The Colone's Letter.

"It gives me great pleasure to state that I have just recovered from a severe attack of chronic Gastritis. Nothing could be retained on my stomach during my illness. Not even milk. I was reduced from 185 lbs. to 145 in 7 weeks. Nothing did me any good. My son insisted that I should try Duffy's Pure Malt Whiskey, which had cured him. It stayed on my stomach, and I was able to take a little milk with it. It acted like magic, and in a few weeks I was able to take solid food without distress. I soon regained my weight, my stomach is sound, my general health was never better. And I owe my cure to Duffy's Pure Malt Whiskey."

MEDICINE

No medicine in the world can show a larger list of actual cures than Duffy's Pure Malt Whiskey—over 4,000,000 complete cures in 50 years. Lots of so-called "cures" make you feel better for a while but the effect soon passes off. Duffy's actually and positively cures you. 7,000 doctors prescribe it and 2,000 hospitals use it exclusively. Duffy's alone will cure you and keep you well. It is scientifically dis-

tilled from carefully se-lected malt, and is guar-anteed absolutely free from fusel oil, so gen-erally found in other It begins by killing the disease germs and driving them out of the system. And it does it all in a quiet, easy, natural manner, with-out leaving any disease out leaving any disease combinations behind it. It is the only whiskey recognized by the Gov-ernment as a medicine, which is of itself a strong guarantee.

CAUTION.—When you ask for Duffy's Pure Malt Whiskey be sure you get the genuine. Unscrupulous dealers, mindful of the excellence of this preparation, will try to sell you cheap imitations and malt whiskey substitutes, which are put on the market for profit only, and which, far from relieving the sick, are positively harmful. Demand "Duffy's" and be sure you get it. It is the only absolutely pure Malt Whiskey which contains medicinal, health-giving qualities. Duffy's Pure Malt Whiskey is sold in scaled bottles only; never in flask or bulk. Look for the trade-mark, the "Old Chemist," on the label, and be certain the seal over the cork is unbroken. Beware of refilled bottles.
