CREAM OF NEWS.

IF IT IS NEW AND TRUE THIS COLUMN HAS IT.

Fatal Railroad Wreck—Heavy Tobacco Sales—Murder in Tennessee—Wheat Prospects—Ball Games.

Prospects More Flattering.

The report comes from the various wheat growing sections that the crop now bids fair to be up to the average and, as has already been stated, the acreage is equal to that of any for five years. Where the rust has done its work it did it well, but the crops thus affected are few and the shortage in crop on this account will be slight. If the weather is favorable for saving the grain at harvest time we may expect the usual yield, unless something yet develops that will prove injurious. Some farmers say they will make 30 barrels to the acre; some say they will be satisfied with 15, while others will be content with 10, which will be a much better yield than usual for the latter class.

A Murderer Escapes.

Wm. Mallory, col., who murdered his step-father, Luke Allen, last Friday near Clarksville, was captured by Sheriff Collier near St. Bethlehem, Monday afternoon, but soon after made a break for liberty, jumped a wire fence and escaped among the bluffs on Spring creek. He was first seen shooting rabbits along the railroads track, being armed with the same pistol with which he committed the murder. Mallory is running through the country barefooted, terrorizing every negro he meets by drawing his pistol on them. Officers are scouring the country for Mallory and it is not likely that it will be many days before he will be landed in jail. It is believed now that he is in hiding in the southern part of this county.

The Athletics Fill the Engagement.

Manager Galbreath succeeded in getting the celebrated Nashville Athletics to play the Locals this week, and the first game came off at the park yesterday afternoon. This club played Hopkinsville last year and put up an excellent game and this season the nine has been much strengthened by the addition of several professional ball players, and those who witness the fun this afternoon will be well pleased. The game will be called at 2:30 in order that the Nashville boys may return home after it is over. The Nashville Maroons, booked to play here this week, will not be on hand, but will make a date later on in the season.

Heavy Sales and Big Prices.

Our tobacco market this week was all that could be asked, big prices prevailing where fine goods were offered and offerings being heavier than at any time this season. Sales were about 800 hogsheds, with offerings but slightly in excess. Several hogsheds of wrappry leaf ranged in the teens and one of this class sold at \$13.50. Lugs were also in demand and were reported a shade stronger, where well ordered. Receipts are very heavy and are increasing at a rapid rate. Large shipments of the weed continue to come in from the surrounding counties and from many points 50 or 75 miles away. The loose market is moving along smoothly, but there is no special activity being displayed in this branch of the tobacco business.

Fatal Passenger Wreck.

A fatal passenger wreck on the L. & N. occurred Wednesday morning about 11 o'clock at Henry, Tenn., a small station about midway between Paris and McKenzie, in which several persons are reported killed and a number of others injured. One report has it that it was No. 103, which left Clarksville Wednesday morning at 7:32, which had collided with a freight train at a point near Henry Station, and that four persons were known to have been killed, and the coaches thrown from the track. The names of the killed and wounded could not be learned.

Cycle Races at the Park.

The wheelmen have decided to open the races at the Park track by a grand contest on Saturday June 15. The committee appointed to visit the business men and merchants of the city to arrange a list of prizes have met with much encouragement from the start. A spirited contest is confidently promised. The prize list will be published when completed.

Will Sell Three Days.

Owing to the largely increased sales of tobacco on our market it has become necessary to sell three days in each week instead of two in order to keep up with the business. The new arrangement goes into effect next week, when sales days will be Tuesday, Wednesday and Thursday.

FIRST WEEK.

Only a Few Unimportant Cases Disposed Of.

The first week of circuit court has developed nothing of importance so far. The following cases have been passed upon:

Will Dossett, trespass, forfeited bail bond released and judgment and cost paid in full.

Chas. Brewer, col., retailing, death of defendant reported and indictment dismissed.

Clarissa Hatcher, col., disorderly house, dismissed.

Bob Hickey, col., disturbing religious worship, fined \$25 and costs. Same c. c. d. w., dismissed.

W. M. Long, peddling without license, fined \$50 and costs.

John Early, col., charged with raping a colored girl near Pee Dee about a month ago, was not indicted by the grand jury.

David Smith, selling liquor without license, four cases, fined \$125 in all, with costs. Two cases dismissed.

Steve Choat, giving liquor to minor, fined \$50 and costs.

Geo. West, furnishing liquor to minor, case continued and warrant of arrest awarded against J. T. Cooksey, absent witness.

Seven cases filed away with leave to reinstate.

Forty courses continued till next term, with alias and process.

Four minor cases dismissed.

Petit jury empaneled as follows: J. R. King, J. A. Fears, J. F. Clardy, D. J. McClendon, H. D. Wallace, J. W. Underwood, A. L. Carter, Ed. Martin, Perry Knight, Watt Clark, J. W. Phipps, E. J. Faulkner, E. H. Price, J. R. Brame, Geo. E. Rawlings, Z. T. Willis, J. A. Young, L. L. Nichols, Mark Cavanaugh, G. W. Lindsay, Jas. W. Yancey, Gus Wiley, Joe Buckner, col., Ben Garrett, col.

BETHEL FEMALE COLLEGE.

Closing Exercises of a Successful Year—Two Graduates.

The commencement exercises of Bethel Female college were concluded Wednesday evening with an elocution recital. A very large crowd was in attendance and the delightful weather made the affair one of enjoyment. The young ladies acquitted themselves handsomely. The chapel program was followed by a levee that lasted until a late hour.

The regular graduating exercises were held in the afternoon of Wednesday. Misses Marie Hilde and Mary Morrow were the graduates. The class tree was also planted at the same time.

