The Sentinel, published Friday, hasn't a word about the Bible conference, which began Wednesday afternoon.

Julius H. Block is out to make things unpleasant for his esteemed fellow townsman, Charlie Davis, congressman from the Third district. Davis interfered sadly with Block's gubernatorial aspirations, and now the big treasurer is going to "take a try" at Davis' job at Washington. And the chances are he will get it.

There is some talk of a possible pardon or commutation of sentence for Mrs. Stella Brennan, because a child was born to her in state prison the other day. Such maudlin sentiment should be promptly squelched. There has never been a more heartless, cold-blooded murder in the state than the slaughtering by Mrs. Brennan of her three little step-children, and it was only the plea that she was soon to become a mother that kept the jury from sending her to the gallows. It is such talk, with now and then the actual pardoning of a criminal that ought to have swung long ago, that makes hanging popular.

One of the things Bemidji needs badly is a booklet setting forth the beauties of the city and the surrounding country, and the natural advantages "The Hub of Northern Minnesota" possesses as an unexcelled summer resort, and as a wholesale distributing point. A number of requests for such a booklet have been received recently by local residents from outside people who wish to become acquainted with Bemidji and her prospects. Many of these correspondents have expressed a desire to locate here in case they were convinced that Bemidji is a good place to come to.

We understand that the Commercial club has in contemplation the publishing of such a booklet. It cannot be got out too soon.

AT KING EDWARD'S REQUEST.

William J. Bryan Meets the Ruler of Great Britain.

London, July 27.—William J. Bryan, who was introduced by Ambassador Reid, was received in private audience by King Edward at Buckingham palace during the day. The visit was paid at the king's special request, his majesty having notified Mr. Reid that he desired to meet Mr. Bryan. The interview was quite informal and was marked by the pleasing cordiality which the king is accustomed to show Americans in whom he is interested. Only the king, Mr. Reid and Mr. Bryan were present. The conversation largely turned on the subject of peace and the conference of the Interparliamentary union, with the objects of which the king showed himself thoroughly in accord.

Subsequently the king received some eighty members of the Interparliamentary union in the throneroom, Congressmen Richard Barthold of Missouri, T. E. Burton of Ohio and Rockwood Hoar of Massachusetts representing the American group. Mr. Bryan accompanied his three compatriots at this function, which was somewhat in the nature of a levee.

Three Young People Drowned.

Rogers City, Mich., July 27.—Mike Bannon, aged twenty-four; Hattie Bannon, fourteen years of age, and Eddie Gryka, aged thirteen years, were drowned in Lake Huron by the upsetting of a sailboat. All three lived at Crawford's Quarry.

GUARDED BY TROOPS.

All Railroad Stations Between St. Petersburg and Kharkov.

Kharkov, Russia, July 27.—A correspondent of the Associated Press, who arrived here during the day from St. Petersburg, found all the railroad stations en route heavily guarded by troops. While all is quiet here there is a tremendous undercurrent of excitement.

The governor general has confiscated the paper owned by Professor Grodeskul, who was vice president of the lower house, and other liberal papers and has forbidden the printing offices to publish contributions of any kind from members of the outlaw parliament.

The attitude of the peasantry in this province is represented to be alarming.

Timothy Burke of Chicago committed suicide at Okaloosa, Ia., by driving a butcher knife through his heart. He was insane.

SEEM VERY GOOD FRIENDS.

Affectionate Scene Between Thaw's Wife and His Mother.

New York, July 27.—An affectionate scene, in which Mrs. William Thaw, her daughter, Mrs. George L. Carnegie, and Harry K. Thaw's wife participated, took place at the Tombs prison while the three women were paying a visit to Harry K. Thaw. Thaw's wife was with him half an hour when his mother and sister arrived. The young wife and the prisoner's mother kissed each other several times. On leaving the Tombs the three women drove to the office of Clifford W. Hart ridge, who has charge of Thaw's defense. Mrs. Evelyn Nesbit Thaw said: "Everything is all right now."

