RELIEF WORK TRANSFERRED TO NEW BODY

Civil Works Administration Takes Over Employment Projects

APPROVAL OF NEW JOBS AWAITED HERE

Relief work in Henderson county, as in other counties of the state, has been supplanted by the civil works administration, it was announced this morning by F. S. Wilder, local relief director.

The local relief office has had added to its duties the administration of the civil works administration projects for this county. These CWA projects are to take the place of relief work projects beginning today.

An exception is made to those relief work projects which have already received formal approval. Projects formally sanctioned in Henderson county are the Red Cross sewing room and the construction of the county home.

These projects are automatically transferred to the CWA and will be paid for with funds supplied by the organization, after this week, according to the new rules. Work will continue on these projects.

On Saturday, Raleigh headquarters transferred all formally approved relief projects in the state to the CWA and they will be carried on under this administration. All other relief projects have been suspended, pending approval of new projects submitted.

Men working on relief projects will be transferred to CWA payrolls. Salaries range under this administration from 45 cents an hour for unskilled labor to \$1.10 for skilled labor. All men work a maximum of 30 hours a week.

Those persons on relief payrolls with applications that were made on or before November 16 will be put on CWA payrolls by the director of relief. All future applications must be made through the federal reemployment office at the city hall. No applications except for direct emergency relief will be made in the future at the relief office.

