The Rayo Lamp

The Lamp That Saves The Eyes

Children naturally never think of possible strain on their eyesight when poring over a fascinating book. It is up to you to see they do not ruin their young eyes these long evenings by reading under a poor light. The Rayo Lamp is an insurance against eye troubles, alike for young and old.

The Rayo is a low-priced lamp, but it is constructed on the soundest scientific principles, and there is not a better lamp made at any price. It is easy on the eye because its light is so soft and white and widely diffused. And a Rayo Lamp never flickers. Easily lighted without removing shade or chimney; easy to clean and swivel. Solid brass throughout, with handsome nickel finish; also in many other styles and finishes. Ask your dealer to show you his line of Rayo lamps; or write for descriptive circular to any agency of the

Germs Spread in Skin

Eczema, Psoriasis and other skin troubles are caused by myriads of germs at work in the skin. Unless these germs are promptly destroyed they rapidly multiply, gnawing their way deep into the sensitive tissue. This is what causes that awful itch, and what seemed a mere rash may grow worse and develop into a loathsome and torturing skin disease with its years of misery. Don't take any chances! Destroy the germs at the beginning of the trouble with that soothing and cleansing wash, the D. D. D. Prescription for Eczema. A 25c bottle will prove this to you. We have had experience with many remedies for skin trouble but have never seen such remarkable cures as those from D. D. D. Prescription. Instant relief from the very first application. We are so confident that D. D. D. will reach your case that it will cost you nothing if the very first full size bottle fails to make good every claim. If you have skin trouble of any kind, we certainly advise you to drop in and investigate the merits of D. D. D. anyway. We know that D. D. D. will help you.

TRAGIC DEATH OF AUTO RACER.

McNay Victim of Fatal Crash on Savannah Course—Preceded by Less Serious Accident.

Savannah, Ga., Nov. 20.—Choosing a ditch at the side of the course in preference to plunging into a heavy wagon, which suddenly loomed before him on the "S" turn on the automobile course here this morning, Jay D. McNay, the California automobile racing driver, chose death, for his little, low built Case car ended its course against a tree, and the driver was taken from the wreck as he breathed his last.

The accident occurred on the first practice day for the automobile races of Thanksgiving week.

Joe Dawson Hurt.

Only a short while before McNay drove to his death, Joe Dawson, the youthful automobile driver, who had just yielded the wheel of his Marmon racer to Joe Nikrent, another driver, was hurled from his seat, when Nikrent chose the banked side of the course to avoid a collision with a touring car, which appeared suddenly from around a curve on Whitefield avenue. Dawson catapulted over Nikrent's head and fell to the turf unconscious. At the hospital to which he was taken it is said his condition may not prevent his appearing in the Vanderbilt and Grand Prize races, in which he is entered. No bones were broken.

The touring car which caused Dawson's injuries caused Driver "Billy" Knipper to stop his car so suddenly that W. F. Barnes, Jr., was unable to

stop his mount in time and rammed Klipper's car. Both cars, Mercers, were badly damaged, but the drivers were unhurt.

Soon to Have Wedded.

Physicians at the hospital, to which McNay was hurried, though life appeared extinct, stated that his death probably was caused by concussion of the brain and internal injuries. His ear was crushed together like an accordion and the steering wheel was jammed into McNay's breast. A peculiarly sad feature of the young driver's death comes with the statement that his marriage was set for the week following the races here.

During the practice today, Ralph De Palma, a Vanderbilt cup entry, circled the course for one lap at the rate of 70.9 miles an hour.

BLEASE ARGUES FOR CARLISLE.

Contends Convicted Newberry Ex-Banker Should Have New Trial.

Richmond, Va., Nov. 21.—Gov. Cole L. Blease, of South Carolina, consumed less than half an hour today in arguing for his client, Milton A. Carlisle, former president of the National Bank of Newberry, S. C., convicted of misapplication of funds, before the United States circuit court of appeals. The governor's associate, Fred. H. Dominick, Esq., opened the argument, urging that the verdict of the district court of South Carolina be sustained, were presented by District Attorney Ernest F. Cochran.

argument he laid stress on the point that the indictment against Carlisle was not read to the trial jury, after it had been sworn, and brought out the fact that this is contrary to the rules of practice in the Federal court.
