The Parcels Post System, which was established by an Act of Congress of August 24, 1912, to begin operation January 1, 1913, has awakened great interest all over the country, especially in the rural districts and among the numerous mail order houses. Other countries have, for some years, enjoyed the benefits of this cheap and convenient method of delivery for small packages; and our Government has also, for some years, had treaties with several foreign countries by which it agrees to deliver parcels sent in this manner from such countries to persons in the United States. There seems to be no reason, therefore, why this country should not put the system into operation to the benefit of a large portion of its people.

The scheme as yet, however, is but a dream by the Post-Office. It may, however, which will probably become a permanent and valuable institution.

Why is it, that a human life must be taken every time a term of the Circuit Court is convened in this district? During the last term of court here Matt Thomas killed Dilard Crow. On the first day of the last term at Richmond, Brack Maupin killed James Farris. On the Sunday that fell between the first and second weeks of the Jessamine Court, a white man killed a negro at High Bridge, in Jessamine county, and now on the first day of the first week of the present term in Powell the news comes that Wm. Bowen, Jr., was shot and killed by Henry Skidmore, and that Reese Bowen, in turn, shot and killed Skidmore.

Will some one explain why these fatalities come along with each term of court?

How would it do for the juries to take a hand in the killing business?—Winchester Sun.

Mrs. Wilson will be the first Southern Lady to occupy position of the "First Lady of the Land" since Mrs. Andrew Johnson held that honor from 1865 to 1869. It is believed that Mrs. Wilson will prove to be a very charming hostess. She is very refined and of high culture, and these qualities had much to do with helping her husband to win the high office of the President of the United States.

Thanksgiving turkey is going to be extremely high this year, but no good Democrat will feel that in the circumstances any expense should interfere with suitable celebration.

Gov. Wilson is saying very little, but he has his ear to the ground, and is listening carefully to the pulse of the great American heart. In other words he is earnestly seeking after information and the wishes of the people in regard to the course he shall pursue when he enters the White House.

It is said that elephants often attain to an age greater than 100 years, but we presume that this is not true of an elephant subjected to many and severe nervous shocks.

The express companies complain that the new lower rates will cost them \$33,000,000 a year. This is very encouraging to the rest of us.

A great many seem to have voted for Taft for ex-president.

Thus the Outlook is able to retain its contributing editor.

"I was in a terrible plight when I began to use them," he writes, "my stomach, head and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at all dealers.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was considered to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitution-

al disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. Cheney & Co., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.—dv.
