**THE RACES.**

Two Events of the Opening Day Prove Grand Successes With Good Track and Weather.

Kensington Wins the 1 1/4 Mile Dash, Gene Smith the 2:30 Trot and Germania First Under the Wire in the 3/4 Dash.

Never did a racing season open more auspiciously, as far as weather is concerned, than the four days' meeting beginning yesterday. The air was as clear as a bell and comfortably warm, the rain of Monday had laid the dust so that driving was a pleasure, and the track was in good condition. The crowd, however, was not what it should have been, not numbering over 400 persons. It is needless to disguise the fact that Fort Worth meetings have been injured to a great extent by jockeying, hippodroming and "fixing" the races for the select few in the ring to manipulate the pool box. There was one race on the track here not many months ago on which the people were robbed. This instance has become notorious. It is known over the entire state. The association is not altogether to blame for this, and having been advised of the facts, has determined that racing in Fort Worth must be fair. An opportunity was offered yesterday to take a determined stand, and from what THE GAZETTE knows of Messrs. McGarr, Witten and Stiefel, the judges, they will do exactly what is right in the premises. The judges yesterday were as above. The time-keepers were Messrs. Witten and Terry. Secretary Wilkes was on hand to keep the record and attend to other duties of his office.

**THE ONE-FOURTH MILE DASH.**  
Five entries were down for this race up to yesterday morning, but it was found that Olive was in no condition to run and she was withdrawn. The starters were Kensington, Sam Harper, Idle Pat and Nat Kramer.

The horses got off well together, with Kensington in the lead from the jump. This race was a blood and was pretty a trial of speed as was witnessed in Fort Worth. Sam Harper was the favorite and he did everything in the power of horseflesh to win, urged by a good rider, who showed he wanted to pass under the string first. The horses were bunched all around the track until the home stretch, when Kensington obtained a better lead, but was closely pushed by Harper, Nat Kramer stringing out third; Idle Pat, fourth. There was a pretty little race to the wire, but Kensington came in a head and neck ahead of Harper.

**SUMMARY.**  
Kensington.....1  
Sam Harper.....2  
Nat Kramer.....3  
Idle Pat.....4  
Time, 2:14.

**THE 2:30 TROT.**

There were four starters in this race, Gene Smith, a Texas-bred horse, Robert Rydyke, Rocky Mountain Tom and Wilkes Brino. Rydyke was the favorite, and in the first heat led his backers to suppose they had made no mistake, for he was comparatively an easy winner, taking the heat in 2:25 1/2.

In the second heat Rydyke started off fairly well, but soon lost his rapid gait, and the race was really between Rocky Mountain Tom and Gene Smith from the quarter, but Tom was soon headed and Gene Smith took the heat, with Rocky Mountain Tom second, Wilkes Brino third, and Rydyke back to fourth place. Time, 2:25 1/2. In the third heat the Texas horse surprised the audience by holding his own and trotting magnificently, coming in a winner, with Rocky Mountain Tom second, Wilkes Brino third, Rydyke fourth. The fourth heat was another surprise, for Rocky Mountain Tom showed he was something of a trotter himself, while Gene Smith, who was looked upon as a sure winner, dropped down to fourth place. The stallion trotted well, and won the heat in 2:25 1/2, Wilkes Brino took second place, Rydyke third.

In the fifth heat the horses got off well together. Wilkes Brino led to the quarter pole, but broke and fell back, although he got his feet quickly. Rocky Mountain Tom had the outside and it looked as if he was to be scored last. When Brino broke Gene Smith forged to the front and maintained his lead, but closely followed by Rocky Mountain Tom to the home stretch, when Gene Smith put on steam and came in an easy winner, Rocky Mountain Tom second, Wilkes Brino third, Robert Rydyke fourth. Time, 2:29 1/2.

**SUMMARY.**

Gene Smith.....1  
Rocky Mountain Tom.....2  
Wilkes Brino.....3  
Robert Rydyke.....4  
Time, 2:25 1/2, 2:25 1/2, 2:25 1/2, 2:29 1/2.

**THE THREE-QUARTER DASH.**

There were three starters—Germania, Hindoo Rose and Myrtle Johnson. It was plain that Myrtle Johnson could not win, for she was not in condition, and her owner recognized the fact. The horses got a good start, with Germania in the lead. At the end of the first quarter the rider of Hindoo Rose pulled or jerked her, causing her to lose a considerable distance. Germania came in under the wire first. Time, 1:30, when 1:15 should have been made.

The rider of Hindoo Rose was called into the judges' stand and asked why he had not ridden to win. He answered that he had, and that he had only pulled the horse to straighten her out; that she had been coughing and choked up. Mr. Walden, the owner, was also called and said his horse had been coughing all day, and that he had done all he could to have Hindoo Rose win. The judges said they were not satisfied; that in their opinion Hindoo Rose could have won the race, and they would not decide the race until to-day at 1:30.

