PASSING OF STREET PARADE

Bryant & Johnson Shows Explain Why They Have Abandoned This Traditional Feature.

For many reasons the management of the Bryant & Johnson Combined Shows, which will exhibit at Clay City for one day only, on Saturday, May 28, has decided to abandon the street parade which has, in years past, been the usual thing with traveling organizations of this kind. It is set forth that in many instances the late arrival of the trains bearing the paraphernalia makes it impossible to give a parade and start the afternoon performance on time. Another reason is that by doing away with the parade the performers are fresh for their work in the big top and the public is assured of a much better program. The band will give popular concerts on the streets at 12 o'clock noon, and in the evening at 7 o'clock. Immediately after the band concert big free exhibitions will be given on the show grounds.

The show will positively exhibit at Clay City, afternoon and night, on Saturday, May 28, rain or shine.

and it certainly is the best liver medicine I ever saw. It has not only saved me money, it has helped keep my system in shape, and has never weakened me as so many physics do. I recommend it to my friends and am glad to do so." Black-Draught is the old, reliable liver medicine which you have doubtless heard much about. When you feel badly all over, stomach not right, bad taste in your mouth, bilious, or have a headache, try Thedford's Black-Draught. At all Druggists.
