

CITY TO HELP SECURE ZONING

Cooperation Is Offered To
Association By
Hillyer

The second meeting of the newly organized Rio Grande Valley Builders and Developers Association was held in the patio of the El Jardin Thursday night, and George Hillyer, Brownsville building inspector, announced that the city was willing to co-operate with the association in every way possible toward obtaining zoning ordinances and building restrictions in Brownsville.

The meeting began at 7 o'clock with a dinner, which was given by Roland E. Friedman, secretary of the organization and who is also secretary of the National Builders and Constructors Association, with headquarters in Indianapolis, Ind. The local association is affiliated with the national organization, and will be known as the Valley unit. A temporary committee to handle the revision and adoption of bylaws was named. Knight Douglas, appointed chairman, and others in the committee are E. W. Bounds, W. D. Ferguson, H. Richardson and John Stark.

Committees Named

The important plan and scope committee was appointed, and consists of W. D. Van Sicken, chairman, Lee Adamson, W. D. Barnes, A. D. Dickinson, Jr., and A. E. Derrick. This committee is to plan a plan of activity for the year, and make regular reports on new fields of activity as they open up.

W. B. Veltin, president of the organization, presided over the meeting, and made a brief talk. Roland E. Friedman also spoke during the meeting, and explained that the national association with which the local organization was affiliated, was five years old, had 7,000 members, and represented 1,100 firms.

Charles R. Price, of Kenton, Ohio, was a visitor, and spoke on "Unity and Co-operation."

George Hillyer, Brownsville building inspector, said that he was glad that an association of this kind was formed, as he had been attempting to handle the building code of the city singlehandedly. He offered the cooperation of the city in any way possible, and spoke briefly.

Adopt Ethics Code

A code of ethics was adopted, and the object of the association outlined as follows:

"To maintain the business of building in this community on a high professional plane.
"To establish and enforce among its members proper standards of construction and a code of ethics which will insure honest, responsible and efficient business practices toward clients and the general public.
"To protect its members and their clients against unfair dealings by vendors, subcontractors and mechanics.
"To safeguard the property of its clients against liens and other legal difficulties.
"To disseminate progressive ideas and keep its members up-to-date in all matters relating to modern building.
"To improve the condition of home ownership and encourage the building of well-built homes.
"To advance the interest of investors who hold property or its securities for income."

For Civic Progress

"To encourage the improvement of architectural standards and landscape designs.
"And to promote the general civic development and betterment of the Lower Rio Grande Valley."

It was announced that an office for the association is to be opened Monday near the El Jardin hotel, on Levee street. An office force will be retained permanently.

Those present at the Thursday night meeting were: John Rezek, W. D. Van Sicken, W. H. Boggs, S. W. McKenzie, N. R. Derrick, N. R. Quinn, John G. Starck, J. J. Kemmy, F. H. Trimble, Chas. R. Price, H. Richardson, Lee Adamson, Harold F. Fotik, E. W. Bounds, Jr., Clyde A. Thorpe, George M. Hillyer, W. D. Ferguson, I. A. Dudley, F. C. Barnes, Ted W. Neek, Keith Tuglie, Knight Douglas, W. B. Veltin, C. Henderson, and Roland E. Friedman. A representative of James and Dickinson was also present.

It was decided that the association meet every second and fourth Thursday of each month.

Davis Executed For Slaying of Guard

HUNTSVILLE, Tex., Aug. 22.—(AP)—Lee Davis, 26, negro, was executed at the Huntsville penitentiary at 12:07 a. m. today for the slaying of Sidney Symms, prison guard. He was pronounced dead at 12:15 a. m.

Symms was slain last year as he attempted to prevent the escape of Davis and a negro companion. Davis denied guilt, saying, in talking with Warden W. W. Wald, that it was the other negro, and not he who shot the guard.

Nothing was heard from the negro's cell yesterday and the only visitor he was known to have had was his mother. "She came," said Captain Frank Tension, "to tell him a last goodbye. He told her goodbye."

