\$3,000 HIS EXPENSE ACCOUNT

Boy, Twelve, With Income of \$20,000 a Year, Gets Increase From Probate Court.

St. Louis.—The monthly allowance for the support of James Newton Lambert, twelve years old, son of the late Jordan W. Lambert, was increased from \$100 a month to \$250 a month on application of his curator, Arthur W. Lambert, 6470 Forsythe boulevard, uncle of the boy.

In addition the sum of \$100 a month is being received by the minor's mother, Mrs. Bernice Lambert, for services rendered to him.

The money is paid from James' interest in the estate of his grandmother, Mrs. Lily Lambert. The curator told Probate Judge Holtcamp that the income, consisting principally of dividends from stock in the Lambert Pharmaceutical company, approximates \$20,000 a year, and that the additional allowance was needed to keep the child in accordance with the present mode of living and his station in life.

HUNT FOR INDIAN WEALTH

Convict's Story of Buried Millions Starts a Gold Rush in Missouri.

Minneapolis, Mo.—A hunt for supposed buried treasure has started on Jack's fork of Current river, near here, as a result of a story told by Howard D. Bolling, recently convicted of the murder of Roy Sitton, city marshal of Winona, and sentenced to thirty years in the state penitentiary.

After the capture in West Plains for the murder of the marshal, Bolling said he first came to this section in 1916 looking for hidden treasure claimed to have been buried in the Osark mountains by Indians who came from Virginia. Bolling claimed that he heard back in his old home in Virginia, that the Indians were paid \$3,000,000 in gold by the State of Virginia when they started west in search of new hunting grounds.

Their trail led through this section, and, so the story goes, they buried their treasure on Jack's fork, not far from the present village of Monteer.

Seek Big City Strongholds.

Cincinnati, O.—Big city banks are receiving unregistered securities from smaller bank depositors of Kentucky, as eleven successive bank robberies, in which over \$100,000 worth of bonds were stolen from smaller town banks, have scared the farmer depositors. Organized bands are said to be operating in automobiles out of Cincinnati, Louisville and Nashville.

Quick Action Corn Cure

"Gets-It" Stops Pain Instantly and Corn Soon Lifts Right Off.

A few drops of "Gets-It" quenches corn pains like water quenches fire. Gives you immediate relief.

"Gets-It" Feels It Off

The corn begins to lose its grip at once. In a day or two it is so loose that you can lift it off, roots and all, with thumb and finger. That's the last of it, as millions have found out. It is the simple, effective and common-sense way to be rid of corns.

"Gets-It," the never-failing, guaranteed, money-back corn remover, costs but a trifle at any drug store. Mfg. by R. Lawrence & Co., Chicago.

Sold in Bemidji and recommended as the world's best corn remedy by Barker's Drug Store and City Drug Store.
