CAN'T DO THE WORK.

It's too much to try to work every day against a constant, dull backache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbor recommends them. Ask your neighbor!

Mrs. Butler Talbott, 2107 Franklin Ave., Lexington, says: "Congestion of my kidneys and inflammation of my bladder have given me intense suffering. I had a dull, nagging backache and pains would shoot through my kidneys. I also suffered from lumbago and rheumatic pains in my back which made it hard for me to do my work. I doctored but got no real benefit until I used Doan's Kidney Pills which I got at Crenshaw & Young's Drug Store."

Mrs. Talbott gave the above statement December 4, 1911 and on March 12, 1920, she added: "I am just as strong as ever for Doan's Kidney Pills for they certainly cured me in good shape and I have had no trouble with my kidneys or back since."

A Correcction.

There has been some literature circulated by a certain candidate for Supreme Judge, which leaves the impression that the Democratic State Committee is pushing his candidacy for the nomination at the August primary. This is not the case. Our Committee is taking no part between candidates. This literature is so deceiving that even lawyers have complained to our Committee, and this statement is made for the purpose of correcting any impression that may be created by the same that the State Committee is in any way taking part between candidates in the primary campaign.

C. E. Yancey, Chairman.
Thos. Fisher, Secretary.

Major C. L. Mitchell accompanied by his wife and daughter, Miss Mary Stevens, left Saturday by auto for Ft. Leavenworth, Kansas. Sunday morning he started for Fort Snelling, Minn., where he will be an instructor in the R. O. T. C. camp. At the conclusion of this camp he will join his family and then motor to Colorado, where they will spend the rest of the summer. His plans for next year are still in abeyance, but the Academy authorities and his many friends in Lexington are hoping that the War Department will permit him to complete his tour of duty of four years at the Academy.

Among the honor graduates of Washington University, St. Louis, Mo., class of 1922, was Miss Margaret Eleanor Stark, daughter of Mr. and Mrs. E. J. Stark, formerly of this city. Mrs. Stark will be remembered as Miss Margaret Ryland, daughter of the late Judge Xophone Ryland. Mr. Stark was an instructor in music at Wentworth for several years, and was considered an expert violinist; and besides, he excelled in athletics, which is unusual in musicians.

Prof. L. H. Bell will leave Saturday for Columbia, Mo., where he will do graduate work at the University of Missouri. Mrs. Bell and little daughter will accompany him.

W. R. Eckle and son, Griffin; P. B. Smith and son, Quincy; C. B. Waddell, Dowden Cannon, and Owen Shroyer returned yesterday evening from a few days' fishing in Benton County.
