## NEWS AND LETTERS FROM BELTRAMI CO. SOLDIERS-SAILORS

### BEMIDJI SOLDIER CAN'T LOOK BEAN IN FACE, HE WRITES

Private Clayton O. Johnson, who is in France, is not forgetting his home in Bemidji, judging from what he writes his mother, Mrs. Lizzie Johnson, of 518 Fourth street, for he says he had a swell chicken dinner the Sunday before he wrote the letter and that while it was good the French women "can't cook like the women back home." It was payday just before the chicken dinner was served the Bemidji soldier, and he celebrated with the dinner while many of the boys were playing cards. Clayton said he didn't play for the reason he wasn't lucky enough and besides pay days were too far apart and he couldn't say: "Ma, lend me a dollar or two until pay day."

"It's almost dinner time," he continues, "and I wish I had some of those cucumbers. I can never look another bean in the face when I get out of the army."

The young man says he receives many letters and that it seems good to hear from the folks "back home."

### WRITES IN DUGOUT.

Ray E. Connick, from a letter to his mother, Mrs. J. C. Connick, 510 Fourth street, Bemidji, seems to be right up where there is the big fuss, for he gives his address as "Battery B, First French Artillery, A. E. F., France," and that the boy is close to his mother is evident from the soldier's opening greeting, "My Dear Loving Mother."

The writer's mother had asked in a previous letter to her son if he had been on the front and he answers that was just where he was when writing the letter and in a dugout and that he was kept busy dodging bullets from the enemy side of the line.

"We've got them on the run and will get the kaiser before we come home," he adds.

Mrs. H. Linehan has received word from her husband that he has arrived safely in France.

## EDWARD PAULSON

### Candidate for County Commissioner

Mr. Paulson is a farmer and has had considerable experience as a county commissioner in Todd county, this state, being a member of that board for eight years.

His friends urged him to make the run in this district and he reluctantly consented, provided no one filed against him. Now that he is in the race, he is in it to win. Your support at the polls election day, November 5th, will be very much appreciated.

The fact that he is peculiarly fitted to fill this position should make him a strong man for the office.

## TAKE SALTS TO FLUSH KIDNEYS

Eat Less Meat If You Feel  
Backachy or Have Bladder Trouble

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

## Earl Geil

### Candidate for County Treasurer For Beltrami County

I am a candidate for re-election for the office of County Treasurer and appeal to the voters of this county for their support at the general election on November 5th, 1918. Your support will be appreciated.

**POLITICAL ANNOUNCEMENT**  
(Authorized and to be paid for by himself in whose behalf the ad is inserted. Amount for series \$20.)

LEONARD H. NORD

Who served the 62nd district in the State Senate for the past term is of Norwegian parentage, settled in Minnesota in 1885. He was a homesteader and colonizer in this section of the state for many years.

Mr. Nord cruised over the larger portion of Beltrami and Koochiching counties, and covered practically every township in these counties.

This valuable experience has given Mr. Nord first hand knowledge of the needs of this district, so that if he is elected to represent it in the state senate he will be better able to do so than one who has not had this experience.

His record in the Senate during the last two sessions entitles him to election to this office. Bemidji's Normal School would not have been erected, but for Mr. Nord's efforts in its behalf.

The anti-injunction labor bill, in which the laboring classes were interested, passed because of his efforts.

Other enactments which are credited to Mr. Nord are the dynamite bill, criminal syndicalism law, amendment No. 1, and all legislation which passed favoring Northern Minnesota.

Voters will do well to return him for another term. He will appreciate your support.
