

DEPLORE HIS LOSS.

Christian County Hunting Club Takes Formal Action.

Death of Austin Peay Calls Forth Eulogistic Resolutions, Fully Deserved.

At the regular annual meeting of the Christian County Hunting Club, held at the office of C. F. Jarrett & Co., in Hopkinsville, Ky., on July 26th, 1898, the following preamble and resolutions were unanimously adopted:

WHEREAS, It has pleased Almighty God, to take from our number our beloved friend and companion, Austin Peay, to the happy hunting ground beyond the river, therefore,

RESOLVED, That in the death of our companion, that the club has sustained a loss that is irreparable. That he was a man of upright character, of unswerving truth and integrity; that we can truthfully say that he was a Christian gentleman, which is the highest encomium that can be passed on man; that we greatly deplore his separation from our midst.

Austin Peay joined our hunting club in November, 1869, and from that time until his death, he never failed to join us in our yearly hunts. When others were uncertain as to whether they would go or not, we always knew where to place him. His record is unbroken. He was always ready to do his part in everything. He was ever ready to extend the hand of sympathy and help to the distressed and needy. He was our recording secretary. He wrote up our hunts, and had them published in our county papers. No one ever started to read one of his pieces and laid it down before finishing it. He was a beautiful writer, full of wit and humor, and frequently rose to the sublime. It was always pleasant to hear his descriptions of the achievements, successes and failures of different members. How often have we sat around the "camp fire" and talked of the day's sport, and of the times that were passed and gone. But alas! we shall never have that pleasure again. We shall miss his genial, pleasant face when we meet for our usual fall hunt, and our hearts will be sad, to think that we will never more meet again in this world, but we hope to meet on the other shore and clasp hands there, never to be separated more.

There are but four of the original members of our club that are left on this side, namely: Capt. S. R. White, J. R. Caudle, J. S. Parrish and L. McCombs. The others have crossed over, and we too will soon meet on the other side.

RESOLVED, That we extend to his beloved wife and children our heartfelt sympathy in their great loss.

That these resolutions be spread upon the records of our club, and a copy be sent to his family.

Done by order of the club.

NOTHING IN IT.

Barber Yates Has Trouble With a Trigg County Darkey.

Early this morning William Yates, a negro from Hopkinsville, was arrested and placed in the lock-up for stealing a pair of shoes and a hat from Jas. F. Martin, another negro, from Cerulean Springs, at Graham's saloon on Ninth and Court streets. Both negroes came to the city to attend the celebration.—Paducah Register.

Wm. Yates is a respectable colored barber of this city. The charge against him was dismissed when brought to trial and he returned home the same day. He says the arrest was the result of spite work and had no foundation whatever.

KY. CROP REPORT.

Condition of Crops August 1st, 1898.

Reports from 152 Correspondents in 103 Counties of the State.

For the August report replies are received from 152 correspondents, representing 103 counties.

Wheat.

Threshing has progressed favorably throughout the wheat belt during July and the result in various States may be epitomized as follows: Ohio has a fair yield of wheat of good quality. Michigan, the yield and quality are both excellent. Indiana has a light yield with quality good. Illinois, with the exception of the southern section and a few counties in the north-east, the yield and quality both poor. Wisconsin, the yield and quality both satisfactory. Iowa, the yield and quality both better than was anticipated one month ago. Nebraska, the crop varies widely in several sections of the State and will average rather below than above the medium as to yield. Kansas and Missouri, the crop failed to come up to the very poor prospects of July 1st. Much of the acreage remained uncut, and of that which was harvested a large per cent proved unmerchantable.

Spring wheat prospects have improved inasmuch as the threatened injury from rust did not occur to the extent anticipated.

In Kentucky the month of July has been favorable to threshing, with the exception of last week of the month when frequent showers put a stop to further progress. Much less than the usual amount has been threshed to date, due to farmers having their crop in stack and preferring to hold it in that form.

The question "has yield equalled expectations" resulted in 76 replies in the affirmative and 67 in the negative. In 1897 the same question elicited 100 answers in the affirmative and 11 in the negative.

To the question on quality 64 correspondents set it down as "good," 59 as "average" and 18 report it "bad." In 1897 110 correspondents reported quality "good," 5 an "average" and no reports of bad quality were received.

On the subject of free marketing of the crop 18 correspondents say it is being sold as threshed and 124 say it is being held for higher prices.

The average price for No. 2 wheat, August 1st, was 68c. In 1897 the prices at the same date 66c.

ALBERT McGEHEE

Dies Suddenly at Guthrie of Apoplexy.

One of the Five McGehee Brothers and the Second to Die.—A Well-Known Merchant.

Mr. Albert C. McGehee, the well-known merchant of Guthrie, died suddenly at Guthrie last night of a smothering spell supposed to be due to apoplexy.

He had frequently had similar spells while living at Gracey, but Dr. Darwin Bell, his family physician, understood his case so well that he was generally relieved in a short while.

This time he was taken ill at 7 o'clock and grew worse until he died at 11 o'clock.

Mr. McGehee was one of five McGehee brothers who came to Christian county from Virginia and have for many years been doing business at several towns in this section under the firm name of McGehee Brothers. Albert is the youngest of them and the second to die. In March 1890 John Q. was killed in a storm that wrecked and burned his store at Old Bellevue near the present site of Gracey. When the store was rebuilt it was located at Gracey and Albert took John's place and Hugh McGehee, a cousin, was admitted as the fifth partner.

At the beginning of last year, the Allensville branch was moved to Guthrie and Albert and Hugh exchanged places, Albert going to Gracey to be nearer headquarters with his oldest brother, Jas. W. McGehee, the head of the firm.

His health had not been good for some time, his failing health being due to something like apoplexy. He was stout and robust in appearance, but in constant fear of the smothering spells that finally carried him off.

He was on the street two hours before being taken ill and appeared to be in his usual health, but in a few hours he was a corpse.

He leaves three brothers, James, Thomas and Sam McGehee, one sister and a venerable father, besides his own family of a wife and four little children.

He was about thirty-three years of age.

Mrs. McGehee was Sallie Lander, daughter of the late Geo. W. Lander, of Gracey.

Mr. McGehee was a member of the Gracey Presbyterian church and the Knights of Pythias order. He carried \$6,000 life insurance and will leave a comfortable estate. He was a fine business man and in addition to his own business was manager of several other estates as agent or guardian.

The funeral services will be held at Clarksville at 11 o'clock tomorrow. Interment in that city.