MARKETS

N. Y. STOCKS

NEW YORK, Aug. 22.—(AP)—After wobbling uncertainly during the morning, the stock market again headed downward today.

The opening was heavy, but during the middle of the morning a rally set in which carried several issues up 1 to 4. Before mid-day, however, gains were mostly lost, and several issues sold off 1 to 3.

Copper, rails and a few specialties were distinctly heavy. Anaconda, Kennecott, Illinois Central, Baltimore & Ohio and Warner Brothers sold off 1 to 2 to new lows.

Shares declining 2 to 3 included North American, Westinghouse Electric, Case, Allied Chemical and General Refractories. Pivotal shares were generally well supported, such issues as U. S. Steel, American Telephone and General Electric showing slight changes.

Call money again renewed at 2 per cent.

N. O. COTTON

NEW ORLEANS, Aug. 22.—(AP)—Although Liverpool cable were slightly better than due first trades on the New Orleans cotton exchange showed losses of 1 to 11 points, due mainly to the execution of overnight selling orders on hedging.

The market continued to ease off slightly after the start, October trading down to 10.88, and December to 11.05, or 9 to 11 points on a renewal of hedge selling.

N. Y. COTTON

NEW YORK, Aug. 22.—(AP)—Cotton opened steady at a decline of 2 to 4 points. Some early buying promoted by relatively steady Liverpool cables was readily supplied by overnight selling. The latter appeared to come partly from the south and was supposed to be in the way of hedging but the offerings were absorbed and the market steadied after the call on covering and trade buying.

The new December contract sold up from 11.05 to 11.16 and March from 11.31 to 11.39 with the active months ruling 1 to 6 points net higher by the end of the first half hour.

GRAIN LOWER

CHICAGO, Aug. 22.—(AP)—Wheat and corn averaged lower in price during early dealings today. Estimates that the Canadian wheat yield this season would total 350,000,000 bushels and of excellent quality, acted as a bearish influence.

Opening 1-2 cent off to 1-8 cent up, wheat afterward underwent material setbacks all around. Corn started unchanged to 7-8c higher, but receded to below yesterday's finish.

McSwiggan several years ago. One letter from La Cava, Roche disclosed, asked Zuta to "fix it" for him.

Pictures Found

Police records show that La Cava was arrested in June, 1926, and that he was discharged as a suspect by municipal Judge Joseph W. Schulman, who has previously been named in the Zuta inquiry as the recipient of a check from the slain gangster.

A \$500 check, drawn in 1922 and signed "Jack Zuta," was made payable to P. W. Rothenberg, formerly a deputy coroner and now a republican ward committeeman. Another check for \$2,000 was issued by Zuta in 1927 to Simon Herr, law partner of former Judge Emmanuel Eller, who was also given a check by the slain vice monger.

A picture of Alderman George M. Maypole, taken with his wife and daughter at Hot Springs, Ark., in 1928, was found in Zuta's possessions. On it was inscribed: "With regards, from the Maypoles, Hot Springs, Ark."

Great Celebration

News of the birth spread quickly about the countryside and church bells pealed louder than at any time since the armistice was signed. After an ancient custom a huge bonfire will be lighted on top of a nearby hill tonight as official notification of the event.

\$153,000 To Be Added To
Purchasing Power In
Brownsville

The economic condition in Brownsville will be aided materially with the opening of the schools, when \$153,000 a month will be released, and placed in circulation. G. W. Gotke, superintendent of schools, said in an address before the Kiwanis club at the regular weekly meeting held at the El Jardin at noon Thursday.

He pointed out that in salaries alone, approximately \$153,000 will be paid out during the school year. During his speech he explained scholastic conditions and discussed several problems confronting the local system. He said that more than 500 teachers had applied for positions in the Brownsville schools due to the reputation of the Valley as an ideal winter resort.

Mr. Gotke, the principal speaker Thursday, was introduced by W. A. Rasco, formerly principal of the high school and now in the drug business.

Entertainment was provided by the Glee Harmony quartet, composed of Carl Henshaw, Frank Gilmore, John Carr Sewall and Emmett Sewall. Several songs were offered.
