

CASS LAKE DID HONORS

Successful Fourth of July Celebration in Reservation City.

LARGE CROWD HAD A SPLENDID TIME.

Bemidji Fire Department And Base Ball Club Win On the Program.

Nearly all Bemidji celebrated the Fourth of July at Cass Lake and one of the largest crowds which has ever left this city was royally entertained. The committee having the celebration in charge left nothing undone to entertain the visitors and is to be congratulated on the entire success of the occasion.

The early morning train took down several hundred people and the noon train was literally packed to the guards and a box car and flat car were attached to the train in this city to accommodate the crowd. Three extra coaches were attached to the morning train which brought the crowd home this morning about 3:30.

The Bemidji band, base ball team and fire department running team from this city attended.

The program began with a parade at 10:30 and immediately at its conclusion there was a program of sports at the boat landing, including a squaw race, steamboat race and log rolling. In the afternoon the fire department running teams ran the hose race and Bemidji won the event handsly in 23. The ball game followed and Bemidji won by a score of twenty to one. The Cass Lake team was made up of all home talent and has been organized only a short time. It was no match for the strengthened Bemidji team and did not expect to win the game.

In the evening there was a grand display of fireworks and dancing in the boweries and everybody made the most of the occasion. The crowd from this city all report a very good time and the celebration was a success in every particular.

The Day at Bemidji.

The day in this city passed very quietly. There were a number of picnic parties along the lake shore and a big picnic and bowery dance at Nymore. Practically everybody who celebrated, however, went to Cass Lake.

Ferdinand Peterson leaves tomorrow for his claim in the Big Fork country and intends to spend several weeks on it and make some improvements to his clearing and shack.

LOST DIAMOND

Nervy Thief Snatches Valuable Diamond From J. M. Markham.

While going home last Saturday night J. M. Markham was held up and relieved of a valuable diamond. Mr. Markham was walking on Minnesota avenue and when opposite the Bailey residence the thief stepped up to him snatched his necklace, choked him and made good his escape. The identity of the highwayman is unknown. The police department was at once notified but there was no clue to the thief.

TOLD TRUTH

Mrs. J. J. Ellis Locates Stolen Harness Through a Trance.

Mrs. J. J. Ellis, of this city, who has something of a reputation as a trance medium, has just performed what is considered a remarkable feat. A short time ago she was consulted by some people in this city who had been robbed of a harness. She went into a trance and told the owners where the harness was. She located it in the Mississippi river and gave minute descriptions of the spot where it might be found. The man who consulted her did not have much faith in her occult powers, but yesterday a fishing party going down the river pulled up the harness at the exact spot where she said it could be found.

CHILD BURNED

Little Daughter of Mr. and Mrs. C. E. Hulett Played With Matches.

Yesterday afternoon, while playing with matches, unobserved by her parents, the little four-year-old daughter of Mr. and Mrs. C. E. Hulett set fire to her clothing and sustained terrible burns. The little one's clothing was nearly all burned from her body. Her screams attracted attention at once but the light material in which she was dressed burned almost instantly. She was badly burned about the head and face and the arms and legs, but will live.

NEW TEAM IS FAST

Bemidji's Rejuvenated Ball Team Wins Fast Game From Big Duluth.

PRETTY EXHIBITION WITNESSED BY SMALL CROWD.

Visitors Lose a Game Battle By a Score of Two to One.

The rejuvenated Bemidji ball team is a clever bunch and one which the city should be proud of and support liberally. This much is generally agreed since the game with Big Duluth last Sunday when the locals won from the visitors by a score of two to one.

The game was one of the prettiest ever seen on the home grounds. It was a credit to the winners and losers as well as thoroughly delighted the fans who saw it. It was not called until five o'clock, owing to the rain of Sunday afternoon and the impression seemed to prevail that it had been called off.

Emerson, Carl and Bongo, the three Flandrau Indians were in the game for the first time and Hines was at first. The work of the infield was snappy and errorless and the hitting of the entire team was a big improvement over its work in that line before.

It was a pretty game, in every sense of the word. Both sides hit the ball but sharp fielding kept the hits down and made it a clever exhibition. The visitors secured their only run in the first inning and the locals got one in the second and one in the eighth by bunching the hits.

With the exception of the Crookston League team the Big Duluth's are the fastest team seen on the home grounds this season. Witt and Roy were the batteries for Bemidji and Porter pitched for Big Duluth.

The game has resulted in infusing more interest into the local situation and from this time on some fast ball may be expected by its patrons in this city.

W. A. Emerson, the forger, who has been at the county jail awaiting hearing for some time had an arraignment this morning. He was bound over to the grand jury in the sum of \$500 and says he will be able to furnish the bail.

DROWNED

Sad Accident Results in Death Of Wm. Franklin in the Littlefork Country.

The remains of Wm. Franklin, who was last week drowned in the Littlefork river arrived this morning from Winnipeg and will be shipped to his old home at Menomonee, Wis., for burial.

Franklin was quite well known in this city and is a cousin of Jess Freestone. While crossing the Littlefork near one of the rapids last week he fell from the batteau and was stunned by striking his head against a rock. Before he could be rescued he had drowned. The news will bring general regret to his friends in this city.

A FAST RUN

Bemidji-Sauk Center Passenger One of the Fastest Runs On Great Northern.

It will perhaps be news to most Bemidji people to know that under the new time card recently effective on the Great Northern the passenger run between this city and Sauk Center is one of the fastest on the entire Great Northern system.

The trains carded time is nearly fifty miles an hour between this city and Sauk Center and the engine crews strain every nerve to make it. This time includes the stops. The new service is much appreciated by the business men of this section and the commercial travelers. It is now possible to leave Bemidji at 6:00 a. m. and be in Minneapolis at 2:30. This is an appreciated improvement over the old schedule. The train crews are having some trouble to make the time at present but new engines will be put on the run soon and the crews are instructed to make the time.

New Townsite.

S. McCamus has just returned from Brookston where he, in company with Frank E. Johnson, of Duluth, have just platted the townsite of Brookston. The place was formerly known as Stony Brook. Lots in the new townsite will be placed on sale in a few days.

The second ball team from this city played the Akeley team last Sunday and lost the game by a score of six to four. Skogsberg and Mitchell were the battery for Bemidji.

..HOT WEATHER..

CUTLER WON

Local Fighter Given Decision Over Jack Parres at Cass Lake Last Night.

Charles Cutler, of this city, and Jack Parres, of West Superior, went seven rounds before a very large attendance at Cass Lake last night and Referee Kennedy gave Cutler the decision after Parres' seconds had thrown up the sponge in the seventh round. The boxing exhibition was a very clever one and thoroughly pleased the attendance. Cutler is fast and handled himself very cleverly last night. Both men are evenly matched. There is said to be some dissatisfaction over the referee's decision and they will probably be matched to go again in a short time.

Fourth of July Fight.

During a fight at a Fourth of July celebration in the town of Buzzle yesterday Martin Johnson was severely beaten and bruised. He sustained some bad cuts on the head and his skull may be fractured. He was brought to this city this afternoon for medical attendance. His assailant was Ole Bakken. The men had been drinking.
