Sale of Many Many Lambs.

Frank A. Hubbell, of Albuquerque, who is among the extensive sheep growers of the territory and whose sheep range is in southwestern Socorro county, has just affected a sale of the lambs born this spring and owned by him. The animals are to be delivered in October at the railroad station at Magdalena, Socorro county, and will number 17,000 to 18,000 head. They are now in prime condition and it is expected will be in better shape at the time of delivery and will then average from 55 to 70 pounds. The price has not been made public, but it is understood to be a little over four cents per pound. Even at four cents, the sale will bring Mr. Hubbell the very handsome sum of about \$50,000.

Let us count again: The Baptist association and the Good Roads convention and the officers of the National Guard. The Pythians and the Odd Fellows. Those are six pretty big gatherings that are coming fair week. Las Vegas will have a welcome and hospitable entertainment for all. The city will prepare itself to take care of the biggest crowd in its history.—Optic.

Three Jurors Cured.

Of Colera Morbus with one Small Bottle of Chamberlin's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petty jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some soured meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlin's Colic, Cholera and Diarrhoea remedy instead, saying he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale by all druggists.

Postal Instructions.

Instructions have been sent out from the postmaster general in regard to the late order of the postoffice department concerning box rent, in which the following language is used: No box can be used by any individual, family, firm, corporation or public official until rent thereon has been paid in advance for one quarter or the unexpired portion of a quarter. If box renters do not renew their rights to the boxes in use by them by the payment of rent by the 10th of January, April, July and October, you must close their boxes against them, place their mail in the general delivery and rent boxes formerly used by them. No exception to this rule will be permitted. Box renters should comply with this order and save themselves annoyance and the postmaster embarrassment. If you desire to retain your box have the courage to inform the postmaster and pay up.

LILIES OF HEALTH AND BEAUTY.

In a recent interview with Mrs. Lily Langtry, she very wisely said:

"The fact that I believe in the superior force of mind over matter does not blind me to the truth that the foundation of every successful life is good health; that the key-stone to physical beauty is perfect physical health."

"A sick woman cannot be a beautiful woman, nor can she be anything but what we English call a poor-spirited woman."

"To a great extent a woman's beauty is measured by her vitality—by her health."

"Work, Sunshine, Exercise, Water and Soap, Plain, Nourishing Food, Lots of Fresh Air, and a Happy, Contented Spirit—these, as you say, 'honest and true,' is my working rule for youth, youthful spirits and youthful looks."

One great secret of youth and beauty for the young woman or the mother is the proper understanding of her womanly system and well-being. Every woman, young or old, should know herself and her physical make-up. A good way to arrive at this knowledge is to get a good doctor book, such for instance as "The People's Common Sense Medical Adviser," by R. V. Pierce, M. D., which can readily be procured by sending twenty one cents in one-cent stamps for paper-bound volume, or thirty one cents for cloth-bound copy, and addressing Dr. R. V. Pierce, Buffalo, N. Y.

"Dr. Pierce's Favorite Prescription can always be relied upon to cure when everything else fails," writes Mrs. Dr. Nielsen of 474 Langley Avenue, Chicago, Ill. "It is a certain cure for female troubles diseases in their worst forms. I suffered for years with ulceration, intense pains and a dreadful backache, which unfitted me for my work. Finally I grew so ill I had to keep to my bed. In this extremity I used 'Favorite Prescription' for three months and then I was well. Only those who have passed through such a siege of sickness as I have will understand how much I value Dr. Pierce's Favorite Prescription."

Dr. Pierce offers \$500 reward for any case of Leucorrhoea, Female Weakness, Prolapsus, or Falling of Womb which he cannot cure. All he asks is a fair and reasonable trial of his means of cure. No substitute for "Favorite Prescription" offers so much.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

Mr. S. S. Ball, of Ravenswood, W. Va., says:—

"I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it to milk for baby."
