We are authorized to announce ROWLAND S. PARKER as a candidate to represent Lincoln county in the Thirtieth General Assembly of the State.

Having prevailed upon my wife not to buy any Sunday shoes and caps for the children this summer, I am enabled to conform to what I consider rather a vicious practice these hard times, to send the accompanying V to have my name announced as a candidate for representative.

ALEXANDER MUDD.

## JUDGE PROBATE COURT.

To the Citizens of Lincoln County: At the solicitation of friends I have concluded to become a candidate for Judge of the Probate Court of Lincoln county, subject to the nomination of the Democratic party.

BEN. W. WHEELER.

We are authorized to announce E. N. BONFILL as a candidate for re-election to the office of Judge of the Probate Court of Lincoln county, subject to the nomination of the Democratic party. It having been reported that he is also a candidate for county judge, he desires to say that he is not, and has never had any idea of being.

## FOR PRESIDING JUSTICE.

We are authorized to announce that at the solicitation of many friends, O. N. COFFEY has concluded to become a candidate for the Presiding Justice of the County Court of Lincoln county, subject to the nomination of the Democratic party.

LINCOLN COUNTY, Mo., June 24, 1878.

To the voters of Lincoln County: Believing in the Grange doctrine, that "the office should seek the man, and not the man the office," and having heard from various parts of the county that the office of Presiding Justice of the County Court is seeking an unworthy servant, uninfluenced by any expectation of high fees or reward, impressed with a full sense of the responsibility of the important functions of the office, I do declare myself a candidate for Presiding Justice, subject to the nomination of the Democratic convention.

CHAS. U. PORTER.

## FOR ASSOCIATE COUNTY JUSTICE.

To the Voters of Lincoln County: In view of the fact that I was elected for the term of six years, and by an act of the last legislature I am only required to serve two, I feel that I am under obligations to serve longer if it is your desire; and knowing the great advantage of a county judge having some knowledge and experience in the business of the county, and as I know of no better way of finding out your wish, I announce myself a candidate for re-election to the office of Associate Judge of the County Court from district No. 1, subject to the nomination of the Democratic party.

To the People of Lincoln County: I have concluded to announce myself as a candidate for the Democratic nomination as Assessor. ## LIVES TO KING.

The Liver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed in its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system, are all immediately connected with the workings of the Liver. It has been successfully proved that Green's August Flower is unequalled in curing all persons affected with Dyspepsia or Liver Complaint, and all the numerous symptoms that result from an unhealthy condition of the Liver and Stomach. Sample bottle to try, 10 cents. Positively sold in all towns on the Western Continent. Three doses will prove that it is just what you want.

## LOUISVILLE SPECIALS.

The common talk is that in view of the threatened passage of a petition and the open correspondence going on in behalf of bringing out a candidate for congress from this county, the action of the central committee in declining to postpone the time for the extension of delegates to the congressional convention, is suggestive of "out and dried."

The idea seems to be that if we are to have a candidate he is entitled to an opportunity to canvass among his own county men, if the wire-pullers are fixing things up in other counties in such uncalculated haste. Fellow-citizens, put your eyes right on the machine politicians and then put your feet down on them right.

Mr. Dley Johnson of this vicinity died last week of general debility. He was an honest, hard-working and clever citizen.

Mr. Alex. Mudd was in town last Friday and made us a pleasant call. Mr. Guy, who married Mr. Paxton's daughter, was in town several days last week.

Mr. Henry Wells, candidate for collector was here Friday and broke bread with us. Mr. Wells is a first class candidate and is making many friends, we understand.

Mr. Foley candidate for County clerk called on us last week. We found him to be a pleasant gentleman and believe him to be worthy of his aspirations.

Mr. Joe Cresch candidate for prosecuting attorney, was in town Wednesday. He looks well and confident. Only a home-fall of sickness prevented our having an old-fashioned talk.

Judge Shaw was in town Tuesday. He is quite hopeful in the contest for collector. We have had no chance to gather items, and if any candidates have been overlooked we are sorry for it.

The rehearsal last night at the High school gives promise of an excellent entertainment Friday night.

Mr. Smith McGinnis, with his son Ed., made us a pleasant call last week. Mr. Ed. was just out of school at Ash ley and gave indications of good training and natural merit.