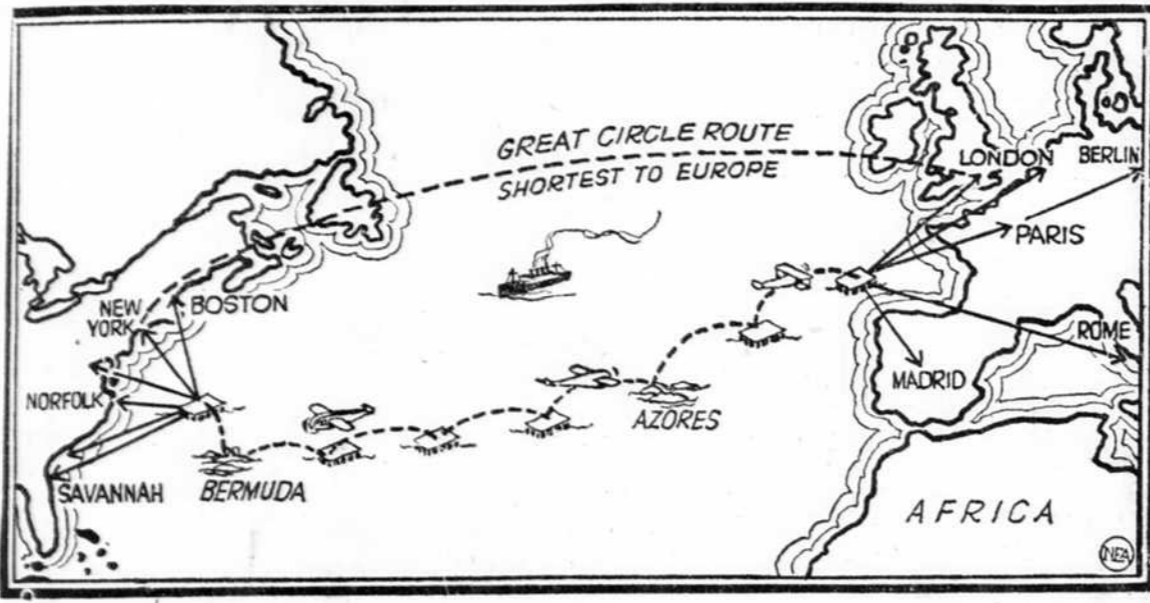

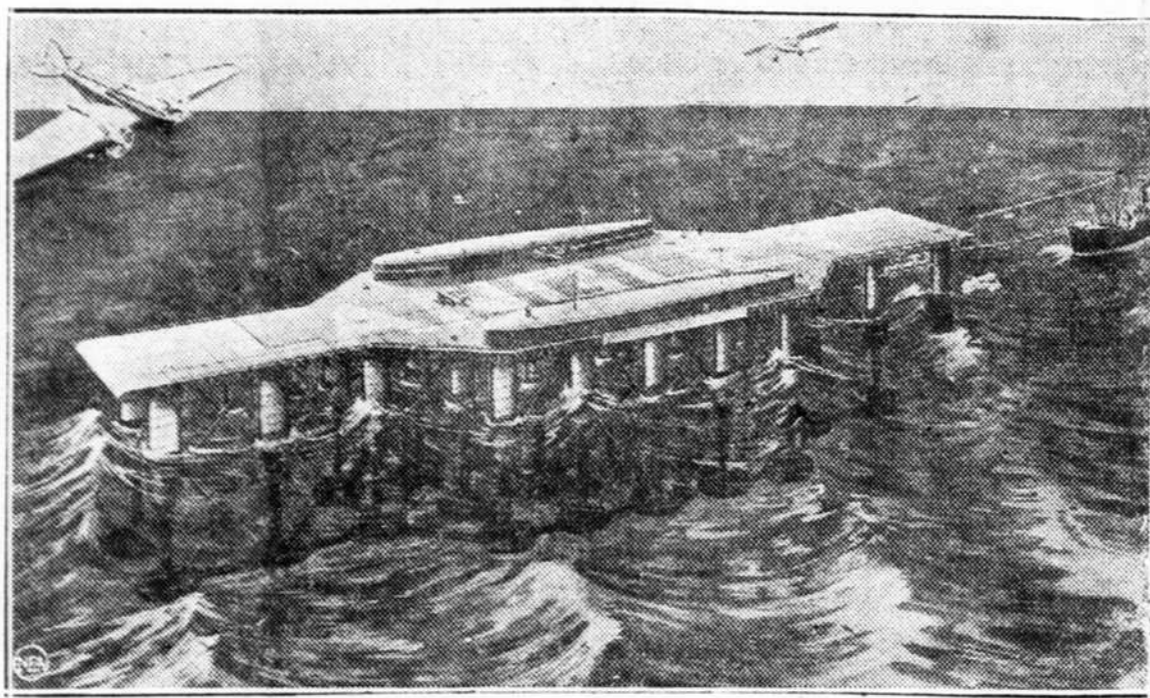

The relief office force is now busy working out the projects which must be submitted on forms sent out by the CWA. Notice will appear in this paper when approval of new projects is given from Raleigh. Payrolls will then be made out from names on the relief lists and workmen will be called to the relief office to receive their work orders.

WORK TO BE ALLOTTED ON BASIS OF NUMBER OF JOBLESS IN COUNTY

RALEIGH, Nov. 20.—The state highway and public works commission will have enough projects ready by tomorrow or Wednesday to start immediately under the civil works program of the federal government, Chairman E. B. Jeffress said today. Projects have already been submitted from every county in the state and the highway commission will be ready to start on any or all of these projects as rapidly as they can be approved by Mrs. Thomas O'Berry, who has just been designated as civil works administrator for the state, in addition to her other duties as emergency relief administrator for the state.

Chairman Jeffress has no idea how many men will be given employment on these road projects or how much money will be allotted for highway work, since these will depend upon the number of unemployed in the various counties available for this work. The work is to be allotted on the basis of the number of unemployed in the various counties, he explained, so that more work will be done in the counties that have a large number on relief and registered with the reemployment service, than in those where there are not

Dream of Man-Made Isles for Air Line Near Reality

A dream of man-made landing islands along a trans-Atlantic air route nears reality, with announcement that the U. S. department of commerce will build one seadrome 500 miles off the coast as a starter, with four more later if the first proves a success, for an air line from the vicinity of Norfolk, Va., to Spain. Top picture shows an artist's conception of the seadrome designed by Edward R. Armstrong, engineer. Possible route, with floating island at 500-mile intervals, is shown in the sketch below. The department of commerce has allotted \$1,500,000 for construction of a test seadrome. The entire project will cost \$30,000,000, it is estimated.

