The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

CATARRH TROUBLE

ENDED BY HYOMEL.

An Inexpensive Easily Used and Most Effective Remedy.

Surely try Hyomel, nature's harmless remedy for catarrh, colds, asthma, bronchitis, or croup of children—a treatment that is pleasant to use, and so certain of results that R. E. McRoberts sells it on the "No-cure-no-pay" plan.

Hyomel is not a cure-all but a specific for distressing catarrh and similar ailments. You breathe Hyomel so that its antiseptic medication at once reaches the irritated and diseased tissues, healing and soothing the sore spots.

Get a Hyomel outfit, which contains an inhaler and bottle of liquid, at once. Put twenty drops of Hyomel into the inhaler and breathe it a few times during the day. There is no treatment so satisfying for it instantly opens the stopped-up air passages—you breathe freely, the unpleasant discharges from the nose stop, and dull headaches vanish—even the worst cases respond quickly.

LUKE M'LUKE SAYS.

There is a whole lot of competition in some families as to who shall be the black sheep.

Where is the old-fashioned man who wore kilt galluses and blue yarn socks with white toes.

Some men never have any luck because they spend all their time arguing that luck is against them.

A good hustler will make a better husband than a good dancer, but you couldn't get most girls to think so.

Woman is a strange creature. She would rather have a fifteen-cent husband than remain single and have \$15,000,000.

Sick Headache.

Sick headache is nearly always caused by disorders of the stomach. Correct them and the periodic attacks of sick headache will disappear. Mrs. John Bishop of Roseville, Ohio, writes: "About a year ago I was troubled with indigestion and had sick headache that lasted for two or three days at a time. I doctored and tried a number of remedies but nothing helped me until during one of those sick spells a friend advised me to take Chamberlain's Tablets. This medicine relieved me in a short time." For sale by all dealers.

Chamberlain's Cough Remedy—The Mothers' Favorite.

"I give Chamberlain's Cough Remedy to my children when they have colds or coughs," writes Mrs. Verna Shaffer, Vandergrift, Pa. It always helps them and is far superior to any other cough medicine I have used. I advise anyone in need of such a medicine to give it a trial." For sale by all dealers.

Faithful.

An Indiana automobilist was taken suddenly ill with acute indigestion, and his car was left by the curb over night. His bird dog, which usually accompanied him on his journeys, insisted on keeping guard over the car until the next day, when it was taken to a garage. The dog seemed to know that a greater responsibility devolved upon him through his master's illness.

Sick Two Years With Indigestion.
