### GIVES IT CREDIT FOR SAVING CHILD'S LIFE

Tells of "Most Awful" and "Most Wonderful" Things He Ever Saw.

#### "BLEEDING TO DEATH"

"We Had About Given Up Hope," Says Father, Expressing His Gratitude for Aid.

"I believe Tanlac just saved my daughter's life, for she was in an awful condition when she began taking it and the doctors had said they had tried their last remedy," was the highly interesting statement made by Mr. O. T. Ferguson, of Anderson, in the endorsement he gave Tanlac on February 28th. "My daughter suffered from a very bad case of some trouble that was like bloody diarrhea. She bled continually for five months despite all we could do, and she suffered agony, too. She was just bleeding to death, that is the only way I can describe it, and the loss of blood had sapped her strength until I had to life her in and out of bed.

"We had doctors attending her and they did all they could and finally they said they had tried their last remedy, and I could not say that she was any better than when they started treating her. We had about given up hope and I had begun to fear that my only child would never get well.

"My mother-in-law had been urging me to try Tanlac for my daughter, and at last I bought a bottle, as the doctors had said they had done all they could. When the bottle had been taken she was in pretty good condition generally and wonderfully improved. She gained a lot of strength, too.

"My daughter's trouble was the most awful thing I ever heard of, and the way Tanlac helped her was one of the most wonderful things I ever saw or heard of. My daughter was put on the road back to strength and improved health by Tanlac, and she soon was able to be up and doing light work around the house. She is in good health, and it is all due to the good Tanlac did her."

Tanlac, the Master Medicine, is sold by Dickson's Drug Store, Manning; L. W. Nettles, Jordan; Shaw & Plowden, New Zion; Farmers' Supply Co., Silver; D. C. Rhame, Summerton.—Adv.

### DE FACTO TROOPS GOING TOWARD BORDER.

United States Army Officers Not to Be Caught Napping by Carranza's Men.

El Paso, Texas, April 5.—De facto troops in the States of Nuevo Leon, Coahuila and Chihuahua have begun a general movement toward the American border, according to highly reliable information received here tonight. The movement in these three border States has been officially reported to Washington and is being watched closely.

In Chihuahua a movement is being made in a northwesterly direction by Gen. Murguia's troops; the reason given by Carranza officials being that it is an offensive campaign against Villa.

### NO FEAR OF INVASION

Little Danger to Be Apprehended From Mexico.

Washington, April 5.—The war department's comprehensive border reports show no indication of a general northward movement of Mexican troops and officials have no fear of an attempt at invasion. Recent investigations have shown, army officers say, that the Mexicans in that section are too poorly organized and equipped to do serious damage.

## THE World Needs Food.

Short Crops of food products, coupled with increased consumption throughout the world, calls for an increased production of Hay, Cereals, Vegetables, Meats, Fowls, Butter, Eggs, Fruits, etc.

Americans must make extra efforts to feed, not only themselves, but assist in feeding the world. There is danger that a famine may prevail in parts of the world.

Let the people eliminate, as far as possible, all waste of food stuffs and wherever practicable plant acres and small patches of cereals, vegetables and fruits, and give closer attention to the production of fowls, eggs, milk, butter, meats, etc.

Food will be scarce, and correspondingly high, by reason of the world's demand.

### ENGLAND CLASPS HANDS WITH UNITED STATES

British Premier Says America Has Become World Power in New Sense.

#### PRAISES WILSON'S SPEECH

Says President's Words Make Clearer Than Ever Goal Allies Aspire to Reach.

Premier Lloyd George today gave to the American newspapers in behalf of the war Cabinet the following:

"America has at one bound become a world power in a sense she never was before. She waited until she found a cause worthy of her traditions. The American people held back until they were fully convinced the fight was not a sordid scrimmage for power and possessions, but an unselfish struggle to overthrow a sinister enemy against human liberty and right.

#### Grim Conflict.

"Once that conviction was reached the great republic of the west has leaped into the arena and she stands now side by side with the European democracies who, bruised and bleeding after three years of grim conflict, are still fighting the most savage foe that ever menaced the freedom of the world.

"The glowing phrases of the President's noble deliverance illuminate the horizon and make clearer than ever the goal we are striving to reach.

#### Three Phrases.

"There are three phrases which will stand out forever in the story of this crusade. The first is that 'the world must be made safe for democracy,' the next 'the menace to peace and freedom lies in the existence of auto-

cratic governments backed by organized force, which is controlled wholly by their will and not by the will of their people,' and the crowning phrase is that in which he declares that 'a steadfast concert for peace can never be maintained except by the partnership of democratic nations.'

#### Sustaining Words.

"These words represent the faith which inspires and sustains our people in the tremendous sacrifices they have made and are still making. They also believe that the unity and peace of mankind can only rest upon democracy.

"To all of these the Prussian military autocracy is an implacable foe.

"The imperial war Cabinet, representative of all the people of the British Empire wish me on their behalf to recognize the chivalry and courage which call the people of the United States to dedicate the whole of their resources to the greatest cause that ever engaged human endeavor."

### SEASHORE HOTEL BURNS IN EARLY MORNING FIRE

The Seashore hotel of the Charleston-Isle of Palms Traction company was burned to the ground yesterday morning by a fire that had its origin under the most peculiar and mysterious circumstances, at a time when it was rumored the building was soon to be taken over by the United States as a concentration point for soldiers.

James Sottile, head of the company operating the hotel, was not prepared yesterday to make any statement as to the plans for rebuilding, but it was assured the resort would be opened this summer, as the pavilion and other popular attractions were in no way damaged.

The hotel and its furnishings were valued at approximately \$90,000. It
