ROUND TABLE MEETING

The Round Table, a department of the Woman's club, met yesterday afternoon at the home of Mrs. H. C. Ransom with Mrs. J. A. Meyer as joint hostess. Mrs. Albert Durham presided and the women to stand as a tribute to George Washington's birthday. Twenty-one members gathered to roll call and the following visitors were welcomed: Mesdames Claude H. Moser, James, John Delaplane and Miss Selmer Minott.

Mrs. J. W. Bailey was welcomed after her absence on account of illness, and a note was read from Mrs. Joseph R. Sevier, chairman of the club for the afternoon. The women then turned to the presentation of a letter from the Washington Society, which was read by Mrs. J. A. Meyer.

The club president, Mrs. John J. Porter, urged the women to attend the benefit-bridge at the Grand Hotel on Friday evening and to extend a pressing invitation to their husbands to accompany them. A nominating committee was appointed as follows: Mesdames A. C. Hewitt, William Lott and W. W. Carpenter.

Cairo, Egypt, was the topic for the afternoon's study. Mrs. J. E. Shipman's paper was an interesting one with two sub-headings: "The Streets of Cairo, the City of Mosques." A splendid paper was also given by Mrs. W. F. C. Bates, her subject being "The Banks of the Nile." The George Washington idea was carried out in the refreshments as cheese straws, shaped as snakes, cookies and Russian tea were served.

SENIOR G. A. MEETS

The Junior G. A. of the First Baptist church met yesterday at the home of the young president, Betty Jenkins. After the opening song the councilor, Mrs. W. F. Bowman, offered prayer. A patriotic program was given, the children giving a salute to the American flag, one to the Christian flag and a salute to the

WOMAN LOST 20 POUNDS IN 4 WEEKS

Ms. Mae West of St. Louis, Mo., writes: "I'm only 28 years old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment." If folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the safe, harmless way to reduce as thousands of men and women know. For your health's sake ask for and get Kruschen at Jackson Pharmacy, Wilson Drug Co., or any drug store—that cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back. Clara Bow Home With Own Ideas About Europeans

Cabinet Fell While She Was in Paris: "Made No Noise"

By H. ALLEN SMITH
United Press Staff Correspondent
NEW YORK, Feb. 23.—(UP). Clara Bow met a lot of counts and dukes on her first visit to Europe, she disclosed yesterday, but she can't remember offhand any of their names.

Interviewed in her suite at the Plaza, Miss Bow admitted that the war debt situation seems to be very serious. "The French," she explained, "have their ideas about the war debts and we have ours. So really there's no use of our talking about it. The government fell while we were in Paris. No, it didn't make any noise when it fell. It didn't actually fall down, you know. It lost the election. That's what they say—they say it fell, see?"

The red-headed screen star and her cowboy husband, Rex Bell, were immensely impressed by the tower of London.

"The guide," said Miss Bow, "knows the history of everything by heart. Of course he makes you sleepy now and then, but you wake up when he shows you the chair where the kings of England have been crowned for quite some time. And, my dear, the plush is entirely worn off!"

"Then they tell you a story about the changing of the guards. Of course that is quite an old custom and it seems they change the guards when they change the keys and the other guard says, 'who goes there?' and the guard says, 'the king's keys,' and the other guard says, 'what king?' and the first guard says, 'King George,' and then the other guard says, 'amen.'"

"So the new guard, instead of saying amen, 'sez you.' I thought it was a scream. But of course it sounds better in English accent."

Miss Bow believes that it is quite educational to travel. It's broadening, she explained, especially when you meet the right people. Most Americans who travel in Europe, she said, just don't seem to meet the right people.

When she left, the movie star weighed 118 pounds, but now she scales at 135. She intends to go in training and work it off, she said, so she can make a new picture.

"The German food," she said, "was just fatal! And the blinis! Those are Russian pancakes full of sour cream and caviar. The Italian food was very good to me, but I did not care for the French cooking. The French cook everything in wine. I like Kummel."

Of all the places she visited, Miss Bow said she likes St. Moritz the best.

"The French and Germans," she explained, "are practically civilized, so it's not much fun traveling there. I want to go to Egypt some time to see the Pyramids and the natives. They say the architecture is marvelous!"

DISORDERLY HOUSE CASES BEFORE MAYOR

Mayor A. V. Edwards this morning bound Mrs. Polly Stanton to the county recorder's court under \$500 bond on a charge of operating a disorderly house. Mamie Sizemore, charged with aiding and abetting in the operation of a disorderly house, was bound to the court under \$200 bond.

Six men were arrested at the house early this morning. V. E. Nichols was given 30 days on a charge of being in a disorderly house and Dave Spown, R. C. Jackson, W. C. Nesbitt, Herbert Smith and Roy Hart all of Tryon, were assessed the court costs on charges of being present at the house.

