

WEDDING OF INTEREST

The following wedding announcement will be of interest to Bemidji people, as the bride is a sister of Mrs. Belle J. Brown of Doud avenue, and two years ago visited her sister in Bemidji. Mrs. Brown received the announcement of her sister's wedding a few days ago and the following article appears in the "Scandinavian" issued this week:

The wedding of Miss Agnes Hillestad and Oscar Bie, both of Philadelphia, Pa., was solemnized in Philadelphia Wednesday, Rev. L. J. Heggem, assisted by Rev. H. Midtboe, officiating. The church was beautifully decorated for the occasion with palms and cut flowers and the ceremony was witnessed by a large number of friends and relatives of the contracting parties. The wedding march was played by Roy Scho of Philadelphia. The bride and groom were attended by the Norwegian consul, Christian Moe, and wife, and Mr. and Mrs. Schlott. The groom is a marine merchant and has offices in Philadelphia, New York, Baltimore, Newport, Norfolk and Christiania, Norway. Mr. and Mrs. Bie had planned on spending their honeymoon in Europe, but on account of the war will delay the journey until later, and left for New York immediately after the wedding where they will spend several days.

PRETTY WEDDING

A pretty wedding was solemnized at the home of Mr. and Mrs. Hans Mosen, on Irvine Avenue south, last evening at 8:30 o'clock, when Miss Vera Marguerite Nelson, daughter of Mrs. Johanna Nelson of this city, was united in marriage to Edward A. Escola, also of this city. The ceremony was performed in the presence of immediate friends and relatives of the principals, Rev. George Backhurst, rector of the Episcopal church, officiating. Miss Esther Tennstrom acted as bridesmaid and the groom was attended by George Sheppard. Mr. and Mrs. Escola will spend their honeymoon in St. Paul, Minneapolis and Duluth. At the latter place they will visit Mr. Escola's parents. They will return to Bemidji in a week and will make their home here. Miss Nelson is a well known Bemidji girl and Mr. Escola is employed by the government as an Indian agent.

HEALTHY SKIN DEPENDS ON KIDNEYS.

The skin and the intestines, which work together with the kidneys to throw out the poisons of the body, do a part of the work, but a clean body and a healthy one depends on the kidneys. If the kidneys are clogged with toxic poisons you suffer from stiffness in the knees in the morning on arising, your joints seem "rusty," you may have rheumatic pains, pain in the back, stiff neck, headaches, sometimes swollen feet, or neuralgic pains—all due to the uric acid or toxic poisons in the blood. This is the time to go to the nearest drug store and simply obtain a 50c. package of Anuric, the discovery of Dr. Pierce of Buffalo, N. Y. Then drink a cup of hot water before meals, with an Anuric Tablet, and notice the gratifying results. You will find that Anuric dissolves uric acid as water does sugar.

Minneapolis, Minn.—"Some time ago I caught a cold which settled in my bladder. I could find nothing to relieve me until I read in the papers of Dr. Pierce's Anuric Tablets and decided to try them as a last resort. Have used but one box of the Anuric as yet, but have been greatly benefited by it. My back-ache, from which I suffered untold agonies all summer, has now almost disappeared. I can recommend Anuric to all sufferers from kidney and bladder disorders."—Mr. N. W. Borsch, 1032 4th Street N.

Minneapolis, Minn.—"Since baby came I have been greatly troubled with my kidneys. My back ached incessantly. I had rheumatic pains through the right shoulder. The kidneys were in a weakened condition and did not act as they should. I was easily tired and it seemed a burden to drag around. For my trouble I used Dr. Pierce's Anuric Tablets and have been greatly relieved. My kidneys are in far better condition than before."—Mrs. LESLIE THOMAS, 810 E. 15th Street.
