

## MORE FOR SETTLERS

Lands Originally Reserved  
to Be Thrown on Market  
for Homesteaders.

FORMAL OPENING WILL BE MON-  
DAY, SEPTEMBER 4, 1905.

Most of the Lands are in North-  
ern Hubbard and Cass  
Counties.

By provision of an act of con-  
gress approved March 3, 1905  
there will be restored to the  
public domain, subject to home-  
stead entry only, a considerable  
amount of land which was in 1881  
withdrawn from sale or disposal  
by proclamation of the president.

These lands are almost entire-  
ly in townships 142, 143 and 144,  
ranges 27, 28, 32 and 33 and  
therefore lie in northern Cass  
and northeastern Hubbard  
counties.

These lands were withdrawn  
from settlement for reservoir  
purposes and now that they are  
to be reopened they may be  
homesteaded only subject to the  
right of the United States to  
overflow such lands should it at  
any time deem such overflow  
necessary. All persons are pro-  
hibited from entering upon or  
squinting upon these lands prior  
to midnight of September 3, 1905,  
on penalty of forfeiting the right  
to file on the lands.

The lands will be open for  
entry at 9 o'clock Monday,  
September 4, 1905 at the Cass  
Lake land office.

## NEW CHURCH DEDICATED

Northome Formally Opens  
New Religious Meeting  
Place to the Public.

The new Methodist church at  
Northome, under the pastorate  
of Rev. R. G. Green, was formally  
dedicated Sunday. The dedica-  
tory services were conducted by  
Dr. LaFayette Dodds, presiding  
elder of the Crookston district.  
The dedicatory sermon was a  
very strong address and touched  
on harmony, relating to the  
denominational churches. The  
afternoon was devoted to a young  
people's rally, and addresses to  
the young people were made by  
Rev. Kingman and others. In  
connection with this, a very fine  
musical program was rendered.  
In the evening Dr. Dodds again  
occupied the pulpit, his theme  
emphasizing the success of  
apparently worldly success. The  
congregation at the meeting is  
said to have been the largest ever  
seen in Northome. The new  
church building cost \$1,250, and  
is of modern design. It is 26x33  
feet and has an entrance 9x9,  
with steeple and belfry. The  
church was practically free from  
debt before the dedication, and  
the usual order of asking con-  
tributions was omitted.

han.

## DROWNING WAS ACCIDENTAL

Coroner Marcum Returns  
from Investigating the  
Buzzle Drowning.

Coroner Marcum returned last  
night from Buzzle, after a drive  
of nearly 50 miles to investigate  
the drowning of Arthur Thomp-  
son, the 11 year old son of  
Mr. and Mrs. Martin Thompson.  
The lad met his death at Bagley  
dam where he went alone from a  
neighbors house where he was  
visiting. He evidently slipped  
and fell into a deep hole for when  
after an hour's absence two little  
girls were sent to call him to sup-  
per his body was seen at the bot-  
tom of the hole in ten or twelve  
feet of water. The boy was an  
active, energetic little fellow and  
last winter though scarcely able  
to lift the gun, shot a deer from  
the door step of his home. The  
good people of Buzzle township  
have done everything possible to  
comfort the family in their hour  
of affliction. The funeral was  
held from the house last evening.

## BAND MEETING THIS EVENING

Reorganization of Bemidji  
Band Will Occur at City  
Hall Tonight.

A meeting of the musicians of  
the city will be held this evening  
at the city hall, at which the re-  
organization of the defunct Be-  
midji band will occur. A. Gil-  
mour, who has devoted consider-  
able time to interesting band  
men and the citizens in general  
in the band proposition, has re-  
ceived a letter from Martin  
Erickson, one of the best known  
and most capable band directors  
in Minnesota, advising him that  
should the people of Bemidji see  
fit to support a musical organiza-  
tion he would come to the city  
and take charge of the band. Mr.  
Erickson is now engaged in busi-  
ness at Detroit, Minn., but states  
that he will close out his interests  
in that city providing his services  
are wanted in Bemidji.

## LICENSE MAY BE REVOKED

Nymore Citizens Complain  
That Mike Guyer Runs  
Disorderly Saloon.

At a meeting of the village  
council of Nymore last night,  
several complaints were made  
by citizens of the village against  
Mike Guyer, a saloonkeeper,  
charging him with conducting a  
disorderly place. The council  
took no immediate action upon  
the complaints, but designated  
Thursday as the day upon which  
Mr. Guyer will appear before the  
council to show cause why his  
license should not be revoked.  
Mr. Guyer claims that the  
charges against him are the re-  
sult of jealousy over business  
competition.

## STRONG TEAM FOR BEMIDJI

Firemen Making Active Pre-  
parations to Win the  
Money at Blackduck.