SCHOOL STUDENTS HEAR DR. POWELL

FLETCHER, Feb. 23.—Dr. W. F. Powell, pastor of the First Baptist church of Nashville, Tenn., spoke at the Fletcher high school on Tuesday afternoon to a crowd that completely filled the auditorium of the high school. All of the pupils of the school from the first grade through the high school heard him. A large number were present from Asheville and Hendersonville beside the people of the community.

After Dr. Powell had greeted old friends in an informal opening talk, he talked particularly to the pupils taking as his subject the Student Prince. He held their close attention giving many interesting stories and incidents which stressed the value of an education.

Baptist Meeting Is Nearing Close

Special Service for Old Friday Morning

A special service for people 70 years of age and over will be held Friday morning at the First Baptist church, with Dr. W. F. Powell of Nashville, Tenn., delivering the sermon on the subject, "When the Old Grow Young." This will be the last morning service to be held by the visiting preacher, and the service will begin at ten o'clock. While this service will be in honor of the older folks, all of the people are cordially invited to the meeting.

Dr. W. F. Powell

Three bouquets of flowers will be given to the older folks. One will be given to the oldest person present, one to the couple present who have been married the longest time, and the other to the family having the largest number of generations present at the service.

The revival will come to a close Friday night when Dr. Powell will preach on the subject, "I Take My Stand." In an effort to reach as many people as possible, he has been speaking to different groups over the county this week. Friday morning at 11:30 he will speak at the local colored school and Friday afternoon at 2:30 he will be at East Flat Rock high school. Capacity crowds have been attending the services at the First Baptist church and church leaders feel that great good has been accomplished.

GUINEAS ARE WATCHDOGS

COFFMAN, Ark.—(UP).—William Ballard, farmer here, has kept a flock of guineas 15 years as "watchdogs." He said they give a louder, more noticeable alarm when anything goes wrong.

MISS LEVA CORN IS THE BRIDE OF PAUL MCMURRAY

Of special interest to the east Hendersonville section is the recent announcement of the nuptials of Miss Leva Corn and Paul McMurray. The ceremony was very simple, having taken place in the courthouse on Saturday, Feb. 11, with Magistrate W. J. Whitman officiating. Only a few relatives and intimate friends of the bride and groom were present, those being, Mrs. J. G. Mills, and Miss Bernice Corn, sisters of the bride, Messrs. J. G. Mills and Glenn Shipman. The bride was very beautifully attired in a light blue crepe de chine dress. The groom wore dark blue.

The bride is the daughter of Mr. and Mrs. Vess Corn, he being a prominent citizen of the Mount Vernon section near Hendersonville, and the groom is the son of Mr. and Mrs. R. McMurray of Hendersonville. Mrs. McMurray graduated from the Dana high school at Dana in the class of '31. Prominent in school activities, she was one of the most popular girls in high school. She will be remembered as one of the three Corn sisters who performed so beautifully on the basketball court a few years ago.

The couple are making their home at present with Mr. and Mrs. J. G. Mills of Hendersonville, but expect soon to set up house keeping in the Laurel Park section. Mr. McMurray is an employee of Becker's bakery, where he has been employed for some time.

On Tuesday night the couple were presented with a lovely kitchen shower at the home of Mr. and Mrs. Cornwell of Barker Heights, following a lively serenade of the two. A perfect avalanche of useful gifts were showered upon the happy pair by their many friends. And a few nights previous a shower was presented to them at the home of Mr. and Mrs. Mills.

2 CAGE GAMES SET TONIGHT

Saluda and Edneyville Basketeers Split a Double Header

The Edneyville boys' and girls' basketball teams will meet the Travelers Rest teams in the city gymnasium this evening, the first game beginning at 7:30 o'clock. Close games are expected in both boys' and girls' contests. The Edneyville girls are undefeated and the Edneyville boys have lost but two games this season.

EDNEYVILLE AND SALUDA SPLIT

SALUDA, Feb. 23.—The Saluda and Edneyville teams divided a doubleheader here on Monday evening, the Edneyville girls winning 36 to 15 and the Saluda boys winning 29 to 26.

The Saluda girls entered the game with an inferiority complex on account of Edneyville's long series of wins extending over several years.

The Saluda boys, however, were little impressed with Edneyville's great record, and after the lead had changed hands seven times the local boys ended the game on the long end of the score.

LEAGUE HAS MEAGRE ADVICES ON ARMS

GENEVA, Feb. 23.—(UP).—The League of Nations will survive the serious blow of Japanese withdrawal despite the danger of war in the Far East and the league's apparent inability to prevent the conflict, league delegates believed today.

Although Japan's departure will definitely limit the league's authority and make it an international joke for the moment, it is believed that Japan eventually will be the greater sufferer.
