> God's predestination was not only that He would have a church, but, additionally, that the terms or conditions of fellowship in that Church should be that each one would becom Christlike. Surely this is a good predestination, with which no one could find fault. Whether we shall gain a place with the "elect" on the heavenly plane, or a place with the nonelect world in restitution to earthly nature, we cannot do otherwise than recognize the justice of God in so deciding,, that none but the saintly copies of their Lord could be members of the elect Church and joint-heirs with Him in His Kingdom.

While the masses of men are today boldly challenging both the civil and ecclesiastical powers of Christendom to prove their claims of Divine authority to rule neither they nor or rather permitted, a lease of power might choose or tolarate, whether possible to make good or bad, until "the Times of time God has permitted the world day received.

The Bible is the most wonderful book in the world; assaulted both by friends and foes, it has withstood them all and still sands the great livine Monument and record of 'he purposes which God purposed in Himthe foundation of vorid! We hold that the Bible not, as is generally supposed, a col-

It is indeed a notable fact that in the judgment of Chriscendom, even by the world at large, the standard of judgment is the Word of God. The heathen hold up the Bible, and boldly declare, "You are not as good as your Book." They point to its blessed Christ, and say, "You do not live up to your Pathern." And both the heathen and the masses of Christ ndom take up the Gold in Rule and the Law of Love, wherewith to measure the doctrines Anstitutions, policy and general course of Christendom; and all alike testify to the truth of the strange handwriting on her festive walls-"Thou art weighed in the balances, and found wanting."

Despair and Despondency
No one but a woman can tell the story of the suffering, the
despair, and the despondency endured by women who carry
a daily burden of ill-health and pain because of disorders and
derangements of the delicate and important organs that are
distinctly feminine. The tortures so bravely endured completely upset the nerves if long continued.
Dr. Pierce's Favorite Prescription is a positive cure for
weakness and disease of the feminine organism.

IT MAKES WEAK WOMEN STRONG. SICK WOMEN WELL.

It allays inflammation, heals ulceration and soothes pain. It tones and builds up the nerves. It fits for wifehood and motherhood. Honest medicine dealers sell it, and have nothing to urge upon you as 'just as good.' Ask Your Neighbors. They probably know of some of its many cures. If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to date edition, in paper covers. In handsome cloth-binding, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.
