny of Men—The Influence of a Healthy Woman Cannot Be Overestimated.

Seven-eighths of the men in this world marry a woman because she is beautiful in their eyes—because she has the qualities which inspire admiration, respect and love.

There is a beauty in health which is more attractive to men than mere regularity of feature. The influence of women glorious in the possession of perfect physical health upon men and upon the civilization of the world could never be measured. Because of them men have attained the very heights of ambition; because of them even thrones have been established and destroyed.

What a disappointment, then, to see the fair young wife's beauty fading away before a year passes over her head! A sickly, half-dead-and-alive woman, especially when she is the mother of a family, is a damper to all joyousness in the home, and a drag upon her husband.

The cost of a wife's constant illness is a serious drain upon the funds of a household, and too often all the doctoring does no good.

If a woman finds her energies are flagging, and that everything tires her, dark shadows appear under her eyes, her sleep is disturbed by horrible dreams; if she has backache, headaches, heart-ache, nervousness, whiteness, irregularities, or despondency, she should take means to build her system up at once by a tonic with specific powers, such as Lydia E. Pinkham's Vegetable Compound.

This great remedy for women has done more in the way of restoring health to the women of America than all other medicines put together. It is the safeguard of woman's health.

Following we publish, by request, a letter from a young wife.

Mrs. Bessie Ainsley of 611 South 10th Street, Tacoma, Wash., writes:

Dear Mrs. Pinkham—

"Ever since my child was born I have suffered, as I hope, few women ever have, with inflammation, female weakness, bearing-down pains, headache and wretched headaches. It affected my stomach so that I could not enjoy my meals, and half my time was spent in bed.

Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

When a boy likes to get up in the morning it is a sign there is no school that day.

What Lydia E. Pinkham's Vegetable Compound did for Mrs. Ainsley it will do for every woman who is in poor health and ailing.

Its benefits begin when its use begins. It gives strength and vigor from the start, and surely makes sick women well and robust.

Remember Lydia E. Pinkham's Vegetable Compound holds the record for the greatest number of actual cures of women's ills. This fact is attested to by the thousands of letters from grateful women which are on file in the Pinkham laboratory. Merit alone can produce such results.

Women should remember that a cure for all female diseases actually exists, and that cure is Lydia E. Pinkham's Vegetable Compound. Take no substitute.

If you have symptoms you don't understand write to Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.
