### OLDER THAN UNITED STATES

Stones Used to Mark Mason and Dixon's Line Were Brought From England.

Pittsburg, Pa.—The name "Mason and Dixon's Line" has been popularly applied to the whole divisory line between free and slave soil, but properly it belongs only to the south boundary of Pennsylvania, surveyed by

Marks a Boundary Line.

Charles Mason and Jeremiah Dixon, 1763-67.

For over 100 years this line was a "bone of contention," and England finally sent Mason and Dixon to the colonies to make an official survey which was to be final.

At the end of every fifth mile of this line a stone, brought from England, was placed, engraved on one side with the coat of arms of Lord Baltimore, and on the other with those of the Penns; while the intermediate miles were marked by smaller stones, 16 inches square and 18 inches high, bearing a large letter M on one side and P on the other. The line is 28 miles long.

### BILIOUS SPELLS NO LONGER DANGEROUS

Dodson's Liver-Tone is a Safe Medicine to Take the Place of too Powerful Calomel.

In the days when calomel was the only liver remedy, a torpid liver, or a spell of biliousness was a serious thing. Calomel is a powerful mineral substance that compels the liver, no matter how weak it is, to do its work, but does nothing to strengthen the liver and a large dose — sometimes the usual dose — may cause salivation. Dodson's Liver-Tone is a builder that strengthens the liver while making it do its work. It is entirely vegetable, pleasant to take, has no bad after-effect and is perfectly suited for children as well as grown people. You don't have to be careful what you eat.

Ladd's Drug Store will sell you a bottle and guarantee it to give you perfect satisfaction. If it doesn't you can get your money back simply asking for it.

### WIFE OF CANADA'S PREMIER

Charming and Gifted Helpmeet of the Dominion's Distinguished Prime Minister.

Ottawa, Can.—In Mrs. Robert Laird Borden, wife of Canada's prime minister, the Dominion has a society leader who is famed not only for her tact and charming disposition, but for her intellectual qualities.

Mrs. Borden.

Her knowledge of public affairs would do credit to a statesman and it is said that her distinguished husband places the utmost confidence in her judgment. She is an exceptionally well-read woman, being especially interested in books which deal with the lives of men who have made the world's history. But it is not to be presumed because Mrs. Borden's tastes lie along serious lines that she is in any way lacking in the grace of manner and interest in purely feminine matters which distinguish the true woman. On the contrary she takes the keenest delight in society affairs, having for years been the central figure in the winter festivities for which Ottawa is noted. She has gathered about her a coterie of distinguished and clever friends and her entertainments are considered the most brilliant as well as the most informal given in the capital of the Dominion. Sympathetic, gracious and thoughtful for the comfort of her guests, no woman in Canada's public life is more deserving of appreciation than the wife of the prime minister.

Before her marriage, Mrs. Borden was Miss Laura Bond of Halifax. She was married in 1889, seven years before her husband first entered parliament. She takes a deep interest in women's work and for years was president of the Halifax Women's council. She has also been president of the Aberdeen association, vice-president of the Canadian Women's Work exchange and corresponding secretary of the Associated Charities of the United States.

### KANSAS TAR PARTY JAIL

Where Several Members of the Crowd Who Mistreated Miss Chamberlain Now Reside.

Lincoln Center, Kan.—The jail on the court house common at Lincoln Center, Kan., had been without a single prisoner and the county authorities were about to convert it into an engine room when the now famous "tar party" shady bend occurred.

Ed Ricord, the decoy, who rode with Miss Mary Chamberlain to the rendezvous for the tarring, and several others of the party now occupy the building. The front window seen in the picture lights the cell where Ricord now reads law.

The stone of which the jail and the court house of Lincoln county were built is native to the county. It was quarried for the two buildings from the hillsides near Lincoln Center.

Miss Chamberlain intended to bring suits for damages against all the participants in the tarring, but proceeded

ings were started for a compromise and it is said that \$25,000 is the least her attorneys would agree to accept in settlement.

The three men, E. C. Clark, Jay Fitzwater and Watson Seranton, who pleaded guilty, and John Schmidt, who was convicted, are worth in the aggregate more than \$100,000. Clark alone being rated in excess of \$50,000. Their pleas of guilty and the conviction of Schmidt leave them exposed for damages, and, it is said, that upon the advice of their attorneys they would compromise rather than to go into court where they might be stripped clean.

### HOW TO CURE RHEUMATISM

It Is An Internal Disease And Requires An Internal Remedy.

The cause of rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. RUBBING with Oils and Liniments WILL NOT CURE, affords only temporary relief at best, causes you to delay the proper treatment, and allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatism than paint will change the fiber of rotten wood.

Science has at last discovered a perfect and complete cure, which is called Rheumacide. Tested in hundreds of cases, it has effected the most marvelous cures; we believe it will cure you. Rheumacide gets at the joints from the inside, sweeps the poisons out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide strikes the root of the disease and removes its cause. This splendid remedy is sold by druggists and dealers generally at 50c. and \$1 a bottle. In Tablet form at 25c. and 50c. a package. Write to Bobbitt Chemical Co., Baltimore, Md. Booklet free. Tablets sent by mail.

May Be Made Strong at Small Expense and No Risk

There are hundreds of women in this vicinity, weak, thin, run-down, tired out and nervous. Such women need Vinol just as much as did Mrs. Jane Pepper, of 2307 Howard street, San Francisco, Cal., who says:

"I have used Vinol for some time with particularly gratifying results. I was run down, weak and debilitated, and my appetite was gone. After taking several bottles of Vinol I found my condition greatly improved, and do not hesitate to recommend Vinol to anyone similarly affected."

Vinol is not a secret nostrum, but a delicious cod liver and iron tonic without oil, which will create an appetite, tone up the digestive organs, make pure blood and create strength.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.
