

Memorial Service Sunday, November 16

For the White Soldiers from Clarendon Who Fell in the Great War

The public is invited to a memorial service at the Manning school, Sunday afternoon, November 16 to pay a tribute to the memory of the valiant soldiers from this county who died overseas. Parents and friends of the soldiers are requested to send to Charlton DuRant, Chairman, the name and a brief sketch of each man who died in the service of the United States at home or abroad or while associated with any of the Allies.

At the Memorial service the roll of Clarendon's dead will be called and a sketch of each man will be given. After this there will be a statement by one of his fellow soldiers reciting the circumstances under which the fallen soldier met his death. There will be no oration. Instead of a long address the simple recitals of the battles by our boys who took part will bring vividly to the minds of the audience the great war as seen by those who did the fighting.

Let every man appear in uniform as a special mark of respect to his fallen comrades.

The Public is invited to the school house where the soldiers will appear in a body at 3:30.

Every man from Clarendon County who served in the army, navy, or marine corps of the United States (including air service) during the world war, whether at home or abroad, is requested to appear IN UNIFORM at the Graded School building, Sunday afternoon November 16, at 3:30 o'clock, for the memorial service.

We have decided that preliminary exercises at Court House square are impracticable.

The 48th Infantry Band from Camp Jackson Will Furnish Music.

GRACE IS NOT NOMINEE SAYS SUPREME COURT

Justice Watts Dissents on Ground
That Case Is Political,
Not Judicial

RESULT NOT ASCERTAINED

Proceedings of City Body Were Prejudicial to Mr. Hyde's Interests

Columbia, Nov. 11.—Holding that the action of the Charleston City Democratic Executive Committee, in the manner in which it declared John P. Grace the Democratic nominee for Mayor of Charleston on August 22, was illegal and prejudicial to the incumbent Mayor, T. T. Hyde, the State Supreme Court, in a majority opinion handed down this morning—shortly after 11 o'clock set aside the nomination.

Nominee Not Determined.

"From what has been said," the majority opinion sums up in its conclusion, "it is clear that we cannot determine from the record before us which of the candidates for Mayor received the majority of the votes that were and ought to have been counted. We cannot therefore sustain the contention of the petitioner that the court will consider the votes and declare the election. Nor can we sustain the contention that, in the absence of a declaration of the executive committee, the count of the managers should be sustained as a declaration of the results. Under the statutes and rules the managers were not authorized to declare the result. That was for the executive committee, and it has not done so according to law. It follows that all we can do is to hold that the result of the election has not been legally ascertained and declared, and that the actions of the executive committee in attempting to do so were affected by errors of law, prejudicial to the petitioner, Hyde, and must be set aside, and it is so adjudged."

The majority opinion was written by Associate Justice D. E. Hydrick and was concurred in by Chief Justice

Eugene B. Gary and Associate Justice T. B. Fraser. A dissenting opinion, written by Associate Justice Richard C. Watts was concurred in by Associate Justice George W. Gage.

Justice Watts dissented on the grounds that the Charleston election case was political and not judicial, and for that reason, was without the jurisdiction of the Supreme Court. "As nothing is involved in this but political rights, I am opposed to the court interfering in any form," he said.

Other Petition Thrown Out.

The majority opinion dismissed the petition of W. P. Sellers and Thomas B. McCarthy, Hyde candidates for Aldermen, because, said the opinion in substance, the face of the returns showed clearly that John P. Michel and F. H. Bold, their Grace factional opponents, had been nominated by such majorities that they would not be overturned even if the contested and disputed 91 votes before the executive committee had been counted for Sellers and McCarthy. The petition of John I. Boykin and some 40 other Hyde voters challenged by Grace supporters, was dismissed.

T election for the nomination of Mayor and 24 Aldermen for the City of Charleston, as shown by the majority opinion, held on August 19, resulted on the face of the returns in a majority of one vote for the incumbent Mayor T. T. Hyde, the result being that Hyde received 3,421 votes and Grace 3,420 votes. In addition there were 77 challenged votes from the city at large and 14 "mutilated ballots" from Ward 12 which were not counted but which were segregated and left to the decision of the executive committee.

Met at Hibernian Hall.

The executive committee met at Hibernian Hall, a large building on Meeting street, Charleston, on August 22, for the purpose of declaring the result, which was done the following morning at 5:30 o'clock. W. Turner Logan, chairman of the committee, separated the Hyde and Grace challengers and challenged voters, placing the latter within the hall and the former in the street without a tall iron fence which separates the grounds of

MRS. FRANK RAWLINSON GIVES BRIDAL SHOWER

Jordan, Nov. 10.—At her beautiful home, Saturday afternoon, Mrs. C. Frank Rawlinson entertained a number of friends in honor of Miss Virginia Wilson, the event being in the form of a kitchen shower. The spacious hall, library, music room, and dining room were tastefully decorated with ferns, chrysanthemums and potted plants. The color scheme, pink and white, was carried out in the decorations, favors, and refreshments.

The guests were each presented with a miniature basket of rice with which they showered Miss Wilson as she entered. An interesting contest was engaged in, the answer to each question being the name of a kitchen utensil. So many were successful in answering that the hostess presented the bride-to-be with the prize, a handsome percolator. After the contest each guest was asked to write her favorite recipe; these were presented to Miss Wilson also. A large heart was pinned on the wall and each guest blindfolded, attempted to pin an arrow in the center of the heart. When Miss Wilson was blindfolded she was led into the dining room by little Miss Pauline Hawley, niece of Mrs. Rawlinson, to view the shower of beautiful and useful gifts banked on the dining table. Delicious refreshments were served in three courses.

She went to the reception expecting its object to be meeting Mrs. F. M. Hawley, of Olanta, sister-in-law of the hostess, and was greatly surprised to find the event a shower in her own honor.

ANOTHER REPORTED DYING

Furious at Death of Former Warriors, Citizens Storm Jail to Get Murderers.

Centralia, Wash., Nov. 11.—Wayman Grimm, Centralia lawyer and Ben Cassagrande, Centralia real estate man, died late today from wounds received when Industrial Workers of the World fired on an Armistice Day parade here today. The death list early tonight stood at three, Arthur McElfresh having been killed instantly. All were overseas men. Nale Hubbard, one of the six men wounded, was reported dying. The other wounded will recover, it was said. All the killed and wounded were overseas veterans.

Sixteen alleged Industrial Workers of the World were arrested early tonight and more were being placed in jail as fast as they could be found. Former soldiers were guarding the jail to keep the prisoners from a mob which crowded around the building.

Immediately after the shooting a crowd of spectators and marchers seized a man they believed to be the ringleader of the I. W. W. They put a rope around his neck threw the rope over the cross-arm of a telephone pole and started to haul him up. He was in the air only a brief period before the chief of police prevailed upon the crowd to let him down. Tonight the war was in jail here, nearly dead.

Headed by Veterans.

The whole city had turned out to celebrate the anniversary of the suspension of hostilities and a large parade was formed headed by the city's boys who had helped bring about the glad day a year ago. Wearing the uniforms that sheltered them in the trenches of France and on the picket lines of the German border, the service