FRANK WREN PASSES AWAY

Heart Attack Is Fatal to Summer Operator of Plaza Hotel

Frank Wren, formerly of Birmingham, but who had been a resident of St. Petersburg and of Hendersonville for the past 11 years, died at the Plaza hotel Sunday morning in his 68th year. The body was taken to Birmingham yesterday, accompanied by Mrs. Wren, and funeral services and interment in the family lot will be held there.

Mr. Wren had been ill much of the time since last August, when he suffered a stroke, but his condition had shown material improvement and death at 7:30 a. m. Sunday was attributed to heart trouble.

Mr. Wren had operated the Plaza hotel here during his seasonal visits. He was a native of Mississippi.

He is survived by his wife, Mrs. Augusta W. Wren, three brothers, William, John and Grove Wren, all of Birmingham, and one sister, Mrs. Emma Tracey of Hutchinson, Kans. He leaves one son, Johnson Wren, of Chicago.

HILLTOPPERS LOSE 25 TO 7

Charlotte High Comes Through With Brilliant Playing Saturday

CHARLOTTE, Nov. 20.—Playing brilliant football in the second half, the Charlotte High Wildcats scored three touchdowns and defeated the Blue Ridge Hilltoppers 25 to 7 here Saturday afternoon.

The visiting Hilltoppers scored first in the first quarter, but the Wildcats knotted the score at 7-7 in the second period and took the lead by 6 points in the third period.

The Hilltoppers scored after Blackwell punted to Black on Charlotte's 41-yard line. Black fumbled and Greet recovered. After three plays Blackwell passed 35 yards to P. Hawkins for a touchdown and then went through the line for the extra point.

Charlotte scored from the one-yard line in the second period after marching from their own 41. Gadd scored from the one-yard

Ask For Sewing Materials To Aid People In County

Volunteer Workers Teach Needlecraft; Sanitation May Be Improved

The Red Cross is meeting with considerable success in sponsoring a new domestic activity in this county, that of enabling the women in the county who are without sufficient bed clothing for their families to provide themselves with this by use of materials given them to work with. Since this project was taken up two weeks ago, Mrs. R. P. Freeze said today in outlining what is being done in this way, approximately 100 quilts have been made by these women for use for their own families.

The announcement was made by Mrs. Freeze, because of the fact that the women are running short of materials with which to work, and an appeal is being made for the gift of material, it being explained that any scraps, whether cotton or woolen can be used, any garment that would not be fit to offer anyone for wear can still be used in this new work. The only request made by the Red Cross in this appeal is that the scraps and any garments offered be clean.

All the work done in this department of Red Cross service is volunteer. The Red Cross can furnish the cotton and the lining for the quilts but it is asked of the local people that they provide the remainder of the materials.

The material will be received gladly at week day excepting Tuesdays and Saturdays, from 9 a. m. to 4 p. m., and it is emphasized that it is hoped enough material will

Fruitland Will Hear Dr. O'Hara

Announcement was made today by A. B. Murphree, principal of Fruitland Institute, that Dr. J. W. O'Hara of the Mountain Mission schools and pastor of Enka Baptist church, will preach the Thanksgiving sermon at Fruitland Institute, Thanksgiving day at 10:30 a. m.

The boarding students at Fruitland Saturday night enjoyed an oyster stew at the dormitory when the speaker for the occasion was the Rev. W. H. Ford. Visitors included Mrs. Abbie Bonsteel, the matron, Mrs. A. B. Murphree, Prof. N. A. Melton and A. B. Murphree.