ACCUSED OF GRAFTING.

George Westinghouse Charged With Using Company's Funds.

Pittsburg, July 27.—At a sensational meeting of the stockholders of the Westinghouse Electric company George Westinghouse, president of the company, was bitterly assailed and he was charged openly by stockholders with launching private ventures with the company's funds.

The directors were charged with aiding him in this, but after a bitter squabble the slated board of directors was elected and the official coterie won out.

Regulars Near Mexican Border.

Fort Worth, Tex., July 27.—One hundred negro regulars from Nebraska arrived here during the day en route to San Antonio and thence to Fort Ringgold at Laredo and Fort Bliss at El Paso. In view of the recent disturbing news from Mexico this movement of troops to the Mexican border has excited some comment here.

City Hall Condemned.

San Francisco, July 27.—The city hall, which cost \$7,000,000, has been formally declared unsafe at a meeting of the board of public works and notice was served on the police department that its station in the building must find other quarters. The building was condemned throughout.

SON-IN-LAW ARRESTED.

Wisconsin Farmer Found Dead in His Stable.

Waukesha, Wis., July 27.—The dead body of Fred Hookstad, a farmer residing in the town of Mukonago, fifteen miles from this city, was found in the horse stable at his farm by his son-in-law, Otto Preufert, who resided with him. Preufert was arrested and is held pending the verdict of the coroner's inquest. It was at first thought Hookstad's death resulted from a horse's kick. It is stated by neighbors that Hookstad and Preufert quarreled frequently.

Dr. Pierce's Favorite Prescription

Is a powerful, invigorating tonic, imparting health and strength particularly to the organs distinctly feminine. The local, womanly health is so intimately related to the general health that when diseases of the delicate womanly organs are cured the whole body gains in health and strength. For weak and sickly women who are "worn-down" run-down or debilitated, especially for women who work in store, office or schoolroom, who sit at the typewriter or sewing machine, or bear heavy household burdens, and for nursing mothers, Dr. Pierce's Favorite Prescription has proven a priceless benefit because of its health-restoring and strength-giving powers.

As a soothing and strengthening nerve-tonic, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea, St. Vitus's dance, and other distressing nervous symptoms commonly attendant upon functional and organic disease of the womanly organs. It induces refreshing sleep and relieves mental anxiety and despondency.

Cures obstinate cases. "Favorite Prescription" is a powerful cure for the most complicated and obstinate cases of "female weakness," painful periods, irregularities, prolapsus or falling of the pelvic organs, "weak back," bearing-down sensations, chronic congestion, inflammation and ulceration.

Dr. Pierce's medicines are made from harmless but efficient medical roots found growing in our American forests. They are prepared by the most skillful and valuable of these roots and imparted that knowledge to some of the friendlier whites, and gradually some of the more progressive physicians came to test and use them, and ever since they have grown in favor by reason of their superior curative virtues and their safe and harmless quality.

Your druggists sell the "FAVORITE PRESCRIPTION" and also that famous alterative, blood purifier and stomach tonic, the "GOLDEN MEDICINE." Discuss your case with Dr. Pierce about your case. He is an experienced physician and will treat your case as confidential and without charge for correspondence. Address him at the "Invalids' Hotel and Surgical Institute," Buffalo, N. Y., of which he is chief consulting physician.

Nothing Useful Left out Nothing Useless Put in

We've given the final touches to our Christmas feast—now we're asking you to partake.

And please believe this—this stock, whatever else it does, stands in between you and all extravagance.

For though much that we show you gives exquisite touches of beauty, and even richness, it would be wrong to call it expensive.

As we told you before—we've gone to some trouble to select articles principally for their use and service.

And we expect that you will agree that our display is an eminently sensible one.

Do us the honor of looking early—and we will see to it that you have ample opportunity to examine all that is interesting to you.
