American immigration restrictions the first contin- | Second Congressman: I am not prepared at gent of Slav settlers will be sent to Mexico. Many time to say whether a dime is too much or not. I famous agricultural experts are now in Mexico to esrecall the case of a starving man in the state of Minlieve, Miss Earle," Dunder said, tested vehemently, wiping her redtablish an agricultural experiment station for re- nesota in the winter of 1888. In that case it was in the papers. . . To think that with his most winning smile. search upon crops and land best suited to the needs subsequently established that a dime was excessive. It was never a pupil here," the saying now that she got \$10,000 noted officials of European cooperative societies are inadequate. How will it be possible for the immigrants from Slav money to get the cup of coffee and the roll. countries to obtain passports or tickets of port entry? Mexico, it is said, promises a hearty welcome

### Basic Industries Placing Men On Payroll

with open arms to these refugees from Soviet Russia

where communism is the creed of those in power and

individualism is as dead as the dodo

New it is said that 100,000 title workers will be given jobs building national highways. It is said 200,000 tille workers will be placed on the payroll of railroads and automobile concerns. It is said before the coming of springtime 500,000 workers now unemployed will find themselves on the payrolls the country over. Yes, a job is better than a dole but while looking for jobs those who are worthy and willing to work should be given a helping hand. It is all right for the government to provide money to feed the hogs of the farmer but where the children of the farmer are hungry they should be fed. Why place hog feeding first?