CURB MARKET IN GOOD SHAPE

Sales Since Incorporation on February 4 Total \$12,683.88

Despite the fact that selling prices on the curb market are barely half what they were three or four years ago, sales at the market during the months of July, August and September totaled \$9,783.21, Mrs. L. V. Lyda, secretary-treasurer of the operating concern, said Saturday. Mrs. Lyda also stated that since incorporation by the market on Feb. 4, the total sales have been \$12,683.88.

With all expenses paid, including taxes, a balance of \$746.82 is in hand, which represents net profits of eight months, with the exception of \$344.16 which was the balance turned over by the preceding management.

Mrs. John Coston is manager of the curb market.

Sponsors of the market feel that producers selling there should be gratified at this turnover of produce during "depression" times.

'NATIONAL' FARM STRIKE IN COLLAPSE; WILL SOON BE FORMALLY CALLED OFF

CHICAGO, Nov. 20.—(UP)—The "national" farm strike fell into a state of practical collapse yesterday after one month of sporadic fighting and property destruction.

The end of the strike came Saturday night at Madison, Wis., when the Wisconsin Farm Holiday Association and the Wisconsin co-operative milk pool voted at a joint meeting to give up the movement.

Leaders of both groups expressed a belief that the actual end of the strike will be declared Tuesday at a meeting of Farm Holiday Association delegates in Omaha, Neb.

"Why should we fight out the battle to win higher prices for those who refuse to join with us," said Walter M. Singler, head of the Wisconsin milk pool.

The farm strike was called by the National Holiday Association October 21, for the purpose of calling attention to the plight of midwestern agriculturists and forcing the government to fit produce prices.

SETTLE RISES 10 MILES OVER EARTH TODAY

Jeffress Ready to Submit Project for Public Works in State

BROOKS OF STATE COLLEGE IS ILL

CHICAGO, Nov. 20.—(UP)—T. W. G. Settle in a stratosphere balloon was 49,000 feet in the air somewhere between East Liverpool and Pittsburgh at 12:30 p. m. C.S.T., he radioed back to earth.

WASHINGTON, Nov. 20. (UP)—An army airplane bearing officials of the National Aeronautics association left Bolling field shortly before 1 p. m. enroute to Pittsburgh where an effort will be made to establish contact with Lieutenant Commander Settle who went aloft today bound for the stratosphere.

AKRON, Nov. 20.—(UP)—Two intrepid aeronauts shot upward from the earth here today in a metal gondola attached to a huge balloon which they believed would take them into stratospheric regions, 10 miles or more above the ground.

Lieutenant Commander Settle was attempting his second stratospheric flight, accompanied by Major Chester Fordney, United States marine, in a balloon which was unmoored at 9:27 a. m. They rose rapidly toward the southeast and at its present velocity the balloon was expected to carry the balloon near the Atlantic coast before coming to earth. It was thought they would reach their maximum altitude shortly after noon today.

RALEIGH, Nov. 20.—(UP)—Chairman Edwin B. Jeffress of the state highway public works commission, today said he will be ready tomorrow to submit at Washington a large number of projects involving every county for participation in the emergency civil works program to put 68,000 people to work in this state at once.

Dr. Eugene Clyde Brooks, president of North Carolina State college, is seriously ill at the Raleigh hotel in Washington, it was learned today. He was enroute here from Chicago where he attended the meeting of the National Association Land Grant colleges.

DEACONS, ELDERS ORDAINED SUNDAY

CHARLOTTE, Nov. 20.—At the close of the sermon preached by him here Sunday morning, Bishop Mouzon, who is presiding over the annual Western North Carolina Southern Methodist conference, ordained a group of young men to the office of deacon. These are L. P. Barnett, W. H. Benfield, C. L. Brown, A. B. Bruton, J. H. Howard, W. C. Dutton, M. W. Leffer, F. C. Shinn, R. B. Shumaker, C. H. Wassman, J. E. Yountz.

