Clay City Man Gets Large Business

E. B. McGlone and J. B. Peers, recently of Shreveport, La., have purchased a large automobile spoke plant at Pine Bluff, Ark.

The local paper published the following report of the purchase:

The new owners have assumed control of the plant, it was announced last night, and likewise have bought heavy tracts of hickory stumpage in this section, and will immediately bring the mill to full capacity, of more than 150 men.

The plant will operate under the firm name of Peers and McGlone. J. B. Peers and E. B. McGlone will make their residence in Pine Bluff.

Last year in nine months this factory turned out more than \$500,000 worth of spokes for automobiles. Buick, Dort, Oakland and other makers of automobiles, controlled by General Motors, were almost exclusively supplied from Pine Bluff.

Peers and McGlone, it was announced last night, have orders for spokes from northern auto manufacturers on their books which will necessitate at once a resumption to full capacity.

Boys Small Bunch of Cattle

Walter Ficklin, of Montgomery county, bought this week of S. L. Wetherholt, Arch Snowden and Corda Powell a small bunch of yearling steers, averaging 650 pounds at 4 and 4½ cents. Cattle sales are very dull this year. It does not pay to raise them. Farmers should sell all their calves for veal and handle only dairy cattle if they expect any returns for their labor.

Turkeys High

The turkey crop is certainly bringing satisfactory prices. They are thirty cents per pound on foot here. This is as high as they have ever sold in years before. The farmer who has raised poultry and dairy products this year and has had no hired help, has gotten pay for his labor this time, that labor has gone down, but those that had live stock and crops have lost.

June in Florida

A letter from our good friend, W. H. Swango, at Miami, Fla., says it is June always in his section of the state where he moved one year ago. Mr. Swango enclosed two post cards showing Floral Park in Miami near his home. The other card showed some colored fellows tapping pine trees for turpentine stills.

Improvements

John Kimbrell has made an extension to his blacksmith and repair shop. Joe Mountz is also making an extension to his garage.

Hurst Re-Elected

Latest returns show Sam Hurst re-elected Circuit Judge in the 23rd district instead of Judge Back as reported in our issue last week.

Jesse Eaton Improving

J. B. Eaton and Mrs. J. P. Ringo returned Sunday night from the bedside of their brother, Jesse Eaton, at Dayton, Ohio, who was operated on there last week for appendicitis. They say Mr. Eaton was getting along real nicely when they left him, with hopes for his recovery. Mr. and Mrs. J. H. O'Rear, of Winchester, the latter Mr. Eaton's sister, also went over to be with him a few days, and they, too, have returned.

McGuire's Majority

The Times was not correctly informed last week when it gave McGuire's majority for Representative in this county at 111 votes. His correct majority in Powell is 10 votes. Wolfe went for McGuire by 185 votes which when added to the 10 majority in Powell elects the Democratic nominee by 195 majority. The majority of the other candidates are unchanged from the reports printed in the Times last week.

Thanksgiving

Next Thursday will be Thanksgiving Day, a day for years and years that has been recognized a legal holiday, so designed to give all an opportunity to rest and give thanks for the many blessings we all receive whether or not we can enumerate them or appreciate them as we should. This day is not always observed by many in the true sentiment it should.

But Few Hunters

The hunting season opened Tuesday, but the hunters are not so numerous as usual. Just why this is the case is not accounted for unless the stringent times influences the purchase of ammunition. The leisure time is certainly with the people in general.

Christian Endeavor Social

Members of the Christian Endeavor gave a social Monday evening over the Clay City National Bank. Quite a little bunch gathered and spent a very enjoyable evening.

Circuit Court Next Week

The Powell Circuit Court will convene at Stanton next week. There will be several killings for the Grand Jury to investigate besides the many moonshiners said to be operating in the county.

Moves to Russell

Patrick Henry, who has occupied the position of Secretary to the Y. M. C. A. for some time, has moved from Heidelberg to Russell, Ky., where he will continue in the work.

Ladies Aid Sale

The good ladies of the Methodist church will have a sale of cakes, pies, candy and ice cream at the Hugh Bush store, Saturday November 19, for benefit of their church.

Goods Stolen and Damaged

J. T. Wright in moving from Weisburg, Ind., to Clay City chartered a car to ship his household goods and stock of general merchandise and paid the freight on same. When they arrived here to his astonishment, the goods had been transferred, part of them stolen, show cases all broken, together with range, heaters, chairs etc. The loss will amount to several hundred dollars, according to statements made by Mr. Wright.