Judge Geo. W. Thurmond spent four days with his son's family and left last week for St. Louis.

Mr. Ben Reed's genial smile greeted us the other day. He is just from Columbia, where he attended college the past year.

The above was delayed last week.

We have just opened in Troy a new tin and hardware store, and have an entirely fresh stock of everything on hand. We propose to sell at prices to suit the present hard times. Our stock was all bought for cash, and we will compete with the prices of any house in the country.

## FROM BACKVILLE.

Candidates are ripe and the harvest is plentiful.

A great many farmers are through stacking wheat, and the yield is good. Mrs. T. D. Owen presented her large lead a dasher on June 28th.

Col. William Elmore is the happiest greenbacker in the county; it's a boy, born July 4th.

Rev. W. B. McElwee preached at Elm Grove church on last Sunday, the 30th.

The Fourth was passed quietly and pleasantly at Vornund's ford, listening to the eloquence of the candidates.

On Friday, June 29th, all the male members of the McElwee family in this state were together at Dr. McElwee's, the first time all were ever together, and probably the last.

Our school examination took place on the 28th of June, and was very creditable alike to teacher and pupils. We will give the grades of a few on written examination:

Arithmetic—Miss Nannie Gilmore, 91; Miss Mattie Clare, 89; Claude McElwee, 94.

English Grammar—Claude McElwee, 97; Miss Mattie Clare, 90; Miss Nannie Gilmore, 94; Miss Ella Clare, 94; Miss Cora McElwee, 94.

Miss Aggie Moseley, teacher of the school, will begin the 16th of September again.

Eight weeks ago we reported the fracturing of a leg of a valuable mare belonging to Chas. Knox. Dr. McElwee and Mr. Robt. Mudd adjusted the fracture, a "compound fracture." The animal was kept suspended for six weeks and three days and then let down, and we are pleased to say that the operation was a success in every particular. The mare is now going about and doing well, the limb being united perfectly and naturally. Farmers, do not kill your broken-legged horses, but endeavor to save them; a little care and perseverance will do it.

Clifford's Febrifuge.—Unfailing, infallible cure for all diseases originating in biliary derangements, caused by the malaria of miasmatic countries. No preparation known possesses an eradicating power over this class of diseases at all comparable to Clifford's Febrifuge. It is the ne plus ultra of Ague remedies. Sure and safe in its action, its great power in neutralizing malarious influences is only equaled by its harmless action on the body. No disagreeable after effects from this remedy. J. C. HIGGARDSON, Prop'r, St. Louis. For sale by all druggists.

The increasing shipments is proof that Evans Bro's know how to sell leaf Tobacco. Our advice is ship to them. See their card.

NEW SALEM, Mo.

Editors Herald: A few lines from this point would certainly be in order—

Times are hard, money scarce, and farmers are busy saving their crops.

Candidates are plenty; we had the pleasure of hearing a lot of them talk at Burr Oak, on the 2nd. We did not appreciate the tone of their arguments, as they put their stress on poverty and personality. Gentlemen, be mild; speak prudently; be cautious, there is a hereafter. Mr. H. S. Parker is a good hand to expose fraud; so good we feel under obligations to support him. Give it a thorough exposure and we will help you to Jefferson.

B. S. Crews has two or three Champion Reapers and Mowers on hand, which he will sell during the next week for very little more than cost and carriage. Farmers in need of a good machine should see him at once.

Remember that you can still get, on short notice, repairs for all kinds of Farm Machinery, Reapers, Thrashers, Wheat Drills, etc., at Catalogue Prices, of B. S. CREWS, 12 Jun Troy, Mo.

Go to J. W. Birkhead & Co.'s, at Chain-of-Rocks, for Salt. Only \$1.50 per barrel.

## OYSTER SHEDS AND RESTAURANTS.

—Mr. Heirigal has his new bakery all ready for business, and a restaurant in connection, where meals may be had at all hours. Hot rolls every evening; fresh bread always on hand; cakes, pies and all pastries made to order for special occasions.

Mrs. Woolfolk wishes to inform her friends and the public generally, that notwithstanding the reports which, for obvious reasons, have been circulated to the contrary, she will continue during the summer to give instructions in music to her regular pupils, or others who may wish to take lessons. She will also continue to teach in the fall, due notice of which will be given.
