HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up. \*\*\*\*\*\*

Instant relief-no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, head-ache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief

comes instantly. It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.

"The founders of America were simple folk. They landed on a rock that became the corner stone of a great nation. They gave it a simple name-Plymouth Rock. Their dress was very plain. You would know a Pilgrim father and mother if you met them anywhere today. And you would take off your hat to them. . . .

A High Class Society Play in Six Acts

Virginia Pearson splendidly achieves domination as a great emotional artiste in this dramatic photoplay. She fills the eye as a statuesque beauty. She is a consummate comedienne, acting with elegance and charm, and a tragedienne who rises to the tremendous climax with convincing expression.

An intensely dramatic story of society life, depicting a struggle between the second wife of the Bishop of Ripley, and her first husband, thought to be dead, but who reappears as an international crook with intent to steal the Bishop's emeralds.