Bemidji will this year be repre-  
sented at the annual firemen's  
tournament to be held at Black-  
duck by perhaps the strongest  
team that has ever been sent  
from the city. Every member  
of the team can make 100 yards  
in less than 11 seconds, while  
three or four are 10 second men.  
Capt. Narveson has been putting  
the team through a severe course  
of practice and when the tourna-  
ment is pulled off at Blackduck  
it is expected that nothing can  
keep Bemidji away from getting  
the money. Following are the  
names of those who will compose  
the team: A. O. Narveson (cap-  
tain), George Fleming, Robert  
Halvorson, Scott Stewart, R. H.  
Schumaker, Ray Dennis, Earl  
Geil, Alex. Doran, Erton Geil,  
Lee Heffron, Harry Geil, Harry  
Arnold, C. C. Folkers, E. L. Nay-  
lor and John Goodman.

### Must Wear Bathing Suits.

Gust Anderson yesterday af-  
ternoon paid a fine of \$8 in Judge  
Pendergast's court for having  
bathed at Diamond Point without  
first having arrayed himself in  
the proper apparel customarily  
worn when swimming or bath-  
ing. The police give out the  
warning that before going in  
swimming one must provide him-  
self with the necessary wearing  
apparel or otherwise take  
chances on being arrested and  
fined.

ed to attend.

### Deafness Cannot Be Cured

by local applications, as they can-  
not reach the diseased portion of  
the ear. There is only one way  
to cure deafness, and that is by  
constitutional remedies. Deaf-  
ness is caused by an inflamed  
condition of the mucous lining of  
the Eustachian Tube. When this  
tube is inflamed you have a  
rumbling sound or imperfect  
hearing, and when it's entirely  
closed, deafness is the result,  
and unless the inflammation can  
be taken out and this tube restored  
to its normal condition, hearing  
will be destroyed forever; nine  
cases out of ten are caused by  
catarrh, which is nothing but an  
inflamed condition of the mucous  
surfaces.

We will give one hundred dol-  
lars for any case of deafness  
(caused by catarrh) that cannot  
be cured by Hall's Catarrh Cure.  
Send for circulars free.

## SIX RECEIVE DIPLOMAS

Excellent Exercises Mark  
Departure of Students From  
Bemidji Schools.

CLASS OF '05 ALL GIRL GRADU-  
ATES.

Not a Member of Sterner Sex Has  
Completed High School Course  
in Past Year.

In the presence of a throng of  
people that crowded the City  
Opera house, six young ladies  
were formally graduated from  
the Bemidji high school last  
night and six happy young ladies  
received diplomas that will ad-  
mit them to the state university  
class of '09.

The program was excellent.  
It opened with a selection by the  
Bemidji male quartette, after  
which Father Murphy pronoun-  
ced the invocation. Miss  
Florence Bell rendered the salu-  
tatory address, and her efforts  
received long and continued ap-  
plause. Miss Harriet Hartmon  
spoke on the subject "Success in  
Life," and with clear voice, dis-  
tinct pronunciation and an earn-  
estness that appealed to her lis-  
teners, outlined the course that  
should be taken by every young  
man and woman who wishes to  
avoid failure in the great battle  
of life. A pretty concert polka  
was rendered by Mrs. R. B. Fos-  
ter, and after the encore Miss  
Kathryn McCreaspoke, choosing  
for her subject "Were the Middle  
Ages the Dark Ages?" "Ideals"  
the subject chosen for a very  
pretty and interesting address  
by Miss Ora Neely, after which  
Mesdames Kelsey and Foster  
rendered a violin and piano duet  
that was encored until they were  
forced to make their second  
appearance. Miss Beatrice  
Mills' address on "The Voice  
of Labor" was rendered  
with an ease and grace that de-  
noted much ability as a speaker.

The valedictory address was  
spoken by Miss Jennie Leak, and  
the manner in which Miss Leak  
disposed of her difficult duties  
as valedictorian showed much  
careful preparation and study.  
The presentation of diplomas  
by G. M. Torrance and the bene-  
diction by Rev. Broomfield ended  
the exercises.

### District Court at Bagley.

The summer term of district  
court for Clearwater county  
opened at Bagley this morning,

few criminal cases of any im-  
portance will be tried.

June is Proverbially the month of Marriages, and  
the month of costly and suitable gifts. Fash-  
ion decrees that almost every gift have a Monogram, Let-  
ter or Letters Engraved—not a crude jumble, but a rich  
Cipher befitting the Article.

Popular taste is improving and the public are more ex-  
acting. The modern gift must reflect good taste and so  
must the engraving.

Many suitable gifts in Sterling Silver, Plate Ware and  
also a fine line of Cut Glass and H. Pantee China.