Tobacco Pool Perfected

Burley tobacco growers of Kentucky, Indiana and Ohio have formed a pool of their 1921 crop to insure correct prices. In the final report we see Powell county has signed up for 60,000 pounds which is more tobacco than the Times thought was grown in the county. It is hoped to see the growers get a full price for their tobacco for it is certain they can not get a fair price for their corn and other crops.

Church Dedication

The new Methodist church, recently built at Hargett, will be dedicated, Sunday, November 27. The Rev. Ollie G. Ragan, D. D. will preach the dedicatory sermon. The public far and near is most respectfully invited to be present and lend a helping hand in dedicating one more much needed church to the service of the Master.

Disarmament Conference

The disarmament conference now in session at Washington is a step in the right direction. It is the man with the gun that always gets into trouble, and so it is with nations. The unprepared escaped the World War. It is better to prepare for peace than for war.

A Nice Little Store

Mrs. Wm. Mountz, Jr., and Miss Mary Nelson have a real nice little store. They can please you in your Thanksgiving or Christmas purchases. Call on them, ladies, and see how easy it is for you to make selections in their line.

Much Lightning

An unusual amount of lightning for November visited us yesterday with the rain, and just before the rain. It looked much more like spring than fall of the year.

High Price For Eggs

Eggs are fifty cents per dozen on the local market, the highest price for quite a while. Well, it is good that something favors the farmer on the market.

Several hogs have been killed during the recent cold weather.

The first snow of the season fell here Thursday night.

STANTON.

T. B. Ware, Virden, was here Friday on business.

Mrs. Mollie Crawford and daughter, Martell, are visiting relatives at Lexington this week.

Charley Barnes, Indianapolis, Ind., was here last week the guest of Butler Barnes and other relatives.

Mrs. T. L. Lander has returned to her home at Asheville, N. C. after a visit with her father, Jno. W. Williams.

The two small children of Mr. and Mrs. Marion Strange, who have been very ill with scarlet fever are improving.

Mrs. H. G. Garrett, Winchester, was here Thursday the guest of her mother, Mrs. Eliza Day, and Mrs. Nannie Creacy.

Dr. W. B. Triplett and Mrs. Triplett are here from Canada to visit the latter's father, Mr. Jno. W. Williams, and other relatives.

Miss Armita Ewell, who is attending Stanton College here spent from Friday till Tuesday with her parents, Mr. and Mrs. Mont Ewell, near Carlisle.

Mr. and Mrs. Ross Martin, Mrs. Tom Patton, Mrs. Henry Faulkner and Mrs. Sarah Jackson visited Mr. and Mrs. Jim French at the Levee from Friday till Monday. Mrs. Jackson remained for a two weeks' visit.

Sherman Townsend

Accidental Shot

While on Hell Creek in Lee county last week, Sherman Townsend, of this city, was accidentally shot in the hip and leg, by Oscar Poe, of Lee county. Mr. Townsend was immediately taken to the Clark County Hospital, where an X-ray located the bullet above the knee. The bullet was split open when it struck the bone.

Heavy Rains

The heavy rains falling last night and this morning will probably bring down a tide which will do some damage to farmers who have not got all their corn and fodder off the river. Most of the corn in this county has wisely been housed from the bottoms.

Notice to County Claimants

All persons having claims of any nature whatsoever against Powell county are requested by Judge Daniel to present same to the Fiscal court by filing them at County Clerk's office immediately. A meeting of the court will be held in a couple of weeks when it desires to pay all debts against the county.

Pay Your City Taxes Now

All city taxes are now past due and 6 per cent penalty will be added December 1st, as provided by law. Pay now and avoid the penalty a little later.

W. F. McCollom, Collector.

Personal Paragraphs

Mrs. Lize Williamson, of Pleasant county, W. Va., who is visiting her son, D. H. Williamson, at Winchester, was here, together with Mrs. Williamson, Tuesday to visit Mrs. F. G. Powell. Mr. Madison Williamson is also visiting his son at Winchester.

Corn as Fuel

Secretary Wallace, of the Department of Agriculture, calls attention to the low price of corn and states that in some places it is a cheaper fuel than coal. He predicts that large quantities of corn will undoubtedly be burned on western farms this winter unless the price should materially advance on corn or the price of coal go down which it will not do.

Judge D. R. Daniel purchased one yoke of steers from Everett Wilson. Weight 2,280 pounds for \$110 00.

BIRTHS.

Dr. Martin reports the following births:

Tuesday, November 8th., to Mr. and Mrs. James Isaac Mize, this city, a daughter.

Friday, November 11th., to Mr. and Mrs. Otis Young, a daughter.

Tuesday, November 15th., to Mr. and Mrs. Carl Ewen, this city, a boy.
