What has become of that noted Bald Rock correspondent. We miss him very much as he says great things and writes such funny stuff that we miss him as though one of the family had gone away. We can hear of him being at parties all through the week, and at different places on Sundays. He thinks he has fled or is fixing to fly to Amsterdam, or Jellico, or Jeffersonville. Anyhow, wherever he is, he sho' is some sport. Come on, Bald Rock, and give us some more of that dope.
