President Wicker of the R. F. D. association says that it depends on the local press and the people of the city of Florence how successful a convention that organization has in this city. The banquet to be given in New York city the night of June 8 by the produce exchange to the Cotton Seed Crushers' association ought to be attended by Messrs. L. W. Floyd and J. H. Wicker. There will be more than 1,500 cotton-seed men at the banquet, and as the majority of them will come from the South, Newberry should be in it.

It was not a good thing for Newberry college when Prof. Jno. C. Goggans, Jr., resigned from the faculty, but it was a good thing for the Southern Power company, as he will have charge of the substations at Newberry, Union, Whitmire and Greenwood, and the lines extending from one to the other. CLOSES SUCCESSFUL YEAR.

Little Mountain School Holds Commencement Exercises—Essay Medal Awarded.

Little Mountain, May 24.—The Little Mountain high school came to the close of a very successful session last evening with exercises by the graduating class. Keister Counts, Bessie George and Wells Lowman were the three graduates to receive certificates of graduation. The address to the class was delivered by George Bell Timmerman, of Batesburg, solicitor of the Eleventh judicial circuit. Col. E. H. Aull, of Newberry, was present and delivered the medal, which he awards to that member of the high school who writes the best original essay. The medal was awarded to Olin Bundrick, of the ninth grade.

On last Sunday evening the Rev. Edward Fulenwider, of Newberry, preached a very interesting sermon to the student body and graduates in the Lutheran church. Tuesday evening the school auditorium was filled to overflowing by those eager to witness a play and the exercises held by the school children.

The school during the past session has been very efficiently managed by F. O. Black, assisted by Mrs. J. C. Swygert and Misses Ellie Jacobs and Ernestine Graichen.

CITY SCHOOLS COMMENCEMENT.

Exercises to be Held Wednesday, Thursday and Friday of Next Week—Attractive Program.

The closing exercises of the city schools will take place on Wednesday, Thursday and Friday evenings of next week.

The two literary societies of the high school will hold a joint meeting in the high school auditorium Wednesday evening, May 31, at 8.30. The exercises will begin promptly at the time set. On Thursday evening in the same building will be held the grammar school commencement, which will include exercises by members of the graduating class, and an address by Hon. J. H. Craig, of Anderson, who will also present the medal offered by Trustee J. Marion Davis to the first honor member of the class.

On June 2, at 8.30 p. m., in the city opera house, the regular high school commencement will be held. Six graduates will receive diplomas and one member a certificate. The graduates are: Misses Kitty Mayes, Louise Jones, Margaret Burton, Leila Dennis, Geneva Thornton, Robert Porter, who will receive diplomas, and Miss Brooks Dennis, who will receive a certificate.

Mr. Robert Porter has been awarded first honor, and will receive the handsome medal offered by Hon. Otto Klettner, chairman of the board of trustees.

Dr. S. C. Mitchell, president of South Carolina university, will be the orator of the evening. Dr. Cromer will present the medal offered by Trustee Jno. H. Wicker for the higher grade in mathematics in the high school. Dr. Houseal the Klettner medal, and Mr. W. A. McSwain the medal offered by Mr. I. H. Hunt for the best standing in history in the high school.

The first two exercises will be in the high school, and as the seating capacity of the auditorium is limited, the admission will be by cards given by the students. To the high school commencement the public generally is invited, and their presence will be appreciated, and it is regretted that the circumstances are such that a general admission to the other exercises is impossible.

The board of trustees held a meeting on Wednesday evening to fill the vacancy of Latin teacher in the high school caused by the resignation of Miss Marshall, of Anderson.

A large number of applicants were before the board. Miss Eliza I. Mabry, of Abbeville, was elected. Miss Mabry has had four years' experience in teaching, and three years' experience in teaching high school Latin, and comes specially recommended by Dr. D. B. Johnson, president of Winthrop college, from which school Miss Mabry was graduated four years ago. Miss Mabry comes highly recommended by some of the finest educators in the State, and the board considers it self fortunate in securing her services as Latin teacher for the high school.