At the service last night Rev. G. T. Rowe preached, after which Bishop Mouzon ordained elders as follows: R. J. Barnwell, C. F. Bowles, E. B. Edwards, D. D. Holt, J. L. Ingram, J. B. McFarley, F. F. Nelson, C. W. Russell, R. M. Verner, J. G. Wilkinson, C. E. Williams, J. G. Winkler, C. F. Womble.

Names of complainants will be kept secret in accordance with a plan announced some time ago, and the complaints will go directly to local and district compliance boards. These forms have been distributed following receipt of thousands of letters complaining of "chiselers" and code violators.

Many of the letters pouring into Washington regarding violators of the NRA and president's agreement are not self-explanatory, it was said, and these forms are for the convenience of those who feel warranted in reporting individuals or firms which they believe are violating the specific provisions of codes.

In order to prevent "spite" complaints, space is provided for notarization or certification by one or more witnesses familiar with the facts.

TROYANOVSKY AMBASSADOR FROM SOVIET

Will Arrive Early in December to Begin Duties at Washington

MOSCOW, Nov. 20.—(UP)—Michael Kalinin, president of the Union of Socialist Soviet Republics addressed a message of goodwill and hope to the American people today, signaling recognition of his country and the resumption of diplomatic relations. The president hailed rapprochement as the opening of a new era making for international peace.

Soviets were said to be devoted to preservation and strengthening of bonds between all nations in the interest of universal peace.

BY FREDERICK KUH United Press Staff Correspondent

WASHINGTON, Nov. 20. (UP)—Alexander Troyanovsky has been officially proposed by the Soviet government as its first ambassador to the United States, and has been accepted by the state department as persona grata, the United Press learned last night.

The state department notified Soviet Foreign Commissar Maxim Litvinov yesterday afternoon that Troyanovsky was entirely acceptable to the United States. It had been authoritatively reported that he would be the Soviet selection.

Boris Skvirs, Russia's former "unofficial ambassador" to the United States, has been named as chargé d'affaires to look after the Soviet's interest in Washington until an ambassador is appointed formally, the United Press also learned.

Designation of Troyanovsky is a broad Soviet wink in the direction of Japan. The new Russian ambassador has occupied only one diplomatic post and that was Tokyo. He is expert on Far Eastern, particularly Japanese affairs.

By choosing him as their first envoy to the United States, the Soviet leaders made it clear to the world that they regard Japan as the most burning problem confronting Soviet and American foreign policy and that it will be Troyanovsky's task to effectuate unstinted co-operation with America in the Orient.

How To Make NRA Complaints

Printed forms on which persons may file complaints of NRA violations and also the president's re-employment agreement have been distributed to postmasters throughout the country by the NRA, according to information received here.

Names of complainants will be kept secret in accordance with a plan announced some time ago, and the complaints will go directly to local and district compliance boards. These forms have been distributed following receipt of thousands of letters complaining of "chiselers" and code violators.

Many of the letters pouring into Washington regarding violators of the NRA and president's agreement are not self-explanatory, it was said, and these forms are for the convenience of those who feel warranted in reporting individuals or firms which they believe are violating the specific provisions of codes.

W. B. WEST IS MADE HEAD OF THIS DISTRICT

Appointments Read This Afternoon by Bishop Mouzon

LITAKER GOES TO SALISBURY CHURCH

The Rev. Claude H. Moser was returned to the pastorate of the First M. E. church, Hendersonville, when the appointments for the forthcoming year were read by Bishop Edwin D. Mouzon at the close of the Western North Carolina conference in Charlotte this afternoon.

A message to The Times-News said the Rev. Walter B. West, who preceded Mr. Moser as pastor here, was appointed presiding elder of the Asheville district. He succeeds Dr. D. M. Litaker, who was assigned to Central church, Salisbury, after having served the Asheville district for four years.

