

# FARMERS.

The splendid values we are offering you should induce you to equip your farms with the most up-to-date plows and implements. Our stock of Turn Plows is without doubt the best ever brought to this market, both in value and variety. We will be glad to have you inspect them. We have all the various kinds of Guano Distributors and other articles usually found, and are offering you for the second season the Oleo Cotton and Corn Planter. The Southern Cultivator, a farm journal published in Atlanta, Ga., most highly recommends this planter. It is both cotton and corn, and parts to which we sold in our county last season are loud in their praise of this machine, aside from the splendid results to be obtained by the use of this machine in planting. It is well made of the best steel and casting and will last for many years. We will cheerfully furnish names of purchasers last season for reference.

## MILL SUPPLIES.

We continue to sell lots of mill supplies. We always have in stock such fittings as are most wanted and can start you up in short order. We cut pine up to two inches. We have lately added to our stock Circular Saw Teeth for inserted tooth saws. We carry in stock the best quality of Lace Leather, Plaster Packing, Sheet Packing, Babbitt Metal, and Lubricating Oil. All at the lowest prices.

## PAINT YOUR HOUSE.

It will improve your property more than any other investment. A thousand dollar house well painted looks far more attractive than one many times its value not painted. We have the very best grades of paint at prices that will interest you.

## HOUSEKEEPERS.

We have most beautiful Floor Stains. Let us induce you to stain the floor of one room and note how much easier it is to keep clean than the others. It will be only a question of time when all your floors will be stained. Floor paints and stains are mixed and ready for use. You have only to brush the paint on the clean floor and the work is done. It dries quickly.

The splendid values we are now offering in O. K. Cook Stoves continues to bring us customers. There is nothing like O. K. Cook Stoves made for the same money. The handsome appearance, the splendid workmanship displayed in their make-up, the fine quality of the iron used in the castings, all go to make the O. K. Cook Stove what it is, the best Cook Stove ever offered for the money.

Very truly yours,