Church of the Redeemer.

(Rev. Edw. Fulenwider, Pastor). Nothing preventing, the following program of divine services will be observed at the Lutheran Church of the Redeemer next Sunday:

11 a. m.—There will be the regular morning service with a sermon by the pastor on the subject: "Some Limitations of Prayer." Some times Christians become perplexed because their prayers are not answered as prayed. Many become discouraged, and hence careless in prayer. Some interesting and timely thoughts on the subject will be presented.

8.15 p. m.—There will be a praise service. The subject of the sermon will be: "The Hen and Her Chickens." Text: "O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings, and ye would not." Matt. 23:37. This is a simple and homely illustration of a great and important truth. It is very significant to note that this illustration is used in two of the greatest books in the world—the Bible and "Bunyan's Pilgrim's Progress." Some very practical and important lessons will be presented in the sermon. There will be good music. A cordial invitation to all the services is extended the public.

Died in Saluda.

Mr. Lon Bouknight, 27 years old, son of Mr. Pink Bouknight, formerly of Newberry, died at his home in Saluda county Wednesday afternoon with typhoid fever. He was buried at Emory Chapel, Saluda county, Thursday afternoon at 2 o'clock.

The union meeting will be held at Mt. Zion Baptist church on the fifth Saturday and Sunday in July, 1911.

NEWBERRY RAILWAY OFFICIALS.

Mr. A. I. Sheely Appointed Ticket Agent at Union—Mr. Robinson Receives Flattering Offers.

Mr. A. I. Sheely, who has acceptably and efficiently filled the position of assistant ticket agent at the union station here, has been appointed ticket agent of the Southern railway at Union, and left on Wednesday, accompanied by his family, to assume the discharge of the duties of his new position. This is a well-deserved promotion for Mr. Sheely, and while the people of Newberry and the patrons of the railroads regret to see him leave this city, they are glad that he is gaining promotion in his work, and wish for him much success in his new field.

Union Ticket Agent G. L. Robinson has had two very flattering offers by the Southern recently, the positions which were offered him being distinct promotions. The last was the offer of the position of night ticket agent at the union station in Charleston. Mr. Robinson has not yet decided whether or not he will accept the position. It is very much hoped by the people of Newberry that he may see his way clear to remain here. Mr. Robinson is one of the most capable and courteous railway officials Newberry has ever had. He is thorough in the discharge of his duties, and at the same time he always takes pleasure in giving information or in putting himself at the service of the traveling public in any way he can.

A man of Mr. Robinson's stamp will command promotion, and the people of Newberry are delighted in every success which is his, but they would like to see Newberry grow fast enough that Mr. Robinson might receive his promotion by staying here.

Mr. L. P. Goza, who graduated this week at the Chapin high school, succeeds Mr. Sheely as Mr. Robinson's assistant at the union station. Mr. Goza is a young man of energy and of pleasing personality.

NEWBERRY MAN'S BRAVE ACT.

Dr. L. A. Riser, of Leesville, Stops Runaway Horse, Sustaining Very Painful Injuries.

Leesville, May 24.—Yesterday afternoon, about 6 o'clock, a horse belonging to two fruit-tree agents from Tennessee ran away here. The horse started running on the eastern edge of town, and came through Main street, hitched to a buggy. At H. I. Hendrix's store the horse turned west, and made directly for a crowd of children, who were playing in the street, all unconscious of their danger. Dr. L. A. Riser was sitting in his buggy in front of the Hendrix hotel, out of danger, but seeing the danger of the children, he jumped in front of the mad animal, in an attempt to turn it out of its course. He did this, but as the animal turned the buggy went over and knocked the young man down. He caught under the buggy and was dragged several yards. Finally the horse broke loose from the buggy, and Dr. Riser was able to get out with one knee skinned, his head bruised and his left arm broken just above the wrist. There was not another doctor in town at the time, but Drs. Gibson and Timmerman came from Batesburg and set the fracture. The patient is doing well.