The closing exercises which began Friday evening were all successful. The annual address was delivered by Rev. J. Howard Carpenter, of Paducah, on Tuesday evening. This proved to be a fine address and a large audience listened to it. Dr. McCall has had a very prosperous year. There were 55 boarding pupils and the outlook for the next session is bright.

Closing Exercises of Valparaiso Institute.

PEMBROKE, Ky., May 31, '95.—It is not often our good fortune to spend such an enjoyable evening as we did last night. The closing exercises of Valparaiso Institute were unusually pleasing. "The Old Kentucky Home" of Mr. and Mrs. J. H. Williams was a scene of beauty. It was a beautiful day and a perfect night and everything to the minutest detail was arranged with an eye to the practical, as well as the best display of the various talents of the "Little Men and Little Women." Where all deserve praise it is difficult to know where to begin or where to stop. I know every one present last evening will join me in saying that each and every one of the pupils showed decided talent and most excellent training; and now a word for Miss Blanche O'Brien, the principal, who by-the-way, is from Clarksville, the least we can say is, if Clarksville would send as fine samples of tobacco to Bremen as she does teachers to Kentucky we will acknowledge that Clarksville is the finest market in the world.

SPECTATOR.

To-Day's Excursion.

The excursion to Cerulean Springs to-day for the benefit of the Mandolin Club will leave at 2:45 p. m. and after picnicking at the springs will return at 10 p. m. The round trip will cost only 50 cents and the tickets will be good on the 5:30 train also.

Goose-Egged 'Em.

The first ball game between Hopkinsville and the Nashville Athletics yesterday resulted Hopkinsville 2, Athletics 0.

The High School department of the Hopkinsville Public schools will give a reception to their friends on June 12th and 13th from 10 to 12 a. m., at the Clay street building. There will also at that time be an exhibit of school work done by the pupils of the department during the year. All of the other classes will give a similar reception in their respective rooms on June 13th and 14th at the same hours of the day. All are cordially invited to attend.

BRADLEY OF COURSE.

WINDY WILLIE WILL WEND HIS WAY TO THE WILDERNESS.

He Will Head the Republican Ticket and Lead it once More to Defeat—The Platform a Straddle.

LOUISVILLE, June 5.—The Republican State convention convened at 2 p. m. to-day with the auditorium, seating 5,000, filled to its full capacity. Prayer was offered by Rev. J. R. Collier. Hon. J. W. Yerkes, one of the candidates for senator, as chairman of the state committee, made a speech on existing conditions in Kentucky and introduced as temporary chairman Judge George Denny, who is contesting with W. C. Owens the seat of Breckinridge in congress. After Judge Denny's speech the usual committees were appointed. Congressman Walter Evans offered a strong resolution.

FOR A GOLD STANDARD.

It was referred to the committee on resolutions. An invitation to appoint delegates to the free coinage convention at Memphis was tabled. Congressman Evans was made permanent chairman and Samuel J. Roberts, editor of the Kentucky Leader, secretary. It was ascertained that the committee on resolutions was having difficulty on the silver plank. Col. Bradley and other leaders appeared before the committee and assisted on a compromise silver plank. The convention remained in session till 5:30, filling in with speeches, when it recessed till 7:30, awaiting the report on resolutions.

On reassembling, the committee on resolutions was unable to report, and favorites were again called out for speeches until 9 p. m., when the platform was unanimously adopted.

THE PLATFORM

as adopted was in substance as follows:

"The Republicans of Kentucky while recognizing in the approaching contest the great importance of state matters, nevertheless appreciate the fact that parties exist nationally, and that no political party should be afraid or ashamed to give full and explicit explanation regarding its position on every question affecting the prosperity of state and nation.

"The apprehension of business interests as to recent threatened tariff changes and the want of confidence in Democratic management caused reduction in wages, decline in exportations, general depression of business, destruction of property, shrinkage in values and labor agitation. This apprehension, accompanied with subsequent Democratic legislation made by 'party perjury and dishonor,' has served in many respects to increase rather than diminish national disaster. Under these circumstances the currency question has been forced into undue prominence, and the Democratic party has seized upon that issue to the exclusion of all else for the purpose of diverting public attention from the contentions of the ruin its vicious policies and miserable management has wrought.

"We are opposed to the free and unlimited coinage of silver, believing that it would involve the country in financial ruin.

"We believe in a sound currency and in the use of both gold and silver for coinage, providing always that a dollar in one is made precisely as valuable as a dollar in the other.

"We favor a tariff so regulated as to protect the interests of classes of our citizens upon articles that may be successfully manufactured or produced in this country, thus insuring good wages to the laborer, a home market to the producer, and in connection with this, we favor the re-establishment of the doctrine of reciprocity. We believe that such a system will defray every public expense, gradually liquidate all indebtedness, restore public confidence and relegate to the rear the undue excitement now prevailing concerning the currency. In view of the past financial history of the Democratic party, its devotion to the old State bank system and wild-cat tendencies, we affirm that the Republican party can be safely trusted to regulate the financial system of the nation.

"We favor an American policy which will protect Americans and American interests in any part of the world at all hazards, and will sympathize with strongly Republican governments rather than ignorant monarchies."

W. O. Bradley was then nominated for governor by acclamation and made a long speech denouncing the Democratic management of affairs. After balloting till midnight without nominating a candidate for lieutenant governor, the convention adjourned until 10 o'clock Thursday.

For Railroad Commissioners, Jerry Porter was nominated in the First District and H. S. Irwin in the Second, with the Third District tied between D. N. Comingore and J. C. Wood.

Col. Bradley says he will visit each of the 119 counties and make an address, campaigning, and has promise of help from the leading Republicans of other States.