This will be the Rev. Mr. Moser's third year here. Methodists and the local public at large had expressed fear that Mr. Moser would be transferred, and all persons to whom the news of his return became known today were much pleased with Bishop Mouzon's decision. It was said that a resolution asking that Mr. Moser be sent back to carry forward the work which he inaugurated two years ago and which has achieved a large measure of success, had considerable weight with Bishop Mouzon. The First church here made one of the best reports in the Asheville district, it was said, being excelled only by Central church, Asheville.

None the less enthusiastic was the response given the announcement that the Rev. Mr. West will come to this district as presiding elder. His father, the Rev. J. H. West, was returned to Brevari. "Hendersonville got two big breaks when Mr. West was assigned to preside over this district and Mr. Moser was returned as our pastor," L. R. Geiger, chairman of the local church's board of stewards said.

Attending the conference from Hendersonville Sunday were: Mr. and Mrs. M. D. Coburn, Z. C. Byers, N. W. Miller, H. B. Kelly and Mrs. C. H. Moser, wife of the local pastor. They returned with the word that Mr. Moser probably would be returned to Hendersonville and this opinion was confirmed today.

CHANGE AT FLAT ROCK

Many ministerial changes were made in the Asheville district, Flat Rock and Saluda-Tryon charges having new pastors among others. The Rev. D. V. Howell was returned to Fletcher-Mills River.

Appointments in the district included:

Acton, T. A. Groce (returned); Asbury Memorial, A. B. Rutledge (returned); G. G. Huggins, Jr.; Biltmore, R. H. Caudill (returned); Central (Asheville), C. C. Weaver, succeeding W. A. Lambeth; Haywood Street (Asheville), J. P. Hipps, succeeding W. A. Rollins; Oakley, G. D. Herman (returned); Hillside Street, J. B. McLarty, succeeding J. R. Duncan; West Asheville, Carlock Hawk (returned).

Black Mountain, H. F. Duncan (returned); Candler, R. M. Haus (returned); Emma-Elk Mountain, O. E. Croc, succeeding W. E. Ruffy; Fairview, W. E. Ruffy, succeeding G. L. Lovett; Flat Rock, R. G. McLamrock, succeeding D. C. Ballard; Fletcher-Mills River, D. V. Howell (returned); Hot Springs, M. W. Edwards, succeeding Charles W. Clay; Leicester, F. L. Setzer (returned).

Laurel, G. L. Lovett (supply); Marshall, R. B. Shumaker (returned); Saluda-Tryon, W. H. Groce, succeeding O. L. Robinson; Sandy, J. P. Duncan (supply); Skyland, J. R. Duncan, succeeding H. W. Edwards; Weaverville (Continued on page four)

Justice Family Reunites Sunday

The children of S. J. Justice held a reunion Sunday at the home of Mr. and Mrs. S. Rozier at East Flat Rock. The event fell on the date of the birth anniversary of G. W. Justice and of the late Mrs. S. J. Justice.

Enjoying this delightful event were members of the family, including Mr. and Mrs. T. C. Young of Spartanburg; Mr. and Mrs. J. M. Justice and Mr. and Mrs. G. W. Justice of this city; Mrs. H. T. Justice of East Flat Rock, Mr. and Mrs. Rozier, Emory Justice, and Mr. and Mrs. Ralph Smith of Spartanburg.

Junior Order To Hear Field Man

An open meeting of the Junior Order United American Mechanics will be held Tuesday night at 7:30 o'clock in Woodman hall on Main street.

C. W. Snyder, field worker of the Juniors of North Carolina will be present. Motion pictures of the orphanage homes at Lexington, N. C., and at Tiffin, Ohio, will be shown. In these two establishments 1400 orphans of fathers who were members of the order are being reared and educated. He will also give information concerning the work of the Junior Order in North Carolina.

The officers are asking that all Juniors avail themselves of this meeting and bring their families and friends.

Proprietor prominent department store in South reports that "while our payroll for August and September was up \$9,855.03 over the same period of 1932, our business improved more than enough to take care of the extra payroll. In fact, business in these two months was better than it has been since 1929. Our August business was the best for that month in the history of our store."
