A man who has practiced medicine for 40 years, ought to know salt from sugar; read what he says:

TOLEDO, O., Jan. 10, 1887.

Messrs. F. J. Cheney & Co.—Gentlemen:—I have been in the general practice of medicine for most 40 years, and would say that in all my practice and experience have never seen a preparation that I could prescribe with as much confidence of success as I can Hall's Catarrh Cure, manufactured by you. Have prescribed it a great many times and its effect is wonderful, and would say in conclusion that I have yet to find a case of Catarrh that it would not cure, if they would take it according to directions.

Yours truly,

L. L. GORSUCH, M. D.

Office, 215 Summit St.

We will give \$100 for any case of Catarrh that can not be cured with Hall's Catarrh Cure. Taken internally.

### Council Proceedings.

MONDAY, Dec. 14, 1891.

The council met Monday night in called session. All present except Councilman Shaw.

The mayor stated that he had called the meeting for the purpose of taking action in regard to a \$5,000 note due the State National Bank Dec. 15.

The finance committee was directed to pay \$2,500 of said note and renew for \$2,500.

The clerk stated that at the last meeting of the council they had granted coffee house license to Jas. F. Dailey, and that since that time there had been presented to him a remonstrance, and he wished the council to take some action on same.

Councilman Darnell moved to reconsider the vote granting said license. The yeas and nays were demanded and the result was as follows: yeas 4, nays 4.

Councilman Darnell then moved that the clerk be directed to hold up license until after the regular meeting of the council, which motion was adopted.

The mayor stated that the clerk desired to make a statement in regard to the missing poll-book.

City Clerk Payne then arose and made the following statement:

On last Wednesday afternoon Mr. R. Tobin asked me when the returning board would issue him his certificate of election. I told him I was ready at any time. He said if I would meet him at the office at 7 o'clock he would have City Marshal Mace Williams there and we could issue him a certificate. I came to the office a little after 7 o'clock; found Squire McDonald, R. Tobin and Mace Williams waiting on the outside of the door for me. I unlocked the office door, went on the inside, followed by the above named gentlemen, unlocked the vault, took out the poll-books, when all of us examined them for some time. Squire McDonald blocked out on a letter head the form of the certificate, and I sat down at my type-writer and copied same, when Mace Williams and myself signed same and handed it to Mr. Tobin, after which Squire McDonald left. We three talked together some time and Mr. Tobin took his leave, but before he left he told Mr. Williams he would call back at the office, and for him to wait there until he came back. Mr. Williams and myself looked over the poll-books a while longer until I

looked at my watch and saw it was 8:10, when I told Mr. Williams I was going to see Sol Smith Russell, took up the poll-books and started to put them in the vault. Mr. Williams told me to leave them out, as he had to wait for Mr. Tobin, and he wanted to look at them, would take good care of them, place same in a drawer when he was through and lock the door. I left them with him as above stated and have not seen them since. I had no occasion to look at them Thursday, but Mr. V. Berberich came in Friday evening and asked to see them, when, to my surprise, they were gone.

After the clerk had finished his statement Judge B. G. Williams stated that his brother (who was sick), Marshal Mace Williams, desired him to state to the council that he deposited the books in the drawer indicated.

Councilman John L. Tobin stated that he was present and saw Marshal Williams place the poll-books in the drawer agreed upon, and upon leaving the office lock the door.

The council then passed the following resolution:

Resolved, By the Board of Councilmen of the City of Frankfort, that a reward of one hundred dollars be offered for the apprehension and conviction of the party or parties, who unlawfully carried away from the City Clerk's office the poll-books of the recent election for mayor.

The council then adjourned.
