ODD GOSSIP.

The people come,
The people go,
In one continuous
Surging flow:

They buy my goods, and come again,
And I'm the happiest of men.
The secret of this fortune lies
In one small fact which, I may state,
Too many tradesmen learn too late—
If we have goods we advertise!

Then people come,
And people go
In constant streams,

For people know,
That he who has good wares to sell,
Will surely advertise them well;
And proudly I reiterate
I am an advertiser, great.
See our lists for anything wanted,
If you haven't them, send for them.

Send 6 cents in stamps for my Beautifully Illustrated Almanac