**TO DAY'S RACES.**

There are three races on the program to-day, a free for all pace, a one and one-eighth mile dash for three-year-olds, and a running race, one-half mile heats, all promising to be first class. Those who attend to-day can rely on seeing the races won on their merits, and will get the worth of their money.

Friday will be a big day, in addition to the regular programme, it being the intention of the managers to have a cow-punch race, which will be interesting and exciting. The banks and business houses will be asked to close at noon in order to give their employees an opportunity to attend.

**LADY DE JARRETTE.**

After the third heat in the 2:30 class to-day the famous mare, Lady de Jarrette, made her appearance on the quarter stretch and was received with great favor. Indeed, it was a great treat to the Fort Worth people to have an opportunity to look upon such a marvelous beauty. Her graceful movements and attitudes were watched with all eyes, which seemed eager to see the equine queen as

she so proudly stepped forth as if the earth upon which she trod was not good enough for her ladyship. Her driver first allowed her to walk up and down, which was done with a quick, nervous step, which even to the unpracticed eye told of the great energy, power and brain force that propelled its elasticity, and when she stopped off into the street her wonderful beauty became more visible. The lady, as all handsome ladies should, grew in grace, and every step of hers seemed to be more proud and lady-like. In the course of ten minutes the thousand veils all over her body and from her nose to her fetlocks stood out bold to the eye, and the longer the Lady was before the audience the handsomer she grew. At the end of about fifteen minutes she seemed, as she glided about before the grand stand, with that majestic head and bold, dashing tail, a being more like one in a fairy tale or a dream than an actual live horse, and there she was to the delight of all, something in flesh and blood that no pen can describe or painter make her counterpart. As she skipped away from the scene she was greeted by both ladies and gentlemen with enthusiastic applause.

He reports for duty to-day and will enter upon the preparation of his annual report.

**ON THE STREET.**

[Parties giving social entertainments of any kind, festivals, etc., in town or country will confer a favor on THE GAZETTE by sending a short notice thereof to this paper. THE GAZETTE desires to note all such entertainments and trusts that its readers will appreciate the difficulty of covering the whole city without any outside assistance.]

Still the crowd of visitors to the races continues to increase.

No lovelier weather could be asked by the devotees of the turf.

The merchants will be called on to-day and asked that they close their stores for Thursday's races.

The retiring officers of Tarrant county have made records as true and honorable men, ever faithful to the public interest.

When that new city hall is built the fathers will hardly agree to a cheap John's style of house, but will erect a building that will be a permanent credit to the city.

Alderman Darter made no bones of saying in the council yesterday that it seemed to him that a good deal of money was being unnecessarily spent on certain departments of the city.

Though no action was taken on the proposals of various bidders offering lots for the site of a new hall, in the city council yesterday, the sentiment in the committee room seemed very favorable toward Mr. Hyde's proposition, which will be found in the council report.

**Sheriff Shipp.**

Yesterday Mr. Ben Shipp, after having given the requisite bond, qualified as the successor of Walter Maddox to the office of sheriff of Tarrant county. Messrs. Chas. McDougall and Joe Wicher have been appointed deputies, and to-day Howard Tucker and James Maddox will also be added.

Robert Nalle officiating. Miss Patton is spoken of by those who know her as a lady of rare amiability and accomplishments, who has during her stay in Fort Worth made many devoted friends. Mr. Seaton is congratulated on all sides on his success in winning so lovely a partner. The bridal couple will leave for Galveston and New Orleans, thence for a short stay with the bride's parents in Mississippi, thence to St. Louis and other Eastern cities for the remainder of the honeymoon, after which they will return to Fort Worth, their permanent home. Their residence will be the neat cottage on the corner of Taylor and Second streets, which the groom has fitted up in most handsome style.

At the Fourth Street Methodist church at 8 o'clock this evening Mr. J. P. Nick and Miss Minnie Richardson will speak the solemn vows that will unite their destinies as man and wife, Rev. A. A. To both couples THE GAZETTE wishes the fulfillment of their fondest anticipations, for they are worthy of all good fortune and happiness.

Capera & Bro. have spared neither pains nor money in fitting up elegant apartments and procuring experienced culinary artists, and deserve the patronage of lovers of the blivette. They have courteous and attentive waiters, and you can go there and enjoy a "half-fry" with the same comfort as though you were at home. Young men who take the ladies to the opera should make a note of the fact that they keep open until after the performance is over.

**A WHITE****Sewing Machine Free.**

In our show windows we have a large ball of tacks and I propose to donate to the person guessing the nearest to the number of tacks in the ball, a No. 3, metal case, White sewing machine, valued at \$50. The only condition we require is that you register your name and guess at our store. The tacks will be counted on Saturday evening, November 12, by a committee of responsible business men of Fort Worth, and the sewing machine awarded to the nearest guesser of the number. We want every person in Fort Worth and vicinity to tackle the ball of tacks. Bring your sisters and your cousins and your aunts, it costs nothing to guess. You may be the lucky person. Come early to avoid the rush.