No braver thing than Dr. Riser's action has ever been seen in Leesville. There were about ten children, all small, on the grass in the park, and the horse was running directly for them. Dr. Riser was in no danger where he was, but he saw that some of the children would be crushed unless he saved them, and he did his best, absolutely regardless of danger to himself. Needless to say, the people whose children were saved by his action will not soon forget him.

SMITH IS NAMED.

Charleston Man Appointed to District Bench—Is a Prominent Attorney.

Washington, May 24.—President Taft late today announced the appointment of Henry A. M. Smith, of Charleston as district judge of South Carolina. Mr. Smith is a Democrat.

Judge Smith will succeed Judge Wm. H. Brawley, who retired recently on attaining his 70th birthday. Judge Smith is in his 58th year, a lawyer of great learning and ability, and has practiced for more than 35 years. The new judge comes of a splendid family; is a man of the most exemplary personal character, and is closely associated with the best of the history of South Carolina.

"His circumstances are such that the emoluments of office have no attraction for him," says the statement, "but at the suggestion of the president he has consented to accept the appointment."

CORN CULTIVATOR OFFERED.

International Harvester Company Will Give Prize in Boys' Corn Contest.

Through the efforts of Mr. J. B. Mayes, president of the Newberry chamber of commerce, the International Harvester company has consented to offer a corn cultivator as a prize in the Corn Growers' contest in this county.

Mr. J. N. Causley, representing the International Harvester company, was in Newberry this week and called on Mr. Mayes, and made arrangements for the offer of this prize. The cultivator will be on exhibition at the office of the Summer-Wise Stock company.

Mr. Mayes, as president of the chamber of commerce, is doing everything that he possibly can to create closer relations between the country and the town, and as a public spirited citizen, is interested in advancing the interest of the rural community.

The International Harvester company is one of the largest concerns in the country, and their generosity in offering this prize is appreciated by the chamber of commerce and by the citizens of the county generally.

MANAGER LAVENDER.

The Motion Picture Show at the Old Court House a Good Thing.

The people of Newberry are enjoying and appreciating a run of motion pictures as managed and exhibited by Mr. D. R. Lavender, who came to this city to please the public with a good display of the finest scenes and incidents in the moving picture business. He has not only entertained the public of Newberry in this line, but by his generosity and public spirit in aiding movements inaugurated by the ladies for worthy beneficial purposes, he has gained a warm place in the great heart of the community. Mr. Lavender's motto seems to be: "Live and let live." He has to make a living by his shows, that's his business, but at the same time everybody knows that he has been exceedingly liberal in his dealings with the amusement-loving public, which is standing him good at present. It pays to be generous and accommodating. And people remember it.

DEMAND TRIAL.

Black, Tatum, Towill and Boykin Make Demands—Wish to be Vindicated.

Columbia State, 25th.

In Richland county court yesterday John Bell Towill, W. O. Tatum, John Black and L. W. Boykin, formerly directors of the South Carolina State dispensary, demanded, through their attorneys, that the cases now pending against them be tried. It was their contention that they were arrested in 1907, indicted in 1909, have not been given a trial on the charges now pending, although they have never asked a continuance and have been ready to stand trial at each term of court.

W. H. Cobb, solicitor, notified the court, for J. Fraser Lyon, attorney general of South Carolina, that the State was not ready for trial at this term. Judge Robert Aldrich, the presiding judge, then ordered Solicitor Cobb to confer with Mr. Lyon and report at the current term of court if the State would be ready at the next term.

Death of Mrs. Sallie F. Boag.

Mrs. Sallie F. Boag, a former Newberrian, died on Monday at Peakskill, N. Y. Mrs. Boag was a native of Newberry, and a Miss Miller before her marriage. Some twenty years ago she accepted a position in the treasury department in Washington, and until about a year ago continued to discharge the duties of the position, but on account of failing health and advanced years was forced to retire.

She was on a visit to friends and relatives of this county during last year, and the news of her death will be received with sadness by her friends. She is survived by one son, who lives in New York.
