A sermon's length is not its strength. It may be very much its weakness. In this case brevity is a virtue. It is a pity to weary the head when we should weary the heart. Some divines are long in their sermons because they are short in their studies.—Spurgeon.

THE GREAT WAR HAS MADE CIGARETTES A NECESSITY.

"Our boys must have their smokes. Send them cigarettes!" This is a familiar appeal now to all of us.

Among those most in demand is the now famous "toasted" cigarette—LUCKY STRIKE. Thousands of this favorite brand have been shipped to France. There is something homelike and friendly to the boys in the sight of the familiar green packages with the red circle.

This homelike, appetizing quality of the LUCKY STRIKE cigarette is largely due to the fact that the Burley tobacco used in making it has been toasted. "It's toasted" was the "slogan" that made a great success of LUCKY STRIKE in less than a year. Now the American Tobacco Co. is making 15 million LUCKY STRIKE Cigarettes a day.

A good part of this immense production is making its way across the water to cheer our boys.

WARNING

Hardinsburg, Ky. Mar. 25.—A number of retail grocers, hotel proprietors, restaurants proprietors, and bakers of this county have failed to give me written statements as requested some few days ago through the columns of this paper. This must be attended to without further delay which will prevent all unnecessary embarrassment. Also there has come to my attention that a few merchants of this county are failing to abide by the rules and regulations of the Food Administration. Also in a few localities there has been a considerable amount of wheat flour hoarded. Unless these practices are immediately discontinued I will be forced to use drastic measures to prevent a repetition of such offences. Investigation is now under way against those that have been reported. Please realize that it is important that every citizen of Breckenridge County give their true American cooperation in this work.

Respectfully,
R. R. Compton,
Federal Food Adm'r for Breck Co. Ky.
